Dear Ms. Cano:

On June 8, 2022, my office submitted a letter regarding a measure proposed for the November 2022 ballot. You advised us that the ballot language submitted contains 76 words, one more than the 75 words permitted.

A revised statement appears below. We have deleted "cent" as identified in the following sentence: "...levying an estimated 4.9 cents per \$100 of assessed value generating on average \$17,970,000 annually..."

**EXHIBIT B - REVISED  
BALLOT MEASURE  
(ABBREVIATED FORM)**

"To improve the quality of education; repair/replace roofs; upgrade and renovate 50 to 60-year-old classrooms, restrooms, and school facilities; provide equity at sites; and make safety/security improvements; shall San Luis Coastal Unified School District's measure be approved authorizing \$349,000,000 of bonds at legal rates, levying an estimated 4.9¢ per \$100 of assessed value generating on average \$17,970,000 annually while bonds are outstanding, with annual audits, independent citizens' oversight, NO money for salaries and all funds spent locally?"

Thank you for your help.

Sincerely,

A handwritten signature in black ink that reads "Eric Prater".
