

Unincorporated San Luis Obispo County Tourism Business Improvement District (CBID)  
**TOURISM INFRASTRUCTURE/BEAUTIFICATION**  
Guidelines and Application

We appreciate your interest in partnering with our Local Fund Area (LFA) for support of your infrastructure and/or beautification project. We are pleased to receive your application for review, and look forward to learning more about your project, and how it supports out-of-county visitors, which is our primary mission.

A tourism infrastructure and/or beautification project is defined as a one-time project that enhances a CBID unincorporated community's cultural, environmental, recreational or historical assets that will benefit the visitor, and the resident, alike.

The Local Fund Areas (LFAs) support projects that are directly related to drawing tourists to our unincorporated CBID regions, and your project must exist within one of the following areas:

San Simeon	Los Osos/Baywood/Unincorporated Morro Bay
Cambria	Nipomo/Oceano
Cayucos	Avila Beach
Arroyo Grande Unincorporated/San Luis Obispo Unincorporated	

As a public entity, we must adhere to certain standards as we consider each request. If the LFA board chooses to support your funding application, the CBID Advisory Board will then review each application, and will provide the final approval to support or deny funding requests. Funding requests under \$4,999 will be reviewed by a sub-committee of the CBID Advisory Board consisting of the Chair, Vice-Chair and CAO, and this sub-committee has the authority to approve, deny or bring to the full CBID Advisory board for approval. All funding applications are reviewed and approved at the next available CBID Advisory Board meeting following the LFA board meeting.

Funding applications must be **submitted to LFA board a minimum of 60 days prior** to the project launch date, and a **minimum of 14 days before the LFA board meeting date.**

**Criteria for Application Consideration:**

- **Preservation** of historical and cultural assets
- **Enhancement** of the overall beauty and/or infrastructure of a CBID unincorporated community
- **Improvement** visible within the community
- **Usability** by the community, and by visitors to that community

All paperwork should be filled out completely prior to submission and be accompanied by supporting documents. All items below need to be included in order for your submission to be considered complete:

- All questions within the application addressed with thorough, complete answers
- Detailed budget and narrative of your project
- Project completion report must be provided once the project is concluded

**Action required by CBID LFA boards:** Included with the application submission and supporting documents provided by the requesting organization, the LFA board minutes must clearly outline why the LFA board is considering the funding request and how it directly supports tourism infrastructure and beautification.

**If you meet these criteria, please advance to the requirements and application details.**
