Round Table

Suicide Prevention of SLO County Mission Statement: To prevent suicide and respond to the consequences in a culturally sensitive way through community collaboration between agencies, organizations, and citizens by means of public education, training, and the sharing of resources.

- To advocate for a stronger support system for those struggling with suicide and its consequences
- To challenge misconceptions regarding mental illness and suicide through community collaboration.
- To work together to create lasting change and support for those struggling with suicide and its consequences.
- To create a community that supports and embraces those who struggle with suicide.
- To create an environment of HOPE.

Strengthen Your Role
In Suicide Prevention
