

**San Luis Obispo County
Flood Control and Water Conservation District**

Flood Control Zone 1/1A Advisory Committee Meeting

Meeting Date: Tuesday, May 17th, 2022 -- 3:00 to 5:00 pm

Meeting Location: Sheriff's South Patrol Station, 1681 Front Street Oceano, CA

MINUTES

	<p>Welcome and Introductions: Starting at 15.08</p> <p>Members in attendance: Stanley Ikeda, Gary Kobara, Charlie Lackie, Dianna Lackie</p> <p>Others in attendance: Nathan Claud (public works), Francesca Devlin (public works)</p>	Gary Kobara, Chairman
1)	<p>Public Comment</p> <p>Charlie Lackie: Hows the test slope going?</p> <p>Response: Not well, outdoor conditions are not conducive to what was planted.</p>	All
2)	<p>Announcements</p>	All
3)	<p>Review and approval of Past Minutes:</p> <p style="text-align: center;"><i>March 22, 2022</i></p> <p>Motion to approve: Charlie Lackie</p> <p>Seconded: Gary Kobara</p> <p>Approved by unanimous vote</p>	Advisory Committee
4)	<p>Channel Maintenance Activities</p> <p>Nathan Claud, Public Works</p> <p>200' of Levy top resurfaced at West end of North Levy. This area has been slippery and muddy during the rains and is a key access point for the Sand Canyon Flap gates.</p> <p>KD Janni sprayed herbicide on Hemlock, fennel, and Castor Bean between Highway 1 and 22nd street. We are seeing results. We will monitor closely to determine if another application will be necessary. We will perform more herbicide application throughout the summer.</p> <p>Mowing will occur on the levy tops and Los Berros in Late May through early June.</p>	

The purpose of the Committee is to provide recommendations to the San Luis Obispo County Flood Control District regarding appropriate actions to provide flood protection for the properties within the boundaries of Flood Control Zones 1 and 1A.

	<p>Western exterminators are performing additional ground squirrel treatments were performed near Creek rd.</p> <p>The gate at Creek rd was repaired due to a broken latch.</p> <p>Cannon completed the require cross sectional surveys. Data from that survey will be used to access the changes in the channel and direct sediment removal. We are not anticipating the need for sediment removal this year due to low flows.</p>	
5)	<p>Meadow Creek Update</p> <p>No update available currently. The public meeting has not been scheduled.</p>	
6)	<p>Open Forum (Questions / Suggestions for next agenda)</p> <p>Next meeting July 19th, 3pm</p>	All
7)	<p>Adjourn</p> <p>15.23</p>	All
