1	While the standard treatment fees are calculated and based on the state's posted rates, clients are assessed a fee based on their ability to pay. The ability to pay is calculated based on a sliding fee scale or the Uniform Method of Determining Ability To Pay (UMDAP), taking into consideration factors such as household income and the number of dependents in the household.
2	Rates are based on the DHCS posted rates: https://www.dhcs.ca.gov/services/MH/Pages/medi-cal-behavioral-health-fee-schedules.aspx
