WHAT'S NEW THIS ELECTION

This election offers a myriad of changes for our voters both due to legislative actions and county processes.

ALERT: POLLING PLACE CHANGE

**Polls for Cayucos Veterans Hall Relocated to
Cayucos Community Church
60 S. 3rd St
Cayucos, CA 93430
Consolidated Precincts 205 and 206**

Due to the closing of the Cayucos Veterans Hall, the two precincts in Cayucos have been relocated to the Cayucos Community Church. When the Elections office was notified of the closing, sample ballots and voter information guides had already been printed with the Cayucos Veterans Hall as the designated location. Efforts are underway to inform voters of this change of venue.

NEW POLLING PLACES- VOTERS NEED TO CHECK POLLING PLACE LOCATION BEFORE HEADING OUT ON ELECTION DAY- In San Luis Obispo County, we rely on public buildings for polling places. However the demand for these buildings is great and although our local agencies, schools and churches are also cooperative in ensuring we have sufficient space for Election Day activities, some polling places may change from previous locations due to scheduling conflicts. As always, it is important that voters check to make sure they know the polling place to which they are assigned..

THE CALIFORNIA PRIMARY SYSTEM

TOP-TWO OPEN PRIMARY ACT: On June 8, 2010, California voters approved Proposition 14, which created the "Top Two Open Primary Act". This means candidates, regardless of their party preference, will appear on a single combined ballot and voters can vote for any candidate from any political party. This Act does not affect the election of President, which is still party specific.

The "Top-Two Open Primary Act" changes the way elections are conducted for all statewide (i.e. Governor, etc) and legislative offices (U.S. Senate, U.S. Representative, State Senate and State Assembly). These contests are now known as voter-nominated. In these contests, the two candidates who receive the highest and second-highest number of votes cast in the Primary Election will appear on the ballot at the General Election. The rules for Non-Partisan (State Superintendent of Schools, Judicial, County and other local jurisdictions) offices will remain the same.

NO PARTY PREFERENCE (NPP) (FORMERLY DECLINE TO STATE):

This is the designation for Decline to State or Non-Partisan Voters, along with all voters registered with unqualified political parties.

CANDIDATES STATE THEIR PARTY PREFERENCE: The primary contest for voter nominated offices is no longer conducted to select the party's nominee for an office, instead these candidates are nominated by the voters. All candidates

are required to state their party preference as indicated on their voter registration and this preference is printed on the ballot to the right of the candidate's name. If a candidate did not state a party preference on their voter registration it will be listed as Party Preference: None. The party preference of the candidate does not imply an endorsement of the party listed, however the parties are allowed to provide their endorsements and have those endorsements printed in the county sample ballot booklet at no charge to the party.

PARTY REGISTRATION STILL MATTERS: Because the Presidential nominee contest continues to be a partisan office, only those voters who are registered with a specific party can vote that party's ballot (with the exception of Cross-over voters- see below). This is also the case for the election of a Partisan Party's Central Committee or County Council Members. Voters registered with a qualified political party are not eligible to cross over to any other party's ballot.

CROSSOVER VOTING: Due to the Presidential primary contest, the ballots for the 2016 Primary Election will be comprised of 6 different party ballots and a Non-Partisan ballot. Voters who are listed as NPP have the option to participate in the election with the Non-Partisan ballot (no Presidential Contest) or cross over and request a party ballot from the parties allowing those voters to participate. The parties allowing NPP participation are the American Independent Party, the Democratic Party, and the Libertarian Party.

VOTE BY MAIL BALLOTS

REQUEST VOTE BY MAIL BALLOT BY PHONE: State legislation now allows a voter to request a vote by mail ballot by calling the elections office. Each voter must request their own ballot and the elections staff will confirm pertinent information before the request can be filled. This change will make it easier for voters to request a ballot, particularly when the deadline for requesting a ballot is looming.

However, Elections Code requires NPP voters who desire to receive a cross-over ballot must "personally affix" the name of the political party ballot in their request. In other words, a voter must complete the vbm request postcard in their sample ballot or make a request in writing and send it to the Clerk-Recorder, or visit the Clerk-Recorder's offices in San Luis Obispo or Atascadero and complete the request form in person.

EXTENSION OF DEADLINE FOR VOTE BY MAIL BALLOTS

New legislations allows county election officials to count vote by mail ballots that are postmarked by Election Day and received within three business days after Election Day. As a result of this new legislation, counties are allowed to open and process vote by mail ballots as early as ten business days before the election instead of the seven days allowed earlier. Also, counties are allowed to up thirty days to complete the canvass of the vote.

EXPANDED OPTION FOR MILITARY AND OVERSEAS VOTERS

It has long been a challenge to get vote by mail ballots to citizens living overseas and military voters, particularly those serving in areas with limited mail delivery. By law, ballots can be provided these voters 60 days before an election, but even with the extra time to mail the ballot, voters can be disenfranchised. To help alleviate this situation and efficiently get ballots to those serving our country, San

Luis Obispo County has partnered with Democracy Live on Live Ballot, a program which allows these voters to securely access their ballot and sample ballot information online. Once a voter notifies us that they wish to participate in Live Ballot, they receive an email notification that the information is available. They can then sign in, access the information specific to their ballot, print and mark the ballot and return it via mail (at no cost to the voter) or if circumstances permit, return it via fax.

WEBSITE CHANGES AND NEW FEATURES

NEW URL- The election information can now be accessed using **www.slovote.com**. This will link directly to the election page of the County Clerk-Recorder website.

ON-LINE VOTER REGISTRATION

Thanks to a collaborative effort between county registrars, the Secretary of State and Department of Motor Vehicles, voters can now register to vote on-line. The voter enters his or her information in the secure system and, if a match is found with the DMV database, the voter's information and signature will be forwarded to the appropriate county elections office. If there is no match found, the voter will be prompted to print the registration form, sign it and return it to their local elections office. This new system makes voter registration convenient and accessible to voters, especially as registration deadlines approach. The system has proved very popular. Leading up to the 2012 General Election, over 5,000 on line registrations were received in the last three weeks and over 1,000 received on the deadline. Registering online has the double benefit of being convenient for the voter, but beneficial to the elections office since the data keyed in by the registrant populates the county's database, thereby reducing the manual data entry associated with forms and the inherent errors caused by illegible information and computer entry mistakes. Check it out at www.SLOvote.com and click on Register to Vote.

Screenshot of the "Classification - Voter Registration Application" web form. The page header includes the California State Seal and "Alex Padilla California Secretary of State". The form title is "Classification - Voter Registration Application" with a progress indicator showing step 1 of 5. A note states "All fields marked with an asterisk (*) are required." The main section is titled "Classification" and asks "I am one of the following:". It lists six radio button options: "A California resident living in the United States.", "A member of the Uniformed Services or Merchant Marine on active duty outside my county.", "An eligible spouse or dependent of a member of the Uniformed Services or Merchant Marine on active duty outside my county.", "An activated National Guard member on State orders outside my county.", "A U.S. citizen residing outside the U.S. temporarily.", "A U.S. citizen residing outside the U.S. indefinitely.", and "A U.S. citizen and have never resided in the U.S.". A "Next" button is located at the bottom of the form.

WHAT’S ON THE BALLOT?

5 jurisdictions are participating in the election being conducted by the San Luis Obispo County Clerk-Recorder including federal, state, county and 2 cities.

JURISDICTION	NUMBER OF MEASURES	NUMBER OF OFFICES
FEDERAL Partisan Office Presidential Nominee for political parties Local Central Committee Members Democratic 2 nd Supervisorial District Republican 2 nd Supervisorial District Republican 5 th Supervisorial District Voter Nominated Offices U.S. Senator Congressional Representatives- 24th	0	1 5 5 5 1 1

COUNTY Board of Supervisors 1st, 3rd & 5th	0	3
DISTRICT Cayucos Fire Protection District - Measure C-16	1	0

**POLITICAL PARTY CENTRAL COMMITTEES AND COUNTY COMMITTEES
INSUFFICIENT NOMINEES**

All political party central committees and county councils are elected at the primary election. These offices remain a partisan office and are open only to candidates and voters registered with the specific party. The following seats were open for each of the political parties: Democratic- 21 members, Republican- 25 members, - these two parties elect their central committees by supervisorial district and Green and Libertarian – 7 members- elected at large throughout the county.

During the nomination period, three races are contested: Democratic, 2nd District, Republican, 2nd and 5th Districts. These contests will appear on the respective partisan ballots. The remaining contests had nominees equal to or less than the number of positions in each contest. The candidates in these contests who filed the appropriate papers will be declared appointed in lieu of election by the Board of Supervisors.

PLACEMENT ON THE BALLOT/ROTATION OF CANDIDATES

The order in which candidates' names appear on the ballot is determined by a random drawing of the 26 letters of the alphabet. This random drawing is conducted by the Secretary of State and the County Clerk-Recorder prior to each election. The random drawing for this election was held on March 17, 2016.

Election law also requires the names of candidates for some offices to change positions, such as federal, statewide and county wide offices (i.e. Governor, United States Senator, Secretary of State, United States Representative). The purpose of the rotation is so one candidate's name does not always appear first, or last, on all of the ballots for the races.

As required by state law, names of candidates for certain offices are rotated on the ballot as follows:

OFFICE	ROTATION
Statewide Offices, United States Representative, Board of Equalization member	Candidates' names are arranged in accordance with the alphabetical drawing beginning with the lowest numbered Assembly District in the State or Congressional or Board of Equalization District. Thereafter, for each succeeding Assembly District, the candidate's name appearing first is placed last; the order of the other names remains unchanged. Since San Luis Obispo County is represented by only one Assembly District, these candidates will be in the same order on every ballot in this county.
State Senate and State Assembly	For multi-county districts, such as the senate and assembly each county conducts a random drawing and the candidates' names are arranged in accordance with each county's alphabetical drawing- no other rotation.
County Supervisor, Cities	No rotation

VOTE –BY- MAIL BALLOT INFORMATION

History: Absentee ballots were first made available by the North for the soldiers and sailors in the Civil War. California first allowed absentee voting in 1920 for those who were ill or disabled, lived too far from the polls and other special circumstances. In 1978 legislation was passed which allowed universal absentee voting. As a result of this change allowing any person to vote absentee (now vote-by-mail), it has become a very popular means to cast a ballot. See the chart on page 8 to track the trend of voters casting their ballots by mail. In 2002, permanent absentee voting was expanded to any voter upon request. There are currently over 98,500 permanent vote-by-mail voters in San Luis Obispo County totaling more than 64.7% of the total registered

voters.

How To Apply for a Vote-by-Mail Ballot:

The first day this office can issue a vote-by-mail ballot for the Primary Election is May 9, 2014 (29 days before the election). Vote-by-mail ballot requests must be received no later than May 31st in order for the ballot to be mailed to the voter. After that date, the voter must appear in the Office of the County Clerk-Recorder and complete an application indicating the reason they cannot appear at the polls on Election Day. Vote-by-mail ballots may be requested in one of four ways:

- By calling the County Clerk-Recorder's office and requesting a Vote By Mail ballot at 805-781-5228.
- By filling out and mailing the Vote by Mail Application on the back cover of the sample ballot booklet. Sample ballot booklets were mailed May 2.
- By letter to the County Clerk-Recorder, 1055 Monterey St., D120 San Luis Obispo CA 93408. The letter must state the voter's name, residence address, address to which the ballot should be sent and voter's signature.
- In person at the County Clerk-Recorder's Office- in San Luis Obispo at the address above or for voters living in the North County, at our office in Atascadero- 5955 Capistrano Ave., Suite B. The office hours in Atascadero are 7:30-4:00.
- By faxing a written request to the County Clerk-Recorder's Office at 781-1111.

To be counted, the voted ballot must be returned by the voter personally at any polling place in the county no later than 8:00 p.m. or if mailed, postmarked no later than Election Day and received by the Elections office within three business days of Election Day. Nevertheless, it is recommended that voters mail ballots a week prior to the election to ensure that the ballot will be received in time. The voter may also authorize a designated family member to return the voted ballot to any polling place in the county or to the County Clerk-Recorder's Office.

WEEKEND VOTING

The County Clerk-Recorder's Office will be open on the Saturday before the election from 9:00 a.m. to 2:00 p.m. to issue vote-by-mail ballots. Voters may vote the ballot in the office at the voting booths or have a family member return the ballot for them by 8:00 p.m. on Election Day.

PREPARING FOR THE ELECTION
THE READER'S DIGEST VERSION
E-120 TO ELECTION DAY

The staff of the County Clerk-Recorder's Office begins preparation for a county wide election at least six months prior to Election Day and after that every day is counted as E-the number of days left. You could ask any employee in our office (and probably any candidate) how many days until the election and we won't even have to think twice to answer. Some of the important dates and the activities surrounding them are:

E minus number	Date	Activity
E-158	January 4, 2016	First day to issue signature in lieu of filing fees petitions to candidates to help defray their filings fees.

These names constitute the first mailing of state ballot pamphlets and sample ballot pamphlets. Any changes or anyone who registers between this date and the 29 day close of registration (May 9) will be mailed the voter information in the second mailing, scheduled for mailing the week of May 23.
E- 56 to E-14	April 11 – May 24	Write-in candidate nomination period.

During the week of the close of registration, staff is busy processing voter registrations. These must be completed by the end of the week so new voters can be sent their sample ballot booklets and state voter information guides in a timely manner. While this is going on the voting booths and precinct supplies are being prepared for delivery to the county’s 135 precincts and last minute changes to precinct worker assignments are made. During the month of May, staff is conducting 15 training sessions for the 700+ volunteers working at the polls.
E-15	May 23	Official close of registration. Anyone registered between May 10 and May 23 is eligible to vote however, the voter will not receive the state voter information guide or the county sample ballot booklet. ELECTION NIGHT PROCEDURES

After the last voter in line at 8:00 has cast their ballot, the precinct workers pack up and return precinct materials and the voted ballots in sealed containers to either the regional collection centers or directly to the Elections office in San Luis Obispo. Elections staff verifies that all ballots and required materials have been received and that security measures have been followed prior to releasing the precinct workers. All ballots and materials are brought to the Government Center in San Luis Obispo for ballot counting and secure storage.

SPEED OF BALLOT COUNTING ELECTION NIGHT

As in the past, results of early vote-by-mail ballots (those received by Saturday, June 4th) will be available immediately after 8:00 pm. The ballots will be counted centrally in the County Clerk-Recorder's office on Election Night instead of at the polls during the day. The ballots will be transported from our regional collection centers in Paso Robles, Atascadero, Morro Bay and Arroyo Grande to the Government Center and fed through the Accuvote scanners by county staff. Final election night results should be available by 12:30 a.m.

INCOMPLETE BALLOT COUNTING ELECTION NIGHT

The public is often surprised on the day after a major election when they learn that there are as many as 15,000 ballots county wide remaining to be counted after the election. There are three categories of ballots which cannot be processed on Election Night:

1. **VOTE-BY-MAIL BALLOTS TURNED IN ELECTION DAY-** Many vote-by-mail voters wait until Election Day to make their voting choices and then drop off their ballots at a polling place. These ballots are received after the polls close on election night. All vote-by-mail ballots must be pre-processed before they are counted- including entering that the ballot has been returned to protect against double voting and verifying the voter's signature on every envelope against the signature on file in our office.
2. **PROVISIONAL BALLOTS-** Provisional Ballots are voted at the polls when the precinct workers cannot determine the voter's eligibility to vote in that election. Provisional ballots are sealed in special envelopes and must be individually researched and verified at the County Clerk-Recorder's Office before the ballots is counted or rejected in accordance with election laws. There are several reasons why someone would be required to vote a provisional ballot at the

polling location:

- Voter is listed as having received a vote-by-mail ballot but does not have the ballot to surrender at the polls.
- Voter is voting under the fail safe provisions of the National Voting Rights Act. A fail safe voter is a registered voter in this county, who has moved and did not re-register to vote or notify the elections office of his/her change of address.
- Voter insists on voting a ballot for a party other than the party indicated in the roster.
- Voter's name is not on the roster, but the voter insists they are eligible to vote in that precinct.
- Voter is required to show identification as a first time voter under the Help America Vote Act and cannot produce the required identification.

In each of these instances, the elections staff must verify that the voter is eligible to vote the ballot they were issued and verify the voter's signature prior to opening the ballot for processing.

3. **DAMAGED BALLOTS:** Election Day ballots that are unable to be processed by the ballot scanners because of stray marks, overvotes or tears and need to be duplicated prior to counting.

The majority of the vote-by-mail ballots are counted by the Friday after the election. Some of these ballots require additional processing and their count is completed in the week following the election. Furthermore, the ballots postmarked by Election Day and received within the three days following the election will be processed during the following week as well. The provisional and damaged ballots are normally counted just prior to certification of the results. Results are released as a count is completed and a schedule of counting dates and times will be posted on the County Clerk-Recorder website after the election.

WRAPPING UP THE ELECTION WHAT IS THE OFFICIAL CANVASS?

The election canvass process is an internal audit required by state law to ensure the accuracy of election results. California election law allows 30 days to conduct the official canvass of final election results. The official canvass begins on Thursday, June 9 and must be concluded within 30 days, no later than July 7. San Luis Obispo County normally completes the official canvass within 21-25 days of the election. All aspects of the canvass are open to the public. The canvass concludes with the certification and issuance of official election results. Listed below are the major components of the official canvass.

Completion of the count for vote-by-mail and provisional ballots- as described above.

Election Materials accounted for- Staff verifies that all elections materials have been returned and accounted for and that precinct workers have correctly followed Election Day procedures.

Roster Reconciliation- Following the close of the polls on Election Day, precinct officers are responsible for completing the Official Ballot Statement shown below.

OFFICIAL BALLOT STATEMENT	
1. TOTAL BALLOTS RECEIVED	1. <u>400</u>
2. NUMBER OF SPOILED BALLOTS	2. <u>2</u>
3. NUMBER OF UNUSED BALLOTS	3. <u>294</u>
4. NUMBER OF PROVISIONAL BALLOTS	4. <u>10</u>
5. NUMBER OF VOTED BALLOTS (do not include AV and Provisional Ballots)	5. <u>94</u>
6. TOTAL OF 2,3,4 &5 (MUST AGREE WITH #1)	6. <u>400</u>
7. TOTAL SIGNATURES ON ROSTER (MUST AGREE WITH #5)	7. <u>94</u>

As part of the official canvass, the signatures in each roster are re-counted and the number of signatures indicated by the inspector on the roster is compared to the number of ballots tabulated by the computer tally system. Any discrepancies are investigated. The balancing process normally takes 10 days to complete.

Manual Vote Tally- All voted ballots from at least 2 precincts (1% of the 137 precincts) are manually tallied for every contests and balanced against the computer counts to verify the accuracy of the election tally system. For any contest which is not on the ballot in one of those two precincts, an additional precinct's ballots are counted for that contest only. In addition, this same procedure is completed for 1% of the vote-by-mail ballots. The completion of the manual tally usually takes 2-4 days, depending on the number of contests on the ballot and the voter turnout.

Apply Voting History- All voters who voted at the polls are given credit for voting.

Account for all ballots- The number of precinct and vote-by-mail ballots printed, issued and unused are accounted for and balanced. Discrepancies are investigated.

Certify Election and report to the Secretary of State - Registrar of Voters certifies the Election and sends the certification, statement of vote and supplemental statement of vote to the Secretary of State. Board item is prepared to present to the Board of Supervisors.

VOTER INFORMATION GUIDE PAGES

The following pages are in the voter information guide/sample ballot booklet to inform voters about the changes for the June Primary election and to notify voters of the candidates endorsed by the Political Parties.

PRESIDENTIAL PRIMARY ELECTION

Presidential Nominee Contest is “Party-Nominated”

- The Presidential Primary contest continues to be a partisan office, elected by voters affiliated with each party.
- Only those voters who are registered with a specific party can vote that party’s ballot (with the exception of cross over voters – see below).
- Voters registered with a qualified political party cannot vote another party’s ballot.
- Check on your voter registration status and party affiliation at www.slovote.com
- The rules for non-partisan contests (i.e. County Supervisor) did not change and will appear on every ballot.

Cross Over Voting

- The ballots are comprised of 6 different party ballots and a Non-Partisan ballot. Voters who are listed as No Party Preference (formerly Decline to State) voters can vote the Non-Partisan ballot (no Presidential race) or cross over and vote a party ballot from the American Independent, Democratic, and Libertarian parties only.
- To vote a Green, Peace and Freedom, or Republican party ballot, one must be registered with the respective party.
- Again, if you are already affiliated with one of the parties listed above, you will be issued that party’s ballot.

Top Two “Voter-Nominated” Contests

- Applies to U.S. Senate, U.S. Congressional, Statewide and State legislative offices.
- All voter-nominated contests will appear on every ballot. Candidates, regardless of their party preference, will appear on a single combined ballot and voters can vote for any candidate from any political party.
- Only the two candidates who receive the highest number of votes cast in the Primary Election are on the ballot for the General Election.
- Write-in candidates are not allowed for these contests during the General Election.

Party Preference & Political Party Endorsement

- The political party preference, or no party preference, as indicated on the candidate's voter registration is listed next to or below the candidate's name on the ballot.
- The party designation shown is for the information of the voters only. It is not an endorsement by the party designated.

Parties may provide a list of candidates who have received the official endorsement of the party for printing in this booklet.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

WILLIAM "BILL" OSTRANDER

Age: 56

Occupation: Farmer/Director of Non-Profit Citizens Congress

Education and Qualifications: I am running for Congress because our political system is corrupted and directed by money. I have advocated in Washington but I'm not a career politician. I am a farmer and Director of Citizens Congress, which seeks to remove the influence of money in politics. We need to dilute the influence of money so representatives work for the community at large – not just those that can afford campaign contributions. Reform of how candidates finance campaigns is critical to address the "calculated inequalities" facing Americans today.

Most of us recognize the big issues that Congress should be working to fix: Campaign Finance Reform: Money always affects relationships; Wealth inequality: Does your good fortune result in my misfortune? Let's invest in infrastructure and create jobs; Post Secondary Education: Investing public funds into college and trade education returns over 700% to our economy; Global Warming: A cleaner environment is a good thing for everyone; Terrorism: Our security is important but so is being rational. We are 4,706 times more likely to drink ourselves to death than die from terrorism; Health Care: Affordable, accessible medical care is a right, not a privilege.

As a farmer, I believe in conserving our natural resources and protecting a healthy food supply. As a parent, I'm concerned for the cost of my sons' education and the programs that match their interests. As a union member, I understand the necessity of collective bargaining. And I believe all of us must participate in our governance.

Vote for Bill Ostrander

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

JUSTIN FAREED

Occupation: Third Generation Cattle Rancher/Vice President of Small Business

Education and Qualifications: I'm running for Congress to reform the institution, to get it working again for the American people, and to solve long-range issues that affect this and future generations. I believe that Congress needs to be held accountable instead of kicking the can down the road to the next generation.

I was born and raised on the Central Coast. I attended Santa Barbara High School and continued my education at UCLA where I earned a B.A. in Political Science. After coaching football at my alma mater, I worked for a senior member of Congress where I helped draft several bills, built consensus among members, worked to move things forward and led a congressional staff delegation to Turkey to learn first-hand the cultural, political and economic interests in the region.

A third generation California rancher and Vice President of my family's small business, I understand the burdensome taxes and regulations coming out of Washington, and the implications it has on small businesses and the agricultural community along the Central Coast. Additionally, I understand the dysfunction, polarization and empty rhetoric coming out of Washington from my time spent on Capitol Hill.

As your representative, I will work to rein-in out of control spending, ensure economic stability, and advocate for a concerted approach to our national security in order to provide economic certainty and entrepreneurial freedom for all Americans.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

HELENE SCHNEIDER

Age: 45

Occupation: Mayor of Santa Barbara

Education and Qualifications: These are troubling times for our nation. Washington is broken and people are tired of the shouting and partisan gridlock that threatens our democracy. It's time we had members of Congress willing to be bold, take risks and challenge the status quo to fundamentally change the way we do business in Washington, D.C. I'm running for Congress to make our country work again for the people—not the politicians and special interests.

As Mayor, I've shown what tough, decisive and collaborative leadership can do to improve our communities by creating new jobs; improving public safety—police, 911 emergency and fire services; protecting our environment, water and coastline; expanding nutrition and after-school programs for at-risk youth; cutting waste and balancing our budget. It's time we sent an outsider to Washington who can bring Democrats, Independents and Republicans together to get things done.

I don't have millions of dollars in special interest money. I have the support of real people, like you, who care deeply about our country and want to change Washington. I am proud to have earned the support of local leaders and organizations like Senator Hannah-Beth Jackson and the League of Conservation Voters. They know I will protect our open spaces and natural resources, fight for clean water and ensure that women can make reproductive health care decisions without undue government intrusion, as I did for 11 years working at Planned Parenthood.

Please join me. I'd be honored to have your support!

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

JOHN UEBERSAX

Occupation: Social Scientist, Biostatistician, Anti-War Writer

Education and Qualifications: BA from USC, PhD in psychology from the University of Texas at Austin. 25-years' experience in healthcare research and higher education, including positions at the RAND Corporation and as Associate Professor of Public Health at Wake Forest Medical School.

Controlled by the military-industrial complex and Wall Street, our government has made our country a global military empire. In Iraq, Afghanistan, Pakistan, Libya, Syria, Yemen, Yugoslavia and elsewhere, the pattern is the same: wars fought for economic gain, then justified by pretexts of humanitarianism and national security. As citizens, the duty to rein in our imperialist government is ours alone. I'm running so that by voting for me, an anti-war candidate, citizens may act against government militarism. In Congress I would staunchly oppose all US wars, except for immediate self-defense, and work to make peace our explicit, sincere and steadfast objective.

Healthcare. The solutions are very different from what the government says. The present system incentivizes sickness and expensive and unnecessary treatments. We should instead incentivize prevention and healthy lifestyles. The culture of healthcare must change to be more congenial to patients and providers to improve communication, decision-making and quality of care. College. As Director of Californians for Higher Education Reform (caledreform.org) I've taken a lead in documenting outrageous tuition inflation and outlining simple steps to achieve debt-free college education. For example, students should be granted credit for any course they can test out of, and 'diploma discrimination' by employers should be banned.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

SALUD CARBAJAL

Occupation: Member, Board of Supervisors

Education and Qualifications: I'm Salud Carbajal. I'm a proud husband, father and Marine Corps veteran. I was the first in my family to graduate from college, working two jobs to pay for my education at UCSB. I know what it's like to struggle, and I'm committed to making sure other families have the same chance I had to get ahead.

For the last 12 years as a Santa Barbara County Supervisor, I've strived to represent our Central Coast values. Standing up for Planned Parenthood and women's reproductive rights, fighting for marriage equality and protecting our environment.

I've worked with my Republican and Democratic colleagues to expand health insurance to 14,000 county children; invested in widening Highway 101 and other roads projects to reduce congestion; and protected funding for law enforcement to keep our communities safe, even during tough economic times. We've done that while using your tax dollars wisely--balancing the budget every year, building up the largest rainy day fund in County history, and earning the highest bond rating in the state.

In Congress, I'll bring that same bipartisan spirit to tackling big issues: bringing down the cost of college; protecting our environment; creating new jobs by supporting small businesses and renewable energy; defeating ISIS; passing comprehensive immigration reform; reducing gun violence; and standing up for women's rights and health care access.

For more information on our campaign, please visit SaludCarbajal.com.

I hope to earn your support in the Primary election on June 7th.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

MATT KOKKONEN

Occupation: Financial Planner/Businessman/Employer

Education and Qualifications: Married to Jean for 48 years. 2 children, legal immigrant from Finland. Westmont College, BA. Flying Finn of soccer team. Graduate Degrees MS Management; MS Financial Services. Santa Maria Valley Soccer League Sponsor and Player. Air-Vol Block Inc, manufacturer, Board of Directors. Simpson University Investment Committee Chairman. Grace Church (SLO) Deacon and Trustee. SLO Sheriffs' Aero Squadron Search and Rescue Pilot. Civil Air Patrol Pilot. California Army National Guard honorable discharge, etc.

I support the right to keep and bear arms, private property rights, strong national defense and the troops, energy independence. Fix the VA. Protect our borders.

I solemnly promise to: stop the illegal invasion. Why do illegals get freebies but citizens must pay for services? Stop anchor baby citizenship. Fight radical Islam. Why should we lose our freedom of speech and religion to jihadist murderers of Christians and others? Balance the budget. Stop borrowing money. Why should our children have to pay off our immoral \$19 trillion debt? Cut government spending, regulations and programs to create jobs. Lower taxes. Establish flat tax. Eliminate Common Core. Why should children's education be a social experiment instead of learning? Stop funding sanctuary cities and states. Why do our governments shelter illegal aliens and criminals? Eliminate Obamacare and restore healthcare choice. Clip the EPA. Why give water to Delta Dart fish over farmers and food? Follow the Constitution. What is your legal and moral anchor if not natural law and God given rights to life and liberty? For their future, all grandchildren need your vote for Matt. Thank you. www.Mattforcongress.com.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

K.H. "KATCHO" ACHADJIAN

Occupation: Assemblyman/Small Businessman

Education and Qualifications: Now more than ever my international background, combined with my business and public service experiences, prepares me to be an instrumentally effective voice for our Central Coast in Washington D.C. I'm prepared to address our national security, debt, and economy without typical partisan gridlock. It's time to bring local consensus-building skills to the Capitol. I propose holding Congress accountable for passing on-time balanced budgets, otherwise they shouldn't get paid. I'll work to stimulate our economy, empower small businesses, and fully fund and strengthen our Military to keep America safe.

I'm wholeheartedly committed to our Central Coast and have been since immigrating to the United States 45 years ago. After graduating from Cal Poly SLO, I started a small business and in 38 years have grown to three locations. One of my proudest accomplishments has been earning my Citizenship in 1982; my gratitude runs deep for the opportunities America has given me. Community service is the foundation of my story and my leadership roles are rooted in several of our local organizations, including Rotary, Farm Bureau, Chamber of Commerce and many others.

I've consistently worked in a bipartisan manner to craft policies that help hardworking families on both the County Board of Supervisors and in the State Assembly. I've worked across the aisle to ease burdens on small businesses, pass balanced budgets on time, reduce taxes, and elevate California toward prosperity by creating nearly \$4.5 billion in rainy day surplus funds.

It would be my honor to have your vote.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

STEVE ISAKSON

Age: 65

Occupation: Chief Engineer/Businessman

Education and Qualifications: I have lived in this district for more than 40 years and have followed the local issues and volunteered my time. I am committed to this district and want to represent the individuals and businesses by working for you in Congress.

Deadlock and dysfunction has paralyzed Congress. It is time for a major change to break the gridlock and allow positive action. I will work with both sides to provide positive changes to benefit all the people in this district.

I am a scientist and have degrees in physics and computer science from Cal Poly and a PhD in electrical and computer engineering from UCSB. I have run my engineering consulting business for over 30 years. I currently work full time for an electronics manufacturing firm as Chief Engineer where I am valued for my ability to work with and mentor others as well as my problem solving skills.

With my analytical background I understand the causes of and effective solutions for current issues such as the drought cycle, the growing debt, and the debt's effect on our future. I will work with other members of Congress to resolve issues for the benefit of all citizens.

I ask for your vote to make us all strong. Please visit my website at www.StevensaksonforCongress.com or call (805)462-8755 to learn more or to ask questions.

**DECLARACIÓN DEL CANDIDATO A
DIPUTADO DE EE. UU., 24.º DISTRITO ELECTORAL**

JUSTIN FAREED

Ocupación: Tercera Generación de Ganaderos/Vicepresidente de Pequeña Empresa

Educación y preparación: Me postulo para el Congreso para reformar la institución, para que trabaje nuevamente para el pueblo Americano, y para resolver problemas de largo alcance que afectan a esta y futuras generaciones. Creo que el Congreso debe rendir cuentas en lugar de pasar el problema a la siguiente generación.

Nací y crecí en la Costa Central. Asistí a la Escuela Preparatoria Santa Barbara y seguí mi educación en UCLA donde obtuve un título de B.A. en Ciencias Políticas. Después de ser entrenador de futbol en mi universidad, trabajé para un miembro principal del Congreso donde ayudé a redactar varios proyectos de ley, generé consenso entre miembros, trabajé para hacer avanzar las cosas y lideré una delegación de personal del congreso a Turquía para aprender de primera mano los intereses culturales, políticos y económicos de la región.

Como tercera generación de ganaderos de California y Vicepresidente de mi pequeña empresa familiar, entiendo los agobiantes impuestos y regulaciones provenientes de Washington, y las repercusiones que tienen sobre las pequeñas empresas y la comunidad agrícola a lo largo de la Costa Central. Además, entiendo la disfunción, polarización y retórica vacía que viene de Washington gracias al tiempo que pasé en Capitol Hill.

Como su representante, trabajaré para tomar las riendas de los gastos que están fuera de control, garantizar la estabilidad económica, y defender un enfoque concertado para nuestra seguridad nacional con el fin de proporcionar certeza económica y libertad emprendedora a todos los Americanos.

**DECLARACIÓN DEL CANDIDATO A
DIPUTADO DE EE. UU., 24.º DISTRITO ELECTORAL**

K.H. "KATCHO" ACHADJIAN

Ocupación: Asambleísta/Pequeño Empresario

Educación y preparación: Ahora más que nunca mis antecedentes internacionales, en combinación con mi experiencia empresarial y de servicio público, me preparan para ser una voz eficaz para nuestra Costa Central en Washington D.C. Estoy preparado para hacer frente a nuestra seguridad nacional, deuda, y economía sin el típico estancamiento partidista. Es hora de llevar habilidades de creación de consenso local al Capitolio. Propongo hacer responsable al Congreso de aprobar presupuestos equilibrados a tiempo, de lo contrario que no se les pague. Trabajaré para estimular nuestra economía, empoderar a las pequeñas empresas, y fortalecer y financiar completamente nuestro Ejército para mantener segura a América.

Estoy completamente comprometido con nuestra Costa Central y ha sido así desde que inmigré a los Estados Unidos hace 45 años. Después de graduarme de Cal Poly SLO, comencé una pequeña empresa que en 38 años se ha expandido a tres ubicaciones. Uno de los logros que más me enorgullece ha sido obtener mi Ciudadanía en 1982; mi gratitud es profunda para las oportunidades que América me ha dado. El servicio comunitario es la base de mi historia y mis funciones de liderazgo tienen raíces en varias de nuestras organizaciones locales, que incluyen el Rotary, la Farm Bureau, la Cámara de Comercio y muchas otras.

He trabajado constantemente de forma bipartidista para elaborar políticas que ayuden a las familias trabajadoras en la Junta de Supervisores del Condado y en la Asamblea del Estado. He trabajado junto con el otro partido político para disminuir la carga para las pequeñas empresas, aprobar presupuestos equilibrados a tiempo, reducir impuestos, y llevar a California hacia la prosperidad con la creación de casi \$4.5 mil millones en fondos excedentes para tiempos de dificultad.

Contar con su voto sería un honor para mí.

STATEMENT OF CANDIDATE FOR STATE SENATOR, 17TH DISTRICT

BILL MONNING

Age: 65

Occupation: CA State Senator

Education and Qualifications: Eight years ago, you sent me to Sacramento to make a difference, and I am proud of what we have been able to accomplish together. Since joining the State Legislature, I've authored over 80 bills signed into law by the Governor, including the ground-breaking End of Life Options Act to give terminally ill patients a compassionate way to take control of their own lives – subject to strict guidelines.

After years of hard work with many key partners, the new California Central Coast Veterans Cemetery is scheduled to open this July. My legislation in Sacramento and ability to secure funding helped break the logjam to honor those who served our nation with a final resting place, fulfilling a promise made over two decades ago.

In Sacramento, we've passed balanced, on-time budgets five years in a row and put the State's fiscal house in order. We've made great strides toward tackling our State's pension obligations while restoring critical funding to education, healthcare, and public safety. I've earned the highest ratings from the California Labor Federation, the California League of Conservation Voters, the Sierra Club, and the Consumer Federation of California.

While our economy has recovered since the Great Recession, we must continue to focus on creating jobs by strengthening the backbones of our local economy: agriculture, tourism, and our educational institutions.

That's why I'm asking you to send me to the State Senate for another term. Please visit www.billmonning.org. I'd be honored by your vote on June 7th. Thank you!

DECLARACION DEL CANDIDATO A SENADOR ESTATAL, 17.º DISTRITO

BILL MONNING

Edad: 65

Ocupación: Senador Estatal de California

Educación y preparación: Hace ocho años, usted me envió a Sacramento para hacer la diferencia, y estoy orgulloso de lo que hemos podido lograr juntos. Desde que me uní a la Legislatura Estatal, he redactado más de 80 proyectos de ley que el Gobernador promulgó como leyes, que incluyen la innovadora Ley de Opciones para el Final de la Vida para dar a los pacientes con enfermedades terminales una opción compasiva de tomar control de sus propias vidas – sujeta a lineamientos estrictos.

Después de años de duro trabajo con muchos socios clave, el nuevo Cementerio de Veteranos de la Costa Central de California abrirá el próximo mes de julio. Mi legislación en Sacramento y mi capacidad para asegurar financiación ayudaron a romper el atascadero para honrar a quienes sirvieron a nuestra nación con un lugar de descanso final, lo cual cumple la promesa que se hizo hace más de dos décadas.

En Sacramento, aprobamos presupuestos equilibrados y a tiempo cinco años seguidos y pusimos la casa fiscal del Estado en orden. Hemos hecho grandes avances para enfrentar las obligaciones de pensiones de nuestro Estado al tiempo que restauramos el financiamiento esencial para la educación, la atención médica, y la seguridad pública. He obtenido los más altos puntajes de la California Labor Federation, la California League of Conservation Voters, el Sierra Club, y la Consumer Federation of California.

A pesar de que nuestra economía se ha recuperado desde la Gran Recesión, debemos seguir enfocados en crear empleos al fortalecer la columna vertebral de nuestra economía local: la agricultura, el turismo, y nuestras instituciones educativas.

Es por eso que le pido que me envíe al Senado Estatal para otro mandato. Por favor visite www.billmonning.org. Sería un honor para mí recibir su voto el 7 de junio. ¡Gracias!

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 35th DISTRICT**

JORDAN CUNNINGHAM

Occupation: Businessman/School Trustee

Education and Qualifications: It's no secret that Sacramento is broken.

Job Growth: Each year, businesses leave California for more business-friendly states, taking good jobs with them. It's time to turn the tide. The California Small Business Association and the National Federation of Independent Business both support my campaign. They know that I will use my experience as President of the Central Coast Taxpayers Association to fight the tax increases and regulatory burdens that are costing us jobs.

Public Safety: Failed policies from Sacramento have endangered our neighborhoods. As a former prosecutor, I know what we need to make our community safer. Both District Attorney Dan Dow and Sheriff Ian Parkinson have endorsed me because of my dedication to public safety.

Education: California's future workforce is a direct product of our education system. We must do everything we can to support our schools. We must make our public colleges affordable for working families. I have worked with students, parents, teachers, and administrators as a school trustee. I'm prepared to tackle education reform on day one.

Assemblyman Katcho Achadjian supports me because he knows that I will fight to keep families safe and grow our economy. I will be accountable to you, providing commonsense leadership and a voice for the Central Coast and our values. I hope to earn your vote.

BOARD OF SUPERVISORS, 1st DISTRICT**

JOHN R. HAMON JR.

Age: 61

Occupation: Businessman/Current City of Paso Robles Councilmember

Education and Qualifications: I am honored to be elected three times to serve Paso Robles as a City Councilman and after 10 years of experience and knowledge, I have a reputation of being a well-informed leader who makes wise decisions. I am a common sense individual who will listen to all ideas for improving our County.

I am a protector of property rights and I do not approve of outsiders telling us how we must manage our resources. I support local control that is fair and I will never allow the exportation of groundwater to buyers from outside our County.

With over 40 years of experience as a successful small business owner and employer, I understand fiscal management and being conservative with public tax dollars.

I advocate for business because the relationship is critical for a healthy community. I support the jobs that our strong agricultural, retail, manufacturing, construction and service businesses create and also our tourism industry that allows us to share a little bit of our home with visitors in exchange for their financial contribution to our businesses.

I am asking for the opportunity to carry your voice and vision to the Board of Supervisors.

ADAM HILL

Age: 49

Occupation: County Supervisor

Education and Qualifications: What a wonderful honor and privilege it has been to represent you at our Board of Supervisors. I take great pride in delivering on what I promise, and for leading our County on so many important initiatives.

No local elected official has done more to bolster our economy, create jobs, and keep your County government fiscally strong. Knowing that both our economic growth and the finances of our County government rank in the top 5 of 58 in the state should be a source of great pride for us.

At the same time, I have commanded critical efforts to protect our scenic treasures and improve our resources. I led the efforts for the Pismo Preserve, for the desalinated water project, and for making improvements on HWY 227 our top regional priority. These are but only a few fantastic examples of what we can do together.

Being a strong advocate for those most vulnerable is evident in my work on the 50Now program to house chronically homeless and Laura's Law to prevent violence among mentally ill.

Despite all these achievements, we still have much more to do. So I need your vote and I welcome your help. Thank you. Visit www.adamhill.us

DEBBIE PETERSON

Occupation: Business Owner/Top 40 Under 40/Former Mayor/Councilmember

Education and Qualifications: San Luis Obispo County has complex challenges. We face decisions on development, water, budget, job creation, housing, and responsible protection of our environment. As Mayor of Grover Beach I tackled these issues.

I convened city leaders to address the water crisis and homelessness, secured funding for critically-needed street repairs, and championed a fiber-optic network to connect our region to the world's best digital network.

I acted on mismanagement at the South SLO County Sanitation District, saving ratepayers over \$1,000,000 annually. I won common-sense air quality regulations for South County.

I am an outspoken advocate for property rights of local farmers and ranchers, and for preserving Proposition 13 for homeowners and businesses.

I am opposed to additional housing and further oil field development in Price Canyon, Wild Cherry Canyon, and Avila Beach until we have a sustainable water supply. I oppose building homes in the Airport flight path without Airport Land Use Commission approval.

I do not take donations from developers and corporations applying for County approval of large projects.

As District 3 Supervisor, I will make decisions based on the best interests of the entire community in a collaborative manner worthy of your trust. Please visit DebbiePetersonSupervisor.com or call me at (805) 550-4490.

ADAM HILL

Edad: 49

Ocupación: Supervisor del Condado

Educación y preparación: Qué gran honor y privilegio ha sido representarlo en nuestra Junta de Supervisores. Me enorgullozo de cumplir mis promesas, y de liderar a nuestro Condado en tantas iniciativas importantes.

Ningún funcionario electo local ha hecho más por fortalecer nuestra economía, crear empleos, y mantener al gobierno de su Condado sólido desde el punto de vista fiscal. Saber que tanto el crecimiento económico y las finanzas del gobierno de nuestro Condado están entre los primeros 5 de 58 en el estado debe ser una fuente de gran orgullo para nosotros.

Al mismo tiempo, he liderado esfuerzos esenciales para proteger nuestros tesoros panorámicos y mejorar nuestros recursos. Lideré esfuerzos para la Reserva de Pismo, para el proyecto de agua desalinizada, y para que las mejoras al HWY 227 fueran nuestra principal prioridad a nivel regional. Estos son sólo algunos ejemplos fantásticos de lo que podemos hacer juntos.

El hecho de que soy un firme defensor de los más vulnerables se hace evidente en mi trabajo en el programa 50Now para albergar indigentes crónicos y en la Ley Laura para evitar la violencia entre las personas con enfermedades mentales.

A pesar de todos estos logros, todavía tenemos mucho por hacer. Así que necesito su voto y agradezco su ayuda. Gracias. Visite www.adamhill.us

Ocupación: Propietaria de Empresa/Principales 40 Menores de 40/Exalcaldesa/Miembro del Concejo

Educación y preparación: El Condado de San Luis Obispo enfrenta desafíos complejos. Enfrentamos la toma de decisiones sobre el desarrollo, el agua, el presupuesto, la creación de empleos, vivienda, y la protección responsable del medio ambiente. Como Alcaldesa de Grover Beach, enfrenté estos asuntos.

Reuní a los líderes municipales para abordar la crisis del agua y la indigencia, aseguré fondos para reparaciones viales críticas, y apoyé una red de fibra óptica para conectar nuestra región a la mejor red digital del mundo.

Actué contra la mala administración financiera en el Distrito Sanitario del Sur del Condado de SLO, lo que ahorró a los contribuyentes más de \$1,000,000 anuales. Obtuve regulaciones de sentido común sobre la calidad del aire para el Sur del Condado.

Soy una defensora abierta de los derechos a la propiedad de granjeros y ganaderos locales, y de conservar la Propuesta 13 para propietarios de vivienda y empresas.

Me opongo a las viviendas adicionales y un mayor desarrollo de yacimientos petroleros en Price Canyon, Wild Cherry Canyon, y Avila Beach hasta que tengamos un suministro de agua sostenible. Me opongo a construir casas en la ruta de vuelo del Aeropuerto sin aprobación de la Comisión de Uso de Suelo del Aeropuerto.

No acepto donaciones de promotores y corporaciones que solicitan aprobación del Condado para grandes proyectos.

IMPARTIAL ANALYSIS OF MEASURE C-16

This measure is intended to determine whether the special tax currently levied within the Cayucos Fire Protection District ("District") to fund fire prevention and protection services should be repealed and a new special tax imposed for the purposes stated in the measure.

Article XIII C, section 2(d) of the California Constitution, Health and Safety Code section 13911, and Government Code section 50075 authorize the District to levy a special tax to fund the services set forth in Health and Safety Code section 13862, which include fire protection services, rescue services, emergency medical services and any other service relating to the protection of lives and property within the District, if approved by a two-thirds vote. The Board of Directors of the District ("the Board") has determined that revenue from a special tax approved by the voters of the District in 2012 to fund fire prevention and protection services is inadequate to fund the present needs of the District for these services. Therefore, the Board adopted Ordinance No. 2015-01 providing for the repeal of the special tax adopted in 2012 and the imposition of a new tax for the purpose of funding fire protection, rescue, emergency medical, and other services relating to the protection of lives and property within the District. In accordance with Article XIII C, Section 2(d), the ordinance providing for the new tax will only become effective if approved by a 2/3rds vote of qualified voters.

If the measure is approved, the existing special tax of twenty-five dollars (\$25) will be repealed and, commencing fiscal year 2016-2017, a new special tax shall be imposed in an amount not to exceed the annual rate of one hundred and twenty-five dollars (\$125) per unit of benefit, to be increased annually thereafter only in accordance with increases in the consumer price index, as provided in the measure. The number of units of benefit applicable to the real property subject to the proposed new tax is set forth in the full text of the measure. In accordance with the terms of the measure, the Board will determine the precise amount of the tax to be levied during each ensuing fiscal year, provided that the tax shall not exceed the maximum authorized by the measure. If the measure is approved, the new special tax will be levied annually by the Board, and collected by the San Luis Obispo County Tax Collector in the same manner, along with, at the same time, and will be subject to the same penalties, as other property taxes collected by the Tax Collector.

A "yes" vote on this measure is a vote in favor of repealing an existing tax and imposing a new tax for the purposes of providing fire protection and prevention services within the District.

A "no" vote on this measure is a vote against repealing an existing tax and imposing a new tax for the purposes of providing fire protection and prevention services within the District.

ARGUMENTS IN FAVOR OF MEASURE C-16

The function of Cayucos Fire Department is to provide life safety and fire protection to the people and property owners of Cayucos. This requires adequate funding to supply the necessary equipment and personnel to address emergencies. A yes vote will enable your local district to continue to provide adequately staffed engines to respond.

Volunteer Fire departments are in decline nationwide, and this impacts Cayucos as well; as the demographics of the community have changed so has the ability to attract and retain volunteers. We are faced with the decision to transition to a full time paid fire department in order to meet the diverse and changing needs of the community and ensure adequate responses can be made to calls for service 24/7. The Cal Fire staffing contract for the winter months has become unsustainable with costs reaching nearly 50% of revenue. In order to meet the projected budget requirements for a full time department this bond measure is necessary for the future.

Timely response to an emergency is our highest priority and utilizing our own firefighters while maintaining local control through the elected officials of the Fire Protection Districts Board of Directors is our best option in order to maintain high standards and service delivery the community deserves.

Due to financial constraints we are faced with an equipment replacement problem needing to replace an engine immediately. We have foregone that replacement due to financial constraints.

This Board has reviewed alternative staffing and administrative possibilities, the least of which would cost the same as this measure requests while abdicating local control to the County. . Please vote YES on ballot measure C-16.
