We use this information to personalize your matches when you find care and for booking your appointments.

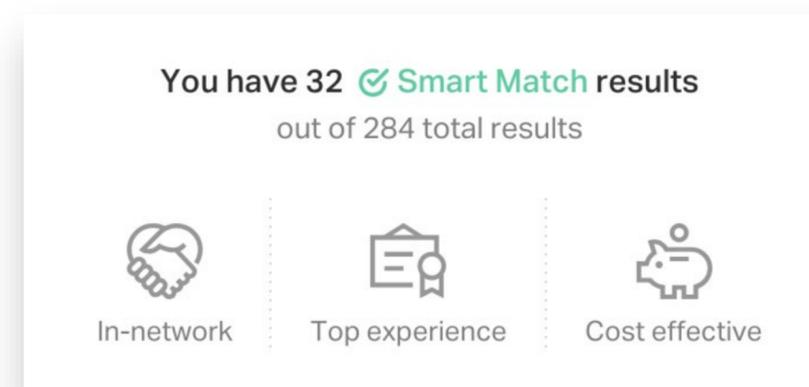

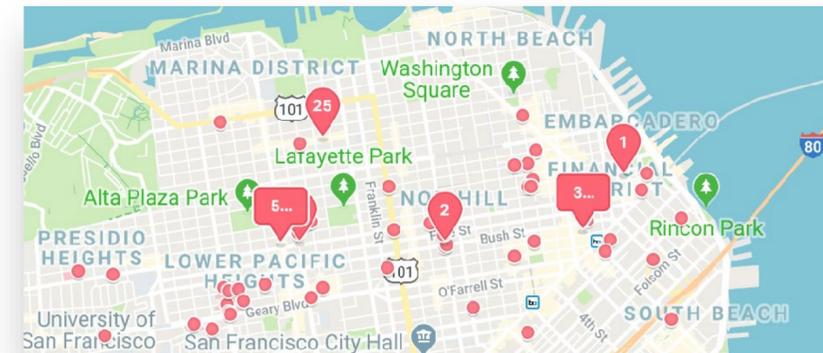

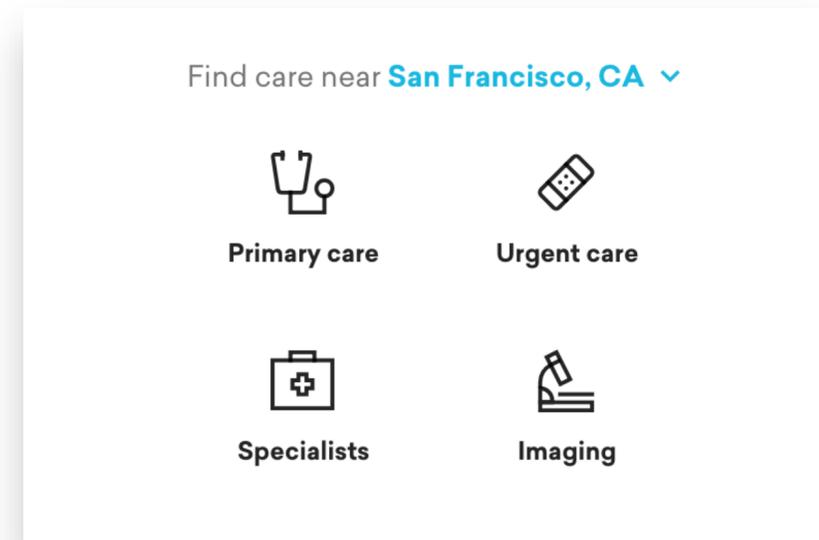

**How do you prefer to communicate with your Amino assistant?**

For example, to coordinate the details when booking an appointment for you.

- Via text message (recommended)

# Amino offers curated guidance.

- ✓ Easy access to the right care setting
- ✓ Find providers close to your home or office
- ✓ Curated guidance to the best care for you with Smart Match

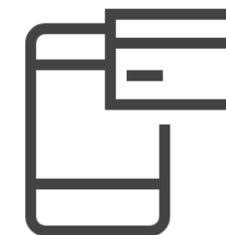

# Amino offers a **simple** way to find and use care.

You'll be guided to the best and most affordable care for you —whether that's an in-person doctor's visit or telemedicine appointment.

Our Amino Assistants will help you book an appointment with any of the providers on our platform via email or text.

Access all your information —from your member ID to your deductible progress— in your personalized dashboard.
