 - b. Completed Registration Form.
Registration Forms are available with this letter and on our website:
<https://www.slocounty.ca.gov/Departments/Agriculture-Weights-and-Measures.aspx>
Select the "Pesticide Use Enforcement" program and then the "Pesticide Use Registrations" link.
 - c. Registration Fee:
\$10 if based in San Luis Obispo County
or \$5 if based outside of San Luis Obispo County
Payment Options:
Check (*Checks payable to the Agricultural Commissioner*)
Mastercard, Visa, Discover, American Express (*in person or call for online payment options*)
Cash (*In person only*)

Important Messages:

1. **California Code of Regulations 6602, Labeling Available at Use Site:** A copy of the registered labeling that allows the manner in which the pesticide is being used shall be available at each use site. Digital or physical labels are acceptable, however if an electronic device fails and the digital format cannot be viewed, then the user is in violation of 6602.
2. As required by EPA's **Paraquat Dichloride Human Health Mitigation Decision** and the amended paraquat dichloride (a.k.a. paraquat) product labels, all handlers (mixing, loading and applying) must be certified applicators **and** must successfully complete EPA Paraquat Training module. The training provides important information about paraquat's toxicity, new label requirements and restrictions, and the consequences of misuse.
