Complete a UMDAP Financial Assessment, Paper Cost Agreement, and Paper ABN (if applicable) for non-UMDAP clients.

This process is for clients with Full Scope Medi-Cal, SOC Medi-Cal, & DAS Grant Funded Programs. The AA will need to complete a paper cost agreement and explain what happens if the client loses their Medi-Cal coverage. Give paper cost agreement to your clinic HIT for scanning. An UMDAP Financial Assessment in SmartCare will also need to be completed, as well as a paper ABN (for MH clients with Medicare insurance), for all MH in person assessments.

THERE SHOULD ONLY BE ONE CURRENT UMDAP FINANCIAL ASSESSMENT IN THE SYSTEM. THIS WILL BE SHARED BY BOTH MH & DAS PROGRAMS.

If a client needs an UMDAP (for clients with Medicare Only, Private Insurance, or no insurance/funding source), an UMDAP will need to be set by the service provider. The service provider will need to complete the UMDAP Financial Assessment (on paper) & set the UMDAP. Once done, they will give to the AA to enter in to SmartCare. HIT will verify.

AA should check insurance status for all intakes and clients scheduled with prescribers the day before the scheduled appointment. If a client has lost their Medi-Cal coverage or falls within one of the insurance categories listed above, they will require an UMDAP. AA should send an email notification to the service provider and Program Supervisor (also recommend clinic case manager) informing a paper UMDAP Financial Assessment is needed.

Start by ascertaining if a current UMDAP is already in the system.

With the client open, search Client Fee. Select Client Fee (Client).
