WHAT'S NEW FOR THIS ELECTION

Something Has Changed!

All voters can now vote for all contests in the Primary Election, regardless of party preference.

Top Two Primary

To Summarize:

- There are no party-affiliated ballots in this election. Everyone votes the same ballot.
- You can vote for any candidate regardless of the candidate's party preference.
- The candidates who receive the highest and second-highest votes cast during the Primary election advance to the General election, even if the two candidates have the same party preference or both have no party preference.
- The Top Two Primary laws only pertain to federal, statewide, and state legislative offices: U.S. Congressional, statewide and state legislative offices. It does not affect non-partisan contests (i.e. counties, cities, school and special districts)

Write-In Candidates

Write-in candidates are eligible to run in the Primary, and voters can cast their vote for that candidate by writing in the candidate's name and filling in the oval next to the write-in line. If a qualified write-in candidate is one of the top two candidates, that candidate will advance to and have their name printed on the General election ballot. As a result, there will no longer be a Write-In line for Voter-Nominated contests during a November General election.

Party Preference and Political Party Endorsement

The term "party preference" is now used in place of "party affiliation." On the ballot, the political party preference, or no party preference, as indicated on the candidate's voter registration will be listed next to the candidate's name. The party designation is shown on the ballot for information to the voters only and it does not constitute or imply an endorsement by the party designated. Parties have provided a list of candidates for voter-nominated offices, who have received the official endorsement of the party for printing in this booklet.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

SANDRA MARSHALL

Age: 62

Occupation: Publisher/Community Organizer

Education and Qualifications: Since moving to San Luis Obispo in 1974, I have been actively involved in local issues, elections, and community causes. As a volunteer, community organizer, and business person, I have developed personal strength and learned effective communications skills.

Currently I serve as Chairperson on the Board of the Environmental Center of San Luis Obispo (ECOSLO). For the last 20 years I have coordinated an annual Earth Day Fair for SLO County, and have sponsored free public events on health as well as local peace rallies and marches. In 1977, I co-founded the Abalone Alliance and participated in the Occupations at the Diablo Canyon Nuclear Power Plant.

In 1991, as corporations took over the media, I created the Information Press, a free monthly publication to raise awareness, offer solutions, and empower the reader. I continue to serve as the Publisher, Chief Editor and Operations Manager.

I am deeply concerned about the state of our nation, healthcare, the economy, military spending, privacy rights, equality, minimum wage, foreign relations and climate change. I can no longer stand by and watch a do nothing Congress.

My professional career and volunteerism demonstrates my abilities as a person of action who is familiar to politics, and shows how I work well with others, seek creative solutions, and get positive results. If elected I will take these same skills to Washington D.C.

I promise to serve actively and be a strong voice as your representative to the 24th Congressional District.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

LOIS CAPPS

Occupation: Member of Congress

Education and Qualifications: I've been honored to serve San Luis Obispo County in Congress, representing your values and priorities. My commitment to serving you comes from my experience raising my family here on the Central Coast, and working as a nurse and teacher in our public schools. I know what a special place the Central Coast is. That's why I've worked in Congress for all our communities, helping rebuild Highway 46, funding Cal Poly research and supporting our agriculture industry.

I am proud of my work to safeguard our environment, protecting the Central Coast from the threat of more offshore oil drilling. I am committed to growing our economy in a way that helps middle class families. That's why I support targeted investments in infrastructure, clean energy and high tech research and development - to put people to work and promote new business.

And it's why I have worked to make high-quality education available for our children and to increase financial aid to make college more affordable.

I will continue to protect Social Security and Medicare. And I will always be a champion for our veterans and their hard-earned benefits. I support sensible healthcare policies that improve quality, expand access and lower costs. And I will always protect women's access to comprehensive healthcare, such as birth control.

On June 3rd, I would be honored to have your support so we can continue making a positive difference in people's lives.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

DALE FRANCISCO

Age: 60

Occupation: Santa Barbara City Councilmember

Education and Qualifications: Representative government is a right of all Americans. Gridlock is common in Congress because many of our representatives vote "the party line" rather than understanding the issues and crafting solutions that work.

As a two-term Santa Barbara City Councilmember, I have experience solving real problems: Enhancing public safety, rebuilding city finances, fostering business vitality, making essential infrastructure improvements, and finding humane solutions to the problem of homelessness.

Our nation faces many problems: A stagnant economy, few jobs for young people and our experienced workforce, rising energy prices, declining respect for America in a dangerous world, and a staggering burden of debt to be passed on to our children and grandchildren. Congress must get to work on behalf of the American people.

Current national policies have led to slow growth and increasing government dependence. Free markets have always provided consumers the best choices.

Increasing the size and power of the federal government is exactly the wrong solution. This has been tried, and continues to fail. Americans deserve a better future, and so we must live within our means, reduce the size and power of government, and expand individual choice - and thereby opportunity.

I ask for your vote. My record proves I can work with others to achieve agreement. You can depend on me as your Congressman to fight for balanced budgets and lower taxes, to promote job growth and lower energy prices, and to work to preserve the exceptional quality of life that we enjoy here in the 24th District.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

JUSTIN DONALD FAREED

Age: 25

Occupation: Cattle Rancher/Businessman

Education and Qualifications: Now, more than ever, we need to create a renewed leadership in Washington and rededicate ourselves to government that values common sense over ideology, collaboration over partisanship, and team work over special interest. We must be stewards of California's resources, and of its future. I was born and raised in our district with the well-reasoned notion of conserving and preserving our natural resources while harnessing them to bring economic bounty for generations to come.

As a graduate from UCLA, a small businessman in Santa Barbara and a third generation cattle rancher, I know first hand the struggles facing Californians in today's troubled economy. As a former legislative policy aide in Washington, I know that government must do a better job helping people with their struggles. Congress needs to replace its current dysfunction from divisive gridlock with a clearer and more dedicated vision of public service.

My three point Freedom Platform is forged from respect for our natural resources, devotion to the aspirations of Californians and concern for the legacy we leave to our children's children. Free from Debt, Free to Succeed Economically, Free from Intrusive Government – these are three pillars that I believe can get us back on track to a more prosperous tomorrow.

With the lack of collaboration and common purpose in D.C., I remain deeply concerned with our fiscal sustainability and generational equity. I am committed to fulfilling the promises made in the past and to ensuring the needed investments for future generations.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

BRADLEY ALLEN

Occupation: Pediatric Heart Surgeon

Education and Qualifications: As a medical doctor, I've spent 30 years practicing, studying, researching, and teaching medicine, all to help people live better lives. As your congressman, I'll take this same problem solving approach I learned as a doctor to Washington D.C.

Unfortunately, career politicians in Washington just keep worsening Californian's daily lives. That is why I'm running for Congress; to help people.

Healthcare. I can't just sit by and let the best healthcare system in the world be destroyed by Obamacare. As a doctor, I know that Obamacare should be replaced with market driven solutions that lower costs, improve access, and empower Americans. Having worked in private practice, universities, Canada, and Veterans Hospitals, I understand all aspects of healthcare, and how to best fix our system.

Economy. For those who are out of work, it is a personal crisis for them and their families. The growing federal bureaucracy and overregulation is punishing working families and small businesses. I will reign in government overreach to give small businesses the freedom to grow and create new middle class jobs. Government should work for us, not against us.

My goals are simple — I want to bring common sense back to Congress and fix the mess that career politicians have created. As your Congressman, I promise to listen to your concerns and use the pragmatic approach I learned as a doctor to change the current situation in Washington, DC.

I humbly ask for your vote for Congress. Questions, feel free to contact me at 805-350-9870.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

ALEXIS STUART

Occupation: Credit Building Consultant, Author, Real Estate Broker

Education and Qualifications: I am not a politician, nor will I ever strive to be one. I am a voter and small business owner; who, like you, is tired of what is going on in Washington, D.C.

I am very good at recognizing a problem and coming up with common sense solutions that will benefit the entire country, not just a few.

Reducing regulations, taxes, government departments, restoring freedom and abolishing the Affordable Care Act are my main goals. The federal government has drastically expanded to 524 federal government departments compared to approximately 230, 2 1/2 years ago.

To be assigned to the Congressional Budget, Financial Services Committees and The Joint Committee on Taxation would be the best use of my knowledge and experience.

I am proof that each of us can make a difference. My correspondences with the Social Security Administration resulted in them adding a webpage where the public can make tax deductible donations directly to the Social Security Fund. One day I hope to have the same results with Medicare and the DOD. When I first called, the three departments had no idea they could accept donations. The heads of these three federal government departments did not know about this important law and only one is now taking advantage of it. My communications with these departments can be found on my campaign website.

**DECLARACIÓN DE LA CANDIDATA A
DIPUTADA DE EE. UU., 24.º DISTRITO DEL CONGRESO**

SANDRA MARSHALL

Edad: 62

Ocupación: Editora/Organizadora comunitaria

Educación y competencias: Desde que me mudé a San Luis Obispo en 1974, he participado activamente en asuntos locales, elecciones y causas comunitarias. Como voluntaria, organizadora comunitaria y persona de negocios, he desarrollado fuerza personal y he aprendido habilidades de comunicación efectivas.

Actualmente sirvo como presidenta de la Junta del Centro Ambiental de San Luis Obispo (ECOSLO). Durante los últimos 20 años he coordinado una feria anual del Día de la Tierra para el Condado de SLO y he patrocinado eventos públicos gratuitos sobre la salud, además de eventos y marchas locales por la paz. En 1977 cofundé la Alianza Aballone y participé en las ocupaciones en la planta de energía nuclear Diablo Canyon.

En 1991, mientras las corporaciones se apoderaban de los medios, creé la Information Press, una publicación mensual gratuita para crear conciencia, ofrecer soluciones y empoderar al lector. Continué sirviendo como la editora, la directora editorial y la administradora de operaciones.

Estoy profundamente preocupada sobre la condición de nuestra nación, la atención médica, la economía, los gastos militares, los derechos a la privacidad, la igualdad, el salario mínimo, las relaciones exteriores y el cambio climático. No puedo seguir al margen y ver un Congreso que no hace nada.

Mi carrera profesional y mis actividades como voluntaria demuestran mis habilidades como una persona de acción que está familiarizada con la política y muestran que trabajo bien con los demás, busco soluciones creativas y obtengo resultados positivos. Si soy elegida, llevaré estas mismas habilidades a Washington D.C.

Prometo servir activamente y ser una voz fuerte como su representante del Distrito 24 del Congreso.

**DECLARACIÓN DEL CANDIDATO A
DIPUTADO DE EE. UU., 24.º DISTRITO DEL CONGRESO**

DALE FRANCISCO

Edad: 60

Ocupación: Miembro del Concejo Municipal de Santa Barbara

Educación y competencias: Un gobierno representativo es derecho de todos los estadounidenses. El atasco es común en el Congreso porque muchos de nuestros diputados votan por la tendencia del partido en lugar de entender los asuntos y crear soluciones que funcionen.

Como miembro del Concejo Municipal de Santa Barbara durante dos periodos, tengo experiencia en la resolución problemas reales: la mejora de la seguridad pública, la reconstrucción de las finanzas de la ciudad, el fomento de la vitalidad de los negocios, la realización de mejoras esenciales en la infraestructura y la búsqueda de soluciones humanas al problema de la indigencia.

Nuestra nación se enfrenta a muchos problemas: una economía estancada, pocos empleos para los jóvenes y para nuestra fuerza laboral con experiencia, precios de la energía que van en aumento, menor respeto hacia Estados Unidos en un mundo peligroso y una carga abrumadora de deuda que se transferirá a nuestros hijos y nietos El Congreso debe ponerse a trabajar por los estadounidenses.

Las políticas nacionales actuales han llevado al crecimiento lento y a un aumento en la dependencia del gobierno. Los mercados libres siempre les han dado las mejores opciones a los consumidores.

Incrementar el tamaño y el poder del gobierno federal es exactamente la solución equivocada. Esto se ha puesto a prueba y sigue fracasando. Los estadounidenses merecen un mejor futuro y por eso debemos vivir dentro de nuestros medios, reducir el tamaño y el poder del gobierno y expandir las libertades de decisión individuales y por lo tanto la oportunidad.

Le pido su voto. Mi historial prueba que puedo trabajar con los demás para lograr acuerdos. Puede contar conmigo como su congresista para que luche por los presupuestos equilibrados y menores impuestos, para promover el incremento de empleos y los precios de energía más bajos, y para trabajar para preservar la calidad de vida excepcional que disfrutamos aquí en el Distrito 24.

**STATEMENT OF CANDIDATE FOR
BOARD OF SUPERVISORS, 4TH DISTRICT**

CAREN RAY

Age: 45

Occupation: Current County Supervisor, District 4 / Educator

Education and Qualifications: As your County Supervisor, I help responsibly manage a half-billion dollar budget by rebuilding reserves depleted during the recession, and carefully watching every dollar.

As a former City Councilmember and Planning Commissioner, I bring nearly a decade of proven leadership, land use experience, and fiscal responsibility to the Supervisor's office.

Experience has taught me that the best decisions come from an open, collaborative approach to problem solving.

As a four-year Board Member of the Economic Vitality Corporation, I continue to work closely with business leaders to grow our local economy, create head-of-household jobs, and enhance our quality of life.

Water. Business. Public Safety. Agriculture. Streets. Resources. These issues concern all of us, and I am dedicated to finding equitable solutions that serve the diverse interests of our residents and our communities.

I have lived in the South County for over 30 years. I'm a proud graduate of AGHS, Cuesta College, UCLA (B.A.), and Cal Poly S.L.O. (M.A.). I taught Government, Economics, and World History before I became your Supervisor.

I am supported by many South County elected leaders, and a wide variety of business owners and community leaders of all parties.

**STATEMENT OF CANDIDATE FOR
BOARD OF SUPERVISORS, 4TH DISTRICT**

MIKE BYRD

Age: 62

Occupation: Business Owner

Education and Qualifications: Our South County seat on the Board of Supervisors has long been held by independent-minded individuals who were bipartisan in every sense of the word, Supervisors Katcho Achadjian and Paul Teixeira.

With your vote, I will maintain that tradition of independent leadership and bring balance back to the Board.

I have been a local business owner for 26 years. I have served as President and Director of local, state and national industry associations; Director of the Arroyo Grande Chamber of Commerce; Co-founder of Friends of Price House; Director of Big Brothers/Big Sisters and Junior Achievement; and a member of the Arroyo Grande Local Housing Task Force.

I have been talking to you about the "Four Rs" – Respect, Responsibility, Reform, and Renewal. I'm committed to restoring civility and decorum to the Board of Supervisors and treating all residents with respect. I'm committed to the responsible use of our natural resources while protecting the legitimate rights of property owners. I'm committed to reforms that strengthen the autonomy of our unincorporated communities. And, I seek to renew our commitment to our seniors and our young people looking for a first job.

BOARD OF SUPERVISORS, 4TH DISTRICT**

LYNN COMPTON

Age: 50

Occupation: Rancher / Small Businesswoman

Education and Qualifications: San Luis Obispo County is a place that I am proud to call home — where I work, live, and raise my family.

After graduating from Purdue University with a degree in Agri-Business, I have spent nearly 30 years working in the agricultural industry. Along the way, I earned a law degree and my husband and I started a small agricultural supply business.

As a small business owner, I have seen firsthand how county government can make it harder to run a business and create jobs. I've seen how excessive fees and regulations discourage individuals from starting or growing a business. That's why I'm running for County Supervisor.

My goal is simple: to improve our business climate and make SLO County government more effective and efficient at serving residents and small businesses.

As a Supervisor, I'll listen to your concerns and bring an independent voice to SLO County. And I'll always fight to strengthen public safety and keep our families safe.

I humbly ask for your vote for County Supervisor. Please call me with any questions at (805) 345-6323 or visit www.LynnCompton.com.

**DECLARACIÓN DEL CANDIDATO A
LA JUNTA DE SUPERVISORES, 4.º DISTRITO**

MIKE BYRD

Edad: 62

Ocupación: Propietario de empresa

Educación y competencias: Nuestro puesto de South County en la Junta de Supervisores por mucho tiempo ha sido ocupado por individuos de pensamiento independiente que eran bipartidistas en toda la extensión de la palabra, los supervisores Katcho Achadjian y Paul Teixeira.

Con su voto mantendré esa tradición de liderazgo independiente y restauraré el equilibrio de la junta.

He sido el propietario de una empresa local durante 26 años. He servido como presidente y director de asociaciones industriales locales, estatales y nacionales; director de la Cámara de Comercio de Arroyo Grande; cofundador de Friends of Price House; director de Big Brothers/Big Sisters y Junior Achievement; y un miembro del Grupo de Trabajo de Viviendas locales en Arroyo Grande.

He estado hablándole acerca de las "4 erres": Respeto, Responsabilidad, Reforma y Renovación. Estoy comprometido con restaurar la civilidad y el decoro a la Junta de Supervisores y a tratar a todos los residentes respetuosamente. Estoy comprometido con el uso responsable de nuestros recursos naturales y con la protección de los derechos legítimos de los propietarios. Estoy comprometido con reformas que fortalezcan la autonomía de nuestras comunidades no incorporadas. Y busco renovar nuestro compromiso con nuestros adultos mayores y nuestros jóvenes que buscan su primer empleo.

**DECLARACIÓN DE LA CANDIDATA A
LA JUNTA DE SUPERVISORES, 4.º DISTRITO**

LYNN COMPTON

Edad: 50

Ocupación: Ganadera/Propietaria de pequeña empresa

Educación y competencias: El Condado de San Luis Obispo es un lugar al que me enorgullece llamar mi hogar; donde trabajo, vivo y formo mi familia.

Después de graduarme de la Purdue University con una licenciatura en Negocios Agrícolas, he pasado casi 30 años trabajando en la industria agrícola. A lo largo del camino obtuve un título en derecho y mi esposo y yo iniciamos una pequeña empresa de suministros agrícolas.

Como propietaria de una pequeña empresa, he visto de primera mano cómo el gobierno del condado puede dificultar la administración de un negocio y la creación de empleos. He visto cómo las tarifas y las regulaciones excesivas desalientan a los individuos de iniciar o hacer crecer un negocio. Es por esto que me estoy postulando para ser la supervisora del condado.

Mi objetivo es sencillo: mejorar nuestro ambiente de negocios y hacer al gobierno del Condado de SLO más efectivo y eficiente al servir a los residentes y a las pequeñas empresas.

Como supervisora, escucharé sus inquietudes y brindaré una voz independiente para el Condado de SLO. Y siempre lucharé para fortalecer la seguridad pública y mantener a salvo a nuestras familias.

Le pido humildemente su voto para ser la supervisora del condado. Por favor llámeme para cualquier pregunta que tenga al (805) 345-6323 o visite www.LynnCompton.com.

DECLARACIÓN DEL CANDIDATO A FISCAL DE DISTRITO

DANIEL L. “DAN” DOW

Educación y competencias: Me estoy postulando para brindar un liderazgo competente y con una nueva perspectiva. Los años de experiencia como abogado, junto con más de 20 años en el ejército y la experiencia de negocios en Silicon Valley, me dan un enfoque equilibrado para servir a nuestra comunidad. Mis prioridades más altas serán combatir a las pandillas, mantener a las drogas fuertes fuera de nuestras escuelas y reducir la sobrepoblación en las cárceles de manera segura y asequible.

En el ejército serví como lingüista del coreano, especialista en inteligencia y oficial de la JAG. Empecé como soldado raso y ahora soy comandante. Fui entrenado en liderazgo y he servido en Corea, Kosovo e Irak.
