PRESIDENTIAL PRIMARY ELECTION

Presidential Nominee Contest is “Party-Nominated”

- The Presidential Primary contest continues to be a partisan office, elected by voters affiliated with each party.
- Only those voters who are registered with a specific party can vote that party’s ballot (with the exception of cross over voters – see below).
- Voters registered with a qualified political party cannot vote another party’s ballot.
- Check on your voter registration status and party affiliation at www.slovote.com
- The rules for non-partisan contests (i.e. County Supervisor) did not change and will appear on every applicable ballot, regardless of registration.

Cross Over Voting

- The ballots are comprised of 6 different party ballots and a Non-Partisan ballot. Voters who are listed as No Party Preference voters can vote the Non-Partisan ballot (no Presidential race) or “cross over” and vote a party ballot from the American Independent, Democratic, and Libertarian parties only.
- To vote a Green, Peace and Freedom, or Republican party ballot, the voter must be registered with the respective party.
- Again, if you are already affiliated with one of the parties listed above, you will be issued that party’s ballot.

Every voter in San Luis Obispo County who is not registered with a qualified political party was sent a notification in December to allow them the option to choose a party ballot for this election. If the postcard was returned requesting a party ballot, that is the ballot included in their Vote-by-Mail packet.

If you are not registered with a qualified political party and you received a non-partisan ballot that does not contain a presidential contest, please contact our office if you would prefer to vote a partisan ballot. You can exchange your non-partisan ballot for a ballot from either the American Independent Party, Democratic Party, or Libertarian Party.

Top Two “Voter-Nominated” Contests

- Applies to U.S. Senate, U.S. Congressional, Statewide and State legislative offices.
- All voter-nominated contests will appear on every ballot. Candidates, regardless of their party preference, will appear on a single combined ballot and voters can vote for any candidate from any political party.
- Only the two candidates who receive the highest number of votes cast in the Primary Election are on the ballot for the General Election.

Two Senate Contests on Ballot

The office of the U.S. Senate will have **TWO** separate contests on the March 5, 2024, Presidential Primary Election ballot. You may vote on both contests. The first contest is the regular election for the full 6-year term of office beginning on January 3, 2025 (full term). The second contest is a special primary vacancy election to fill the seat made vacant upon the death of Senator Dianne Feinstein for the remainder of the term ending on January 3, 2025 (partial/unexpired term).

Party Preference & Political Party Endorsement

- The political party preference, or No Party Preference, as indicated on the candidate’s voter registration is listed next to or below the candidate’s name on the ballot.
- The party designation shown is for the information of the voters only. It is not an endorsement by the party designated.

Parties may provide a list of candidates who have received the official endorsement of the party for printing in this booklet. A list of endorsements submitted by each qualified political party is printed on the next page.

ELECTIONS IN CALIFORNIA

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes - regardless of party preference - move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election.

A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party.

The parties may submit a list of the candidates for voter-nominated offices who have received the party's official endorsement, which will be printed in the county voter information guide.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election unless the candidate is one of the two highest voter-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office. Any candidate for a nonpartisan office who receives a majority of the vote (at least 50 percent + 1) in the primary election will be elected to that office and the contest will not appear on the ballot for the general election.

REQUIREMENTS FOR FIRST TIME VOTERS

The Help America Vote Act requires first time federal voters to show identification when voting. You will be required to show your current valid photo I.D. and/or a copy of one of the following that shows your name and address when you go to the polls on election day: current utility bill, bank statement, government check, government paycheck, or a government document. You will be required to send a copy of one of the above documents with your voted Vote-by-Mail ballot. If you have questions about your status as a First Time Voter, please contact us.

How Your Vote is Counted

Polling places close at 8:00 pm on Election Night, but it can take a few hours for all locations to report results, and weeks before the final totals are known. Ever wondered why? Here's a quick look at what happens to your ballot after you cast it.

Election Night

- The first results are posted shortly after 8:00 pm - these are the Vote-by-Mail ballots that were returned and processed early.
- After that, we must wait for the first of the polling places across the county to complete their paperwork, pack up their supplies, and return the ballots - this can take more than an hour.
- As polling places report in, their results are tabulated and compiled into countywide results.
- The posted results are updated periodically throughout the night.
- When all polling places have reported, the Election Night counting is done; however, there are still more ballots to count and a lot more work to do before the results become official (see below).

Ballots counted after Election Day

- **"Last Minute" Vote-by-Mail Ballots:** Vote-by-Mail ballots that arrive the day before or on Election Day either by mail, returned at a polling place or deposited in a Ballot Drop Box, are processed and counted in the days after Election Day and therefore are not included in the election night results reporting.
- **Postmarked Vote by Mail Ballots:** Under California law, ballots may be counted even if they arrive after Election Day, as long as they are received by mail no later than 7 days after the election and are postmarked on or before Election Day.
- **Missing or Mismatched Signature:** A voter's signature on the returned Vote-by-Mail identification envelope must compare with the signature(s) in the voter's registration record. If the voter did not sign the ballot envelope, or if the elections official has determined that the signature on the envelope does not match with the signature(s) of the voter in the voter's record, the elections office will provide the voter with the appropriate form to correct the missing or mismatched signature. This notice must be returned to the ROV no later than 2 days prior to the certification of the election.
- **Provisional Ballots:** These are the last ballots counted because they must be researched and verified; it may take a few weeks, but every valid vote will be counted.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

SALUD CARBAJAL

Age: 59

Occupation: Member of Congress

Education and Qualifications: I'm Salud Carbajal, and I'm working to advance our Central Coast priorities in Congress. I grew up on the Central Coast. My father worked as a farmworker in Ventura County. I attended UCSB while working two jobs to become the first in my family to graduate from a university. I proudly served our country in the Marine Corps Reserves and Santa Barbara County as County Supervisor. My wife, Gina, and I raised our family here, and now are watching our grandchildren grow up here.

In Congress, I've focused on supporting hardworking families and growing the middle class. I helped pass landmark laws that are creating good-paying jobs, making overdue investments in our infrastructure and clean energy, and helping to lower costs of living – including health care, housing, and other everyday essentials. I've also worked on legislation that protects our environment, addresses climate change, bans new offshore oil drilling off our coastline, increases support for veterans, and makes our communities safer by getting guns and drugs like fentanyl off our streets.

At a time when Washington dysfunction is at an all-time high, I've remained focused on finding common ground and working across the aisle on commonsense solutions, from tackling homelessness and the high cost of childcare to delivering disaster relief for communities impacted by natural disasters. I would be honored to continue working for you in Congress.

For more information, visit SaludCarbajal.com. I kindly ask for your vote. Thank you.

**DECLARACIÓN DEL CANDIDATO PARA
REPRESENTANTE DE LOS EE. UU., 24.º DISTRITO DEL CONGRESO**

SALUD CARBAJAL

Edad: 59

Ocupación: Miembro del Congreso

Educación y Cualificaciones: Soy Salud Carbajal y estoy trabajando para promover nuestras prioridades de la Costa Central en el Congreso. Crecí en la Costa Central. Mi padre era trabajador agrícola en el Condado de Ventura. Asistí a la UCSB mientras trabajaba en dos empleos para ser el primero de mi familia en graduarme de la universidad. Serví con orgullo a nuestro país en la Reserva del Cuerpo de Marines y en el Condado de Santa Barbara como Supervisor del Condado. Mi esposa Gina y yo criamos a nuestra familia aquí y ahora estamos viendo crecer a nuestros nietos aquí.

En el Congreso, me he centrado en apoyar a las familias trabajadoras y hacer crecer la clase media. Ayudé a aprobar leyes históricas que están creando empleos bien remunerados, realizando esperadas inversiones en nuestra infraestructura y energía limpia, y ayudando a reducir los costos de vida, incluida la atención médica, la vivienda y otros artículos esenciales cotidianos. También he trabajado en una legislación que protege nuestro medioambiente, aborda el cambio climático, prohíbe nuevas perforaciones petroleras en alta mar frente a nuestra costa, aumenta el apoyo a los veteranos y hace que nuestras comunidades sean más seguras al sacar de nuestras calles armas y drogas como el fentanilo.

En un momento en que la disfunción de Washington está en su máximo nivel, me mantuve enfocado en encontrar puntos compartidos y trabajar en soluciones de sentido común, desde abordar la falta de vivienda y el alto costo del cuidado infantil hasta brindar ayuda en casos de desastre para las comunidades afectadas por desastres naturales. Sería un honor para mí seguir trabajando para usted en el Congreso.

STATEMENT OF CANDIDATE FOR STATE SENATE, 17TH DISTRICT

JOHN LAIRD

Occupation: California State Senator

Education and Qualifications: Four years ago, I pledged to tackle climate change, work for affordable housing and universal health insurance, and improve public education – using my experience as Mayor, Councilmember, Transit Director, Transportation Commissioner, Nonprofit Director, Community College Trustee, State Assemblymember, and Cabinet Secretary. As Senator, I have done just that – authoring 46 bills signed into law – including strengthening climate goals; improving fire prevention efforts; increasing sea level rise planning; and requiring more efficient state buildings. And when the children of local fallen officers did not get the same survivor benefits as others, I authored a law to fix that. As Education Budget Subcommittee Chair, a substantial increase in public education funding was approved. I fought for higher education student housing, resulting in 624 units for the district. I achieved restoration of UC's Cooperative Agriculture Extension – helping small farmers with needed science and technical help. I was a leader in saving Watsonville Hospital. I helped get Santa Cruz support that contributed to a reduction in unhoused people. I negotiated the future footprint of the Coastal Trail through Big Sur, and created a path to preserve Diablo Canyon lands. When atmospheric rivers hit the Central Coast, I secured support for communities in Santa Cruz, Monterey, and San Luis Obispo Counties, as well as for evacuated residents who needed help. There is much more to do. I want to continue to contribute my experience, drive, and commitment to Monterey, San Benito, San Luis Obispo, and Santa Cruz Counties to serve our local communities. I respectfully ask for your vote.

DECLARACIÓN DEL CANDIDATO PARA EL SENADO ESTATAL, 17.º DISTRITO

JOHN LAIRD

Ocupación: Senador Estatal de California

Educación y Cualificaciones: Hace cuatro años, me comprometí a abordar el cambio climático, trabajar por viviendas asequibles y un seguro médico universal, y mejorar la educación pública, mediante el uso de mi experiencia como Alcalde, Miembro del Concejo, Director de Tránsito, Comisionado de Transporte, Director de Organizaciones sin Fines de Lucro, Síndico de Colegios Comunitarios, Miembro de la Asamblea Estatal y Secretario de Gabinete. Como Senador, he hecho precisamente eso: redactar 46 proyectos de ley convertidos en ley, incluidos el fortalecimiento de los objetivos climáticos; mejorar los esfuerzos de prevención de incendios; aumentar la planificación en relación con el aumento del nivel del mar; y exigir edificios estatales más eficientes. Cuando los hijos de oficiales locales caídos no obtuvieron los mismos beneficios que los demás sobrevivientes, redacté una ley para solucionarlo. Como Presidente del Subcomité de Presupuesto para Educación, se aprobó un aumento sustancial en el financiación de la educación pública. Luché por viviendas para estudiantes de educación superior, lo que dio lugar a 624 unidades para el Distrito. Logré restaurar la Extensión de Agricultura Cooperativa de la UC, y asistí a los pequeños agricultores con la ayuda científica y técnica necesaria. Fui líder esencial en la salvación del Hospital Watsonville. Ayudé a conseguir el apoyo de Santa Cruz que contribuyó a reducir el número de personas sin vivienda. Negocié la huella futura del Coastal Trail a través de Big Sur y creé un camino para preservar las tierras de Diablo Canyon. Cuando los ríos atmosféricos llegaron a la Costa Central, conseguí apoyo para las comunidades de los Condados de Santa Cruz, Monterey y San Luis Obispo, así como para los residentes evacuados que necesitaban ayuda. Hay mucho más por hacer. Quiero seguir aportando mi experiencia, impulso y compromiso a los Condados de Monterey, San Benito, San Luis Obispo y Santa Cruz para servir a nuestras comunidades locales. Respetuosamente le pido su voto.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 30TH DISTRICT**

DAWN ADDIS

Occupation: State Assemblymember / Teacher

Education and Qualifications: Dear Neighbor, It has been my honor to represent the Central Coast in the California State Assembly since 2022. As your representative I've worked hard to listen to local residents, advance meaningful legislation, and deliver important funding to our region of the Central Coast.

As your Assemblymember, I'm fighting to fully fund public schools, combat the climate crisis, reduce homelessness, ensure safe neighborhoods, and expand healthcare access. I serve as the State Assembly appointee to the California Ocean Protection Council and am the Chair of the California Legislative Central Coast Caucus. I've authored important legislation to expand paid parental leave, improve housing for students and seniors, and help survivors of childhood sexual abuse.

Prior to my election to the legislature, I worked as a classroom teacher and teacher-leader. I also served on a local City Council and founded a 10,000 person women's march. My husband, Marcus, and I are the proud parents of two children and two rescue pets.

My campaign is endorsed by groups who represent Central Coast firefighters, paramedics, nurses, law enforcement personal, teachers, and grocery store workers. I would be honored to earn your vote for State Assembly. If you have questions or thoughts about my campaign, please do not hesitate to call me at (805) 749-3751 or email me at Dawn@DawnAddis.org.

**DECLARACIÓN DE LA CANDIDATA PARA
MIEMBRO DE LA ASAMBLEA ESTATAL, 30.º DISTRITO**

DAWN ADDIS

Ocupación: Miembro de la Asamblea Estatal/Maestra

Educación y Cualificaciones: Estimado vecino: Ha sido un honor para mí representar a la Costa Central en la Asamblea del Estado de California desde 2022. Como su representante, he trabajado arduamente para escuchar a los residentes locales, promover una legislación significativa y brindar fondos importantes a nuestra región de la Costa Central.

Como Miembro de la Asamblea, me esfuerzo por financiar completamente las escuelas públicas, combatir la crisis climática, reducir la falta de vivienda, garantizar vecindarios seguros y ampliar el acceso a la atención médica. Soy la persona designada por la Asamblea Estatal para el Consejo de Protección del Océano de California y soy la Presidenta del Caucus Legislativo de la Costa Central de California. Soy autora de legislación importante para ampliar el permiso parental remunerado, mejorar las viviendas para estudiantes y personas mayores, y ayudar a los sobrevivientes de abuso sexual infantil.

Antes de mi elección a la legislatura, trabajé como maestra de aula y maestra-líder. También formé parte del Concejo Municipal local y fundé una marcha de mujeres de 10,000 personas. Mi esposo, Marcus, y yo somos padres orgullosos de dos hijos y dos mascotas rescatadas.

Mi campaña cuenta con el respaldo de grupos que representan a los bomberos, paramédicos, personal de enfermería, personal del orden público, maestros y trabajadores de tiendas de comestibles de la Costa Central. Me sentiría honrada de recibir su voto para la Asamblea Estatal. Si tiene preguntas o ideas sobre mi campaña, no dude en llamarme al (805) 749-3751 o enviarme un correo electrónico a Dawn@DawnAddis.org.

**STATEMENT OF CANDIDATE FOR
BOARD OF SUPERVISORS, 1ST DISTRICT**

JOHN PESCHONG

Occupation: San Luis Obispo County Supervisor

Education and Qualifications: Over the past two decades, my family and I have served our community to maintain San Luis Obispo County as a great place to raise a family, start a business, and make a living.

When I asked for your vote four years ago, I promised to work for you every day to deliver results on the issues that matter. Since then, I am proud to have led the charge for more resources to combat drug addiction, improved housing programs for those experiencing homelessness, and improved mental health access to help those with psychiatric emergencies. I have stood by our first responders to make sure they have the resources they need— adding more Sheriff's deputies and strengthening our county fire departments. We have stood up for family farms to protect their access to water resources. In the face of sky-high inflation, I have opposed tax and fee increases that would have further increased the cost of living.

Now, I am running for reelection to continue this fight for more efficient government, safe neighborhoods, lower taxes, and more personal freedom.

I would be honored to have your vote. If you have questions, call me at (805) 440-7818 and for more information, please visit www.JohnPeschong.com

**DECLARACIÓN DEL CANDIDATO PARA
LA JUNTA DE SUPERVISORES, 1.^{ER} DISTRITO**

JOHN PESCHONG

Ocupación: Supervisor del Condado de San Luis Obispo

Educación y Cualificaciones: Durante las últimas dos décadas, mi familia y yo hemos servido a nuestra comunidad para mantener el Condado de San Luis Obispo como un gran lugar para formar una familia, iniciar un negocio y ganarse la vida.

Cuando le pedí su voto hace cuatro años, prometí trabajar para usted todos los días para lograr resultados en los temas que importan. Desde entonces, estoy orgulloso de haber liderado la lucha para más recursos para combatir la adicción a las drogas, mejores programas de vivienda para quienes se encuentran sin hogar y un mejor acceso a la salud mental para ayudar a quienes tienen emergencias psiquiátricas. He apoyado a nuestros socorristas para asegurar que tengan los recursos que necesitan, agregando más ayudantes de Alguacil y fortaleciendo los Departamentos de Bomberos del Condado. Defendimos las granjas familiares para proteger su acceso a los recursos hídricos. Frente a una inflación altísima, me he opuesto a aumentos de impuestos y tarifas que habrían incrementado aún más el costo de vida.

Ahora me postulo para la reelección con el objetivo de continuar esta lucha por un gobierno más eficiente, vecindarios seguros, impuestos más bajos y más libertad personal.

Me sentiría honrado de recibir su voto. Si tiene preguntas, llámeme al (805) 440-7818 y, para obtener más información, visite www.JohnPeschong.com

WHY YOUR BALLOT WOULD NOT BE COUNTED

1. Ballot arrives after the deadline.
2. The VBM Return Envelope is not signed.
3. The signature on the VBM Return Envelope does not match any signature in the voter's record.
4. The ballot is returned without the VBM Return Envelope.

VBM Cure Process: The law requires the Election Office to send a letter and verification form to voters who forgot to sign their return envelope or whose signature did not match their signatures on file. In order for these ballots to be counted, voters must sign and return their form prior to the deadline.

VOTE-BY-MAIL LOOK-UP ON THE WEB: Check the status of your returned VBM ballot on the Internet at:
