

Obtaining Knox Box Information Sheet

1. Please go to www.knoxbox.com

Due to the rapidly evolving COVID-19 guidelines, Knox is taking extra precautions for the health and safety of our customers and staff. In addition, first responders must have rapid access into structures in a lockdown, closure or reduced business operations status. Buildings and other vital assets must ensure they've installed rapid access products with this important capability.

Knox® Rapid Access System Powered by One Master Key

Trusted by thousands of fire and law enforcement agencies for over 40 years, Knox Rapid Access Solutions have provided first responders with immediate access into secure buildings, campuses, residences and commercial properties when it matters most. Removing barriers to entry reduces injuries to responders and minimizes property damage. That's the power of the Knox rapid access system.
