**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

SALUD CARBAJAL

Occupation: Member, Santa Barbara County Board of Supervisors

Education and Qualifications: I'm Salud Carbajal. I'm a proud husband, father, and Marine Corps veteran. I was the first in my family to graduate from a university, working two jobs to pay for my education at UCSB. I know what it's like to struggle, and I'm committed to making sure other families have the same opportunities I had to get ahead.

For the last 12 years as a Santa Barbara County Supervisor, I've strived to represent our Central Coast values. I'm proud to have earned endorsements from Planned Parenthood and the Sierra Club for standing up for women's reproductive rights, fighting for marriage equality, and protecting our environment.

I've worked with my Democratic and Republican colleagues to expand health insurance to 14,000 county children; invested in widening Highway 101 and other roads projects to reduce congestion; and protected funding for public safety to keep our communities safe, even during tough economic times. We've done that while using your tax dollars wisely--balancing the budget every year, building up the largest rainy day fund in County history, and earning the highest bond rating in the state.

In Congress, I'll bring that same bipartisan spirit to tackling big issues: bringing down the cost of college; protecting our environment; creating new jobs by supporting small businesses and renewable energy; defeating ISIS; passing comprehensive immigration reform; reducing gun violence; and standing up for women's rights and health care access.

For more information about our campaign, please visit SaludCarbajal.com. I hope to earn your support on November 8th. Thank you.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

JUSTIN FAREED

Occupation: Vice President of Local Small Business, Third Generation Cattle Rancher

Education and Qualifications: I'm running for Congress to get it working again for the American people, to bring true representation for the Central Coast to Washington, and to solve long-range issues that will affect this and future generations with new leadership and 21st century solutions.

Born and raised on the Central Coast, I attended Santa Barbara High School and continued my education at UCLA. After playing and coaching football at my alma mater, I worked for a senior member of Congress where I led a staff delegation to the Syrian border in Turkey and saw firsthand the instability in the region, helped draft several bills, built consensus among members, and successfully moved things forward.

A third generation California cattle rancher and Vice President of my family's manufacturing and distribution small business, I understand the burdensome taxes and regulations coming out of Washington, and the implications it has on businesses, our agricultural community and job opportunities along the Central Coast. I've seen the dysfunction, polarization and empty rhetoric coming out of Washington from my time spent on Capitol Hill and I know how to fix it.

As your representative, I'll work to reduce the out of control national debt and overregulation on Central Coast businesses, invest in infrastructure to bring long-range solutions to California's water crisis, improve our education, ensure economic stability and local job opportunities for generations to come, and advocate for a concerted approach to our national security in order to provide a better way forward for all Americans. **DECLARACIÓN DEL CANDIDATO A
DIPUTADO DE EE. UU., 24.º DISTRITO DEL CONGRESO**

SALUD CARBAJAL

Ocupación: Miembro, Junta de Supervisores del Condado de Santa Barbara

Educación y competencias: Soy Salud Carbajal. Soy un orgulloso esposo, padre de familia y veterano del Cuerpo de Marines. Fui el primero de mi familia en graduarme de una universidad mientras trabajaba en dos empleos para pagar mi educación en la UCSB. Sé lo que es tener que luchar y estoy comprometido para que otras familias tengan las mismas oportunidades que tuve para salir adelante.

Durante los últimos 12 años como Supervisor del Condado de Santa Barbara, he luchado para representar nuestros valores de la Costa Central. Estoy orgulloso de haberme ganado los apoyos de Planned Parenthood y Sierra Club por luchar por los derechos reproductivos de las mujeres, luchar por el matrimonio igualitario y por proteger el medio ambiente.

He trabajado junto con mis colegas demócratas y republicanos para ampliar el seguro médico a 14,000 niños del condado; invertir en la ampliación de la Autopista 101 y otros proyectos de caminos para reducir la congestión; y he protegido el financiamiento para la seguridad pública para mantener nuestras comunidades seguras, incluso durante tiempos económicos difíciles. Lo hemos hecho mientras usamos sus dólares de impuestos con prudencia; equilibramos el presupuesto todos los años, creamos el fondo para días lluviosos más grande en la historia del condado y ganamos la calificación de bonos más alta en el estado.

En el Congreso, llevaré ese mismo espíritu bipartidista para afrontar los problemas graves: reducir el costo de la universidad; proteger nuestro medio ambiente; crear nuevos empleos al apoyar a los pequeños negocios y la energía renovable; vencer a ISIS; pasar una reforma migratoria integral; reducir la violencia relacionada con las armas y luchar por los derechos de las mujeres y el acceso a la atención médica.

Para más información sobre nuestra campaña, visite SaludCarbajal.com. Espero ganar su apoyo el 8 de noviembre. Gracias.

**DECLARACIÓN DEL CANDIDATO A
DIPUTADO DE EE. UU., 24.º DISTRITO DEL CONGRESO**

JUSTIN FAREED

Ocupación: Vicepresidente de empresa local pequeña, Ganadero de tercera generación

Educación y competencias: Me postulé al Congreso para hacerlo trabajar de nuevo para los americanos, para llevar una representación verdadera de la Costa Central a Washington y para resolver los problemas a largo plazo que afectarán a esta generación y a las generaciones futuras con liderazgo nuevo y soluciones del siglo 21.

Nací y crecí en la Costa Central, asistí a la Escuela Secundaria de Santa Barbara y continué mi educación en la UCLA. Después de jugar y ser entrenador del equipo de futbol americano en mi alma mater, trabajé para un alto miembro del Congreso donde dirigí la delegación del personal a la frontera siria en Turquía y fui testigo de primera mano de la inestabilidad de la región, ayudé a preparar varias propuestas de ley, construí consensos entre los miembros y llevamos con éxito las cosas hacia adelante.

Como ganadero de tercera generación en California y Vicepresidente del negocio familiar de manufactura y distribución, entiendo sobre los impuestos y regulaciones agobiantes que provienen de Washington y las implicaciones que tienen en los negocios, nuestra comunidad de agricultores y las oportunidades de empleo en toda la Costa Centra. He visto la disfunción, polarización y retórica vacía que viene de Washington por el tiempo que pase en Capitolio y sé cómo arreglarlas.

Como su representante, trabajaré para reducir la deuda nacional que esta fuera de control y la sobreregulación a los negocios de la Costa Central, invertir en infraestructura para traer soluciones de largo plazo para la crisis de agua en California, mejorar nuestra educación, garantizar la estabilidad económica y las oportunidades de empleos locales para las generaciones por venir e impulsaré un enfoque coordinado para nuestra seguridad nacional para proporcionar un mejor camino para avanzar para todos los americanos. **STATEMENT OF CANDIDATE FOR
STATE SENATOR, 17TH DISTRICT**

BILL MONNING

Occupation: CA State Senator

Age: 65

Education and Qualifications: Eight years ago, you sent me to Sacramento to make a difference, and I am proud of what we have been able to accomplish together. Since joining the State Legislature, I've authored over 80 bills signed into law by the Governor, including the ground-breaking End of Life Options Act to give terminally ill patients a compassionate way to take control of their own lives – subject to strict guidelines.

After years of hard work with many key partners, the new California Central Coast Veterans Cemetery is scheduled to open this fall. My legislation in Sacramento and ability to secure funding helped break the logjam to honor those who served our nation with a final resting place, fulfilling a promise made over two decades ago.

In Sacramento, we've passed balanced, on-time budgets six years in a row and put the State's fiscal house in order. We've made great strides toward tackling our State's pension obligations while restoring critical funding to education, healthcare, and public safety. I've earned the highest ratings from the California Labor Federation, the California League of Conservation Voters, the Sierra Club, and the Consumer Federation of California.

While our economy has recovered since the Great Recession, we must continue to focus on creating jobs by strengthening the backbones of our local economy: agriculture, tourism, and our educational institutions.

That's why I'm asking you to send me to the State Senate for another term. Please visit www.billmonning.org. I'd be honored by your vote on November 8th. Thank you.

**STATEMENT OF CANDIDATE FOR
STATE SENATOR, 17TH DISTRICT**

PALMER KAIN

Age: 37

Education and Qualifications: During my service in the U.S. Army stationed overseas, I developed a powerful work ethic and was instilled with a deeper commitment to duty, honor and justice. I have built a strong track record as a capable manager of people, resources and logistics while proving myself as a leader who fosters unity and consensus to complete any mission he is chosen to lead. My mission as your next State Senator is to defend the freedom, rights, and quality of life of all citizens of the 17th District.

In more than twenty years of experience in local, state, and national politics, I have learned how to create tangible, positive change in a system that often suppresses it. For decades, our district and state have used short-term solutions for long-term problems. The consequences being a rise in crime, homelessness, unemployment, tax rates, public corruption and inequality. We cannot afford to be complacent anymore. Sacramento has no long-term sustainable action plans, I do.

Sacramento has chosen to serve the needs of special interest groups while neglecting the people of California. I will return the power back to the people, to usher in a new era of transparency, accountability, and community engagement in politics. There is a new day dawning in California. Visit palmerkain.org to see my vision and plan. Vote for Palmer Kain on November 8, and I promise to work hard in your best interest as your next State Senator. Let's shatter the status quo and transform California together.

**DECLARACIÓN DEL CANDIDATO A
SENADOR ESTATAL, 17.º DISTRITO**

BILL MONNING

Edad: 65

Ocupación: Senador por el Estado de CA

Educación y competencias: Hace ocho años, usted me envió a Sacramento para hacer una diferencia y estoy orgulloso de lo que hemos podido lograr juntos. Desde que me uní a la legislatura estatal, he sido el autor de más de 80 proyectos de ley que fueron promulgados por el Gobernador, incluida la Ley de Opciones al Término de Vida para darles a los pacientes terminales una forma compasiva para que tengan control sobre sus propias vidas - sujeto a pautas estrictas.

Después de años de trabajo arduo con muchos socios claves, está programada para el otoño la apertura del nuevo Cementerio para Veteranos de la Costa Central de California. Mi legislación en Sacramento y mi habilidad para asegurar financiamiento ayudaron a romper el bloqueo para honrar a aquellos que sirvieron a la nación con un lugar en el que pueden descansar finalmente, cumpliendo con la promesa que se hizo hace más de dos décadas.

En Sacramento, aprobamos presupuestos equilibrados y a tiempo por seis años consecutivos y pusimos en orden el sistema fiscal del Estado. Hemos hecho grandes avances para abordar las obligaciones de pensión del Estado mientras recuperamos el importante financiamiento a la educación, atención médica y seguridad pública. Me gané las mejores calificaciones de la Federación de Trabajo de California, la League of Conservation Voters de California, el Sierra Club y la Federación de Consumidores de California.

Aunque nuestra economía se ha recuperado desde la Gran Recesión, debemos seguir concentrándonos en crear empleos al fortalecer la columna vertebral de nuestra economía local: agricultura, turismo y las instituciones educativas.

Por eso, le pido que me envíe al Senado Estatal por otro periodo. Visite la página www.billmonning.org. Sería un honor tener su voto el 8 de noviembre. Gracias.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 35th DISTRICT**

JORDAN CUNNINGHAM

Occupation: Businessman, School Trustee

Education and Qualifications: It's no secret that Sacramento can do better. I am a policy-oriented small businessman, a school trustee, and a former prosecutor. I am running to bring common sense back to our state government and make it work better for families on the Central Coast.

Each year, businesses leave California for more business-friendly states, taking good jobs with them. It's time to turn the tide. The California Small Business Association supports my vision for a growing economy. They know that I will use my experience as past President of the Central Coast Taxpayers Association to fight the tax increases and regulatory burdens that are costing us jobs.

Failed policies from Sacramento have endangered our neighborhoods. As a former prosecutor, I know what we need to make our community safer. District Attorney Dan Dow and Sheriff Ian Parkinson have endorsed me because of my dedication to public safety.

California's future workforce is a direct product of our education system. We must do everything we can to support our schools, and to make our public colleges affordable for working families. I have worked with students, parents, and teachers as a school trustee. This election cycle I am one of the only candidates in the state endorsed by both the California Teachers Association and the California Charter School Association because of my pragmatic vision for improving our schools.

I will be accountable to you, providing common-sense leadership and a voice for the Central Coast and our values. I hope to earn your vote.

As an educator, it has been my privilege to teach children and adults to prepare them for the future. I would appreciate your vote on November 8 so that I may continue to serve the students and the community.

**SHANDON JOINT UNIFIED SCHOOL DISTRICT
FULL TEXT OF MEASURE K-16**

To repair leaky pipes, deteriorating septic systems, aging roofs and inefficient heating/air-conditioning; upgrade portable classrooms; install emergency communication systems and remove asbestos; and qualify for State matching funds at Shandon Elementary, Parkfield Elementary and Shandon High Schools; shall Shandon Joint Unified School District issue \$3.15 million of bonds with interest rates below legal limits, annual audits, independent citizens' oversight, all funds spent locally and no money used for administrative salaries or taken by the State and spent elsewhere?"

Bonds—Yes

Bonds—No

BOND AUTHORIZATION

By approval of this proposition by at least 55 percent of the registered voters voting on the measure, the Shandon Joint Unified School District (the "District") will be authorized to issue and sell bonds of up to \$3.15 million in aggregated principal at interest rates not in excess of the legal limit and to provide financing for the specific projects listed in the Bond Project List described below, subject to all the accountability requirements specified below.

The Bonds may be issued under the provisions of the California Education Code (starting at Section 15100), under the provisions of the California Government Code (starting at Section 53506), or under any other provision of law authorizing the issuance of general obligation bonds by school districts. The Bonds may be issued in series by the District from time to time, and each series of Bonds shall mature within the legal limitations set forth in the applicable law under which the Bonds are issued.

FINANCING PLAN

The District intends to use the Bonds to modernize, replace, renovate, equip, acquire and rebuild the District facilities on the Bond Project List. No series of Bonds will be issued if such issuance would cause the tax rate levied to pay debt service on all of the outstanding Bonds to exceed \$60 per year per \$100,000 of taxable property, based on projections made by the District at the time of issuance of such series of Bonds.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following).

Evaluation of Needs. The Board of Trustees of the District (the "Board of Trustees") has identified detailed facilities needs of the District and has determined which projects to finance from a local bond at this time. The Board of Trustees hereby certifies that it has evaluated safety, class size reduction, enrollment growth, and information technology needs in developing the Bond Project List shown below.

Independent Citizens' Oversight Committee. The Board of Trustees shall establish an Independent Citizens' Oversight Committee under Education Code Section 15278 and following to ensure that bond proceeds are expended only on the school facilities projects

described in the Bond Project List below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the Board of Trustees.

Performance Audits. The Board of Trustees shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects described in the Bond Project List below.

Financial Audits. The Board of Trustees shall conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects described in the Bond Project List below.

Annual Report. The Business Manager of the District will cause an annual report to be filed with the Board of Trustees, the first report to be filed not later than one year after the issuance of the first series of Bonds, which report will contain pertinent information regarding the amount of funds collected and expended, as well as the status of the projects listed in this measure, as required by applicable California law.

Expenditure of Bond Proceeds. The proceeds from the sale of the District's bonds will be used only for the purposes specified in this measure, and not for any other purpose. Such proceeds will be deposited into a Project Fund to be held by the San Luis Obispo County Treasurer, as required by the California Education Code.

FURTHER SPECIFICATIONS

No Administrator Salaries. Proceeds from the sale of bonds authorized by this proposition shall be used only for the school facilities projects described in the Bond Project List below, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

BOND PROJECT LIST

Scope of Projects. The Bond Project List shown below is a part of the ballot measure and must be reproduced in any official document required to contain the full statement of the bond measure.

Bond proceeds will be expended to modernize, replace, renovate, equip, acquire and rebuild the District's facilities as described in the following list. The exact size, configuration and location of each project will be determined by the Board of Trustees based on the needs of the District.

The District facilities include:

- Parkfield Elementary School
- Shandon Elementary School
- Shandon High School

The repairs, renovations, constructions and equipment acquisitions shall include but not be limited to:

- Repair and replacement of septic systems and aging restroom
- Repair/replacement of roofs
- Replacement and repair of wiring and electrical systems including upgrade of power systems to accommodate 21st century technology systems
- Repair and installation of drainage systems
- Repair of asphalt paving
- Installation of communication systems including alarms and cameras for increased student safety
- Remove asbestos
- Remodel, reconstruct and reconfigure existing structures at Parkfield School
- Repair and replace heating, air-conditioning and ventilation systems
- Replace windows
- Replace outdated portables
- Landscape school grounds, playgrounds and athletic fields as needed
- Refurbish and remodel elementary, middle and high school facilities including structural improvements, painting, locks and hardware
- Upgrade classroom technology and equipment
- Repair and upgrade fire alarm systems as necessary to meet current and new standards

Projects Subject to Available Funding. The foregoing list of projects is subject to the availability of adequate funding to the District. Approval of the bond measure does not guarantee that the proposed projects in the District that are the subject of bonds under the measure will be funded beyond the local revenues generated by the bond measure. The District's proposal for the projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

IMPARTIAL ANALYSIS OF MEASURE K-16

This measure will determine whether the Shandon Joint Unified School District (“the District”) may issue \$3.15 million in bonds for the purpose of improving school facilities within the District. The measure is placed on the ballot by the Board of Trustees of the District (“the Board”) and will become effective if fifty-five percent (55%) of the voters vote “yes” on the measure.

On November 7, 2000, California voters passed “Proposition 39,” amending Article XIII A, section 1(b)(3) of the California Constitution. That amendment authorizes the District to incur bonded indebtedness for the purpose of financing the construction, reconstruction, rehabilitation, or replacement of school facilities, in accordance with certain accountability requirements. To implement the requirements of Proposition 39, the Legislature enacted the “Strict Accountability in Local School Construction Bond Act of 2000” (Educ. Code, § 15264, et seq.; “the Act”). This measure is proposed in accordance with the Act.

If approved, the measure will authorize the District to issue up to \$3.15 million in general obligation bonds, to bear interest at a rate not to exceed the maximum permitted by law. The types of school facility improvement projects to be funded by bond proceeds are included in the Bond Project List (included in the full-text of the measure). In accordance with the Act, the Board has certified that it has evaluated safety, class size reduction, enrollment growth and information technology needs in developing the Bond Project List.

Revenue from bond sales will be used only to modernize, replace, renovate, equip, acquire and rebuild school facilities within the District, and not for any other purpose, including teacher and employee salaries and other school operating expenses. Approval of the bond measure does not guarantee that particular projects will be funded.

Principal and interest on the bonds will be payable from the proceeds of ad valorem taxes levied annually on taxable real property within the District. These taxes would be in addition to the property taxes currently levied on taxpayers within the District. The amount of the increased taxes each year would depend upon the amount needed to pay the principal and interest on the bonds. The District’s Tax Rate Statement, which accompanies this analysis, reflects an estimate of the maximum property tax levies required to service the bonds. The actual tax rates may vary depending on the timing of sales, number of bonds sold, and increases in assessed valuations.

Performance and financial audits must be completed annually to ensure that bond proceeds are spent only as specified in the measure. An independent citizens’ oversight committee will monitor expenditures and provide oversight. Bond proceeds will be deposited in a separate account. As long as any bond proceeds remain unexpended, annual reports will be filed with the Board stating the amount of funds collected and expended, and the status of projects authorized by the measure.

A “yes” vote on this measure is a vote in favor of the District issuing \$3.15 million in bonds for the purposes set forth in the full-text of the measure.

A “no” vote on this measure is a vote against the District issuing \$3.15 million in bonds for the purposes set forth in the full-text of the measure.

TAX RATE STATEMENT FOR MEASURE K-16

An election will be held in the Shandon Joint Unified School District (the "District") on November 8, 2016, to authorize the sale of up to \$3.15 million in bonds of the District to continue improving the quality of education in local schools of the District. Specifically, bond proceeds shall be utilized for the purposes of modernizing, replacing, renovating, equipping, acquiring, and rebuilding school facilities.

If the bonds are authorized and sold, debt service thereon will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California.

1. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.06000 per \$100 (\$60.00 per \$100,000) of assessed valuation in fiscal year 2017- 2018.

2. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.06000 per \$100 (\$60.00 per \$100,000) of assessed valuation in fiscal year 2019 – 2020.

3. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is \$0.06000 per \$100 (\$60.00 per \$100,000) of assessed valuation in fiscal years 2018 - 2021.

4. The best estimate of the average tax rate which would be required to be levied to fund this bond issue during the life of the bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.03444 per \$100 (\$34.44 per \$100,000) of assessed valuation.

5. The best estimate of the total debt service, including principal and interest, that would be required to be repaid if all the bonds are issued and sold is \$5,304,178.

Voters should note that the estimated tax rates are based on the *ASSESSED VALUE* of taxable property on the County's official tax rolls, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds.

The dates of sale and the amount of bonds sold at any given time will be determined by the District based on the need for construction funds and other factors, including the legal limitations on bonds approved by a 55% vote. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

Did You Know...

...that all dogs in the County of San Luis Obispo over the age of 4 months are required to be licensed?

If you haven't done so already, licensing your dog is easy! You can download a license application in the "Forms" section at: www.sloanimalservices.com and mail it in. You can also license your dog online at www.petdata.com, or come into the Animal Services office at 885 Oklahoma Ave. in San Luis Obispo.

WHY LICENSE YOUR DOG?

- ◆ Your dog's license is his ticket home if he is ever picked up running at large. Animal Control Officers would rather reunite you with your pet than impound him. If he's wearing a current license, they'll bring him home instead of to the shelter.
- ◆ License revenues help support Animal Services efforts to address the needs of homeless and neglected pets and to resolve our community's animal related problems.
- ◆ It's the law.

HELPFUL INFORMATION FOR LICENSING YOUR DOG

- ◆ State law requires all dogs to have a current rabies vaccination before they can be licensed. If your dog doesn't have license information on file with Animal Services, you will need to submit it with your application.
- ◆ By law, the duration of your dog's license validity cannot exceed the expiration date of his current rabies vaccine.
- ◆ The metal tag your vet gives you when your pet is vaccinated *is not* a license tag.
- ◆ License fees are significantly discounted if your dog has been spayed or neutered.

Avoid possible citations and fines by licensing your dog today!
