Footnote #	Footnote Narrative
1	Sliding fee scale based on household income and number of dependents.
2	Under the authority of the Health Officer and mandate of the Department of Public Health to prevent the spread of communicable diseases or occurrence of additional cases (California Health and Safety Code section 120175), fees may be waived or reduced to an amount a patient is able to pay.
3	All significant supplies and medications are additional at a rate not to exceed direct and indirect costs.
4	The Nursing unit uses office visit procedure codes defined by Medi-Cal CPT codes established by the American Medical Association. These office visits include staff time associated with the procedure. Associated supplies are added to office visit based on a quarterly updated supply list as referenced in Footnote #3.
5	The charges do not include Public Health Laboratory fees. Please see Public Health Laboratory fee schedule for specific laboratory tests.
6	Medical Marijuana ID Card (MMIC) program is only allowed to charge Medi-Cal clients 50% of the approved fee, per State of California guidelines. The State surcharge amount is over and above the local MMIC fee. The surcharge is based on State notification and is subject to change after this publication.
7	In high-risk cases/situations where the health and well being of a client or the public are deemed to be at public health risk, Public Health Nurse Case Managers/Public Health Nurse Supervisors are authorized to waive required fees.
