### **Two U.S. Senate Contests on Ballot**

The office of U.S. Senate will have **TWO** separate contests on the June 7, 2022, Primary Election ballot. You may vote on both. The first contest is the regular election for the full 6-year term of office beginning on January 3, 2023 (full term). The second contest is a special vacancy election, since the current officeholder is temporarily filing a vacancy, for the remainder of the term ending on January 3, 2023 (partial/unexpired term).

### **Redistricting and Voting**

To get an updated count of the country's population, the U.S. Constitution requires a federal census every ten years. California uses that census data to redraw the Congressional, State Senate, State Assembly, and State Board of Equalization districts based on population changes. The independent California Citizens Redistricting Commission (CCRC) uses the new census data to redraw the Congressional, State Senate, State Assembly, and State Board of Equalization district boundaries. The boundaries for local districts, such as county supervisorial or city council districts, are drawn by those governing bodies and not by the CCRC.
