**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

SALUD CARBAJAL

Occupation: Member, Santa Barbara County Board of Supervisors

Education and Qualifications: I'm Salud Carbajal. I'm a proud husband, father, and Marine Corps veteran. I was the first in my family to graduate from a university, working two jobs to pay for my education at UCSB. I know what it's like to struggle, and I'm committed to making sure other families have the same opportunities I had to get ahead.

For the last 12 years as a Santa Barbara County Supervisor, I've strived to represent our Central Coast values. I'm proud to have earned endorsements from Planned Parenthood and the Sierra Club for standing up for women's reproductive rights, fighting for marriage equality, and protecting our environment.

I've worked with my Democratic and Republican colleagues to expand health insurance to 14,000 county children; invested in widening Highway 101 and other roads projects to reduce congestion; and protected funding for public safety to keep our communities safe, even during tough economic times. We've done that while using your tax dollars wisely--balancing the budget every year, building up the largest rainy day fund in County history, and earning the highest bond rating in the state.

In Congress, I'll bring that same bipartisan spirit to tackling big issues: bringing down the cost of college; protecting our environment; creating new jobs by supporting small businesses and renewable energy; defeating ISIS; passing comprehensive immigration reform; reducing gun violence; and standing up for women's rights and health care access.

For more information about our campaign, please visit SaludCarbajal.com. I hope to earn your support on November 8th. Thank you.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

JUSTIN FAREED

Occupation: Vice President of Local Small Business, Third Generation Cattle Rancher

Education and Qualifications: I'm running for Congress to get it working again for the American people, to bring true representation for the Central Coast to Washington, and to solve long-range issues that will affect this and future generations with new leadership and 21st century solutions.

Born and raised on the Central Coast, I attended Santa Barbara High School and continued my education at UCLA. After playing and coaching football at my alma mater, I worked for a senior member of Congress where I led a staff delegation to the Syrian border in Turkey and saw firsthand the instability in the region, helped draft several bills, built consensus among members, and successfully moved things forward.

A third generation California cattle rancher and Vice President of my family's manufacturing and distribution small business, I understand the burdensome taxes and regulations coming out of Washington, and the implications it has on businesses, our agricultural community and job opportunities along the Central Coast. I've seen the dysfunction, polarization and empty rhetoric coming out of Washington from my time spent on Capitol Hill and I know how to fix it.

As your representative, I'll work to reduce the out of control national debt and overregulation on Central Coast businesses, invest in infrastructure to bring long-range solutions to California's water crisis, improve our education, ensure economic stability and local job opportunities for generations to come, and advocate for a concerted approach to our national security in order to provide a better way forward for all Americans. **DECLARACIÓN DEL CANDIDATO A
DIPUTADO DE EE. UU., 24.º DISTRITO DEL CONGRESO**

SALUD CARBAJAL

Ocupación: Miembro, Junta de Supervisores del Condado de Santa Barbara

Educación y competencias: Soy Salud Carbajal. Soy un orgulloso esposo, padre de familia y veterano del Cuerpo de Marines. Fui el primero de mi familia en graduarme de una universidad mientras trabajaba en dos empleos para pagar mi educación en la UCSB. Sé lo que es tener que luchar y estoy comprometido para que otras familias tengan las mismas oportunidades que tuve para salir adelante.

Durante los últimos 12 años como Supervisor del Condado de Santa Barbara, he luchado para representar nuestros valores de la Costa Central. Estoy orgulloso de haberme ganado los apoyos de Planned Parenthood y Sierra Club por luchar por los derechos reproductivos de las mujeres, luchar por el matrimonio igualitario y por proteger el medio ambiente.

He trabajado junto con mis colegas demócratas y republicanos para ampliar el seguro médico a 14,000 niños del condado; invertir en la ampliación de la Autopista 101 y otros proyectos de caminos para reducir la congestión; y he protegido el financiamiento para la seguridad pública para mantener nuestras comunidades seguras, incluso durante tiempos económicos difíciles. Lo hemos hecho mientras usamos sus dólares de impuestos con prudencia; equilibramos el presupuesto todos los años, creamos el fondo para días lluviosos más grande en la historia del condado y ganamos la calificación de bonos más alta en el estado.

En el Congreso, llevaré ese mismo espíritu bipartidista para afrontar los problemas graves: reducir el costo de la universidad; proteger nuestro medio ambiente; crear nuevos empleos al apoyar a los pequeños negocios y la energía renovable; vencer a ISIS; pasar una reforma migratoria integral; reducir la violencia relacionada con las armas y luchar por los derechos de las mujeres y el acceso a la atención médica.

Para más información sobre nuestra campaña, visite SaludCarbajal.com. Espero ganar su apoyo el 8 de noviembre. Gracias.

**DECLARACIÓN DEL CANDIDATO A
DIPUTADO DE EE. UU., 24.º DISTRITO DEL CONGRESO**

JUSTIN FAREED

Ocupación: Vicepresidente de empresa local pequeña, Ganadero de tercera generación

Educación y competencias: Me postulé al Congreso para hacerlo trabajar de nuevo para los americanos, para llevar una representación verdadera de la Costa Central a Washington y para resolver los problemas a largo plazo que afectarán a esta generación y a las generaciones futuras con liderazgo nuevo y soluciones del siglo 21.

Nací y crecí en la Costa Central, asistí a la Escuela Secundaria de Santa Barbara y continué mi educación en la UCLA. Después de jugar y ser entrenador del equipo de futbol americano en mi alma mater, trabajé para un alto miembro del Congreso donde dirigí la delegación del personal a la frontera siria en Turquía y fui testigo de primera mano de la inestabilidad de la región, ayudé a preparar varias propuestas de ley, construí consensos entre los miembros y llevamos con éxito las cosas hacia adelante.

Como ganadero de tercera generación en California y Vicepresidente del negocio familiar de manufactura y distribución, entiendo sobre los impuestos y regulaciones agobiantes que provienen de Washington y las implicaciones que tienen en los negocios, nuestra comunidad de agricultores y las oportunidades de empleo en toda la Costa Centra. He visto la disfunción, polarización y retórica vacía que viene de Washington por el tiempo que pase en Capitolio y sé cómo arreglarlas.

Como su representante, trabajaré para reducir la deuda nacional que esta fuera de control y la sobreregulación a los negocios de la Costa Central, invertir en infraestructura para traer soluciones de largo plazo para la crisis de agua en California, mejorar nuestra educación, garantizar la estabilidad económica y las oportunidades de empleos locales para las generaciones por venir e impulsaré un enfoque coordinado para nuestra seguridad nacional para proporcionar un mejor camino para avanzar para todos los americanos. **STATEMENT OF CANDIDATE FOR
STATE SENATOR, 17TH DISTRICT**

BILL MONNING

Occupation: CA State Senator

Age: 65

Education and Qualifications: Eight years ago, you sent me to Sacramento to make a difference, and I am proud of what we have been able to accomplish together. Since joining the State Legislature, I've authored over 80 bills signed into law by the Governor, including the ground-breaking End of Life Options Act to give terminally ill patients a compassionate way to take control of their own lives – subject to strict guidelines.

After years of hard work with many key partners, the new California Central Coast Veterans Cemetery is scheduled to open this fall. My legislation in Sacramento and ability to secure funding helped break the logjam to honor those who served our nation with a final resting place, fulfilling a promise made over two decades ago.

In Sacramento, we've passed balanced, on-time budgets six years in a row and put the State's fiscal house in order. We've made great strides toward tackling our State's pension obligations while restoring critical funding to education, healthcare, and public safety. I've earned the highest ratings from the California Labor Federation, the California League of Conservation Voters, the Sierra Club, and the Consumer Federation of California.

While our economy has recovered since the Great Recession, we must continue to focus on creating jobs by strengthening the backbones of our local economy: agriculture, tourism, and our educational institutions.

That's why I'm asking you to send me to the State Senate for another term. Please visit www.billmonning.org. I'd be honored by your vote on November 8th. Thank you.

**STATEMENT OF CANDIDATE FOR
STATE SENATOR, 17TH DISTRICT**

PALMER KAIN

Age: 37

Education and Qualifications: During my service in the U.S. Army stationed overseas, I developed a powerful work ethic and was instilled with a deeper commitment to duty, honor and justice. I have built a strong track record as a capable manager of people, resources and logistics while proving myself as a leader who fosters unity and consensus to complete any mission he is chosen to lead. My mission as your next State Senator is to defend the freedom, rights, and quality of life of all citizens of the 17th District.

In more than twenty years of experience in local, state, and national politics, I have learned how to create tangible, positive change in a system that often suppresses it. For decades, our district and state have used short-term solutions for long-term problems. The consequences being a rise in crime, homelessness, unemployment, tax rates, public corruption and inequality. We cannot afford to be complacent anymore. Sacramento has no long-term sustainable action plans, I do.

Sacramento has chosen to serve the needs of special interest groups while neglecting the people of California. I will return the power back to the people, to usher in a new era of transparency, accountability, and community engagement in politics. There is a new day dawning in California. Visit palmerkain.org to see my vision and plan. Vote for Palmer Kain on November 8, and I promise to work hard in your best interest as your next State Senator. Let's shatter the status quo and transform California together.

Ocupación: Senador por el Estado de CA

Educación y competencias: Hace ocho años, usted me envió a Sacramento para hacer una diferencia y estoy orgulloso de lo que hemos podido lograr juntos. Desde que me uní a la legislatura estatal, he sido el autor de más de 80 proyectos de ley que fueron promulgados por el Gobernador, incluida la Ley de Opciones al Término de Vida para darles a los pacientes terminales una forma compasiva para que tengan control sobre sus propias vidas - sujeto a pautas estrictas.

Después de años de trabajo arduo con muchos socios claves, está programada para el otoño la apertura del nuevo Cementerio para Veteranos de la Costa Central de California. Mi legislación en Sacramento y mi habilidad para asegurar financiamiento ayudaron a romper el bloqueo para honrar a aquellos que sirvieron a la nación con un lugar en el que pueden descansar finalmente, cumpliendo con la promesa que se hizo hace más de dos décadas.

En Sacramento, aprobamos presupuestos equilibrados y a tiempo por seis años consecutivos y pusimos en orden el sistema fiscal del Estado. Hemos hecho grandes avances para abordar las obligaciones de pensión del Estado mientras recuperamos el importante financiamiento a la educación, atención médica y seguridad pública. Me gané las mejores calificaciones de la Federación de Trabajo de California, la League of Conservation Voters de California, el Sierra Club y la Federación de Consumidores de California.

Aunque nuestra economía se ha recuperado desde la Gran Recesión, debemos seguir concentrándonos en crear empleos al fortalecer la columna vertebral de nuestra economía local: agricultura, turismo y las instituciones educativas.

Por eso, le pido que me envíe al Senado Estatal por otro periodo. Visite la página www.billmonning.org. Sería un honor tener su voto el 8 de noviembre. Gracias.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 35th DISTRICT**

JORDAN CUNNINGHAM

Occupation: Businessman, School Trustee

Education and Qualifications: It's no secret that Sacramento can do better. I am a policy-oriented small businessman, a school trustee, and a former prosecutor. I am running to bring common sense back to our state government and make it work better for families on the Central Coast.

Each year, businesses leave California for more business-friendly states, taking good jobs with them. It's time to turn the tide. The California Small Business Association supports my vision for a growing economy. They know that I will use my experience as past President of the Central Coast Taxpayers Association to fight the tax increases and regulatory burdens that are costing us jobs.

Failed policies from Sacramento have endangered our neighborhoods. As a former prosecutor, I know what we need to make our community safer. District Attorney Dan Dow and Sheriff Ian Parkinson have endorsed me because of my dedication to public safety.

California's future workforce is a direct product of our education system. We must do everything we can to support our schools, and to make our public colleges affordable for working families. I have worked with students, parents, and teachers as a school trustee. This election cycle I am one of the only candidates in the state endorsed by both the California Teachers Association and the California Charter School Association because of my pragmatic vision for improving our schools.

I will be accountable to you, providing common-sense leadership and a voice for the Central Coast and our values. I hope to earn your vote.

**STATEMENT OF CANDIDATE FOR
GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 4

Education and Qualifications: I have lived on the Central Coast since 1969 as mother, volunteer, council member, mayor, and local business owner. I am a native Californian and I can speak two languages.

My children and grandchildren were raised in the Lucia Mar School District. I believe that a commitment and communication between the community and the school district plays a big role in the development not only of our children, but also of the community as a whole.

I feel you must continue to be involved to better understand parents and students needs. To get a better understanding of the current technology so they are ready for the challenges of careers and college.

As a member of Lucia Mar Board of Education we must continue their education by offering different career pathways through new and innovative ways.

I strongly support the Culinary School, the Future Farmers of America programs and all the different programs for youth sports.

I believe that we need to maintain a strong academic focus and vibrant extra-curricular activity and always to imagine the possibilities.

Education Is Key.

DON STEWART

Age: 53

Occupation: Lucia Mar Unified School District Trustee, Educator

Education and Qualifications: It has been a privilege to serve on the Lucia Mar School Board. As a parent and an educator I believe investment in a well-rounded education provides children of all backgrounds a path to realizing their dreams. It is our hope for the future.

I am proud that we are leading the way to ensure our students receive a first-rate, 21st century education. Technology has been upgraded; solar panels have been installed; library services have been expanded; intervention teachers have been increased; and we have broadened and strengthened our college and career pathways.

There is still work to do. The roll-out of new curriculum standards will require collaboration and community engagement. A greater effort must be made to close the achievement gap in student learning. And we need to balance our budget in a way that allows Lucia Mar to continue to attract and retain the quality teachers that are the foundation for student success.

I have a proven track record of putting students first. I am committed to transparency, accountability, and the fiscally responsible use of your tax dollars.

I would appreciate your vote on November 8th. Facebook: @ElectDonStewart

Educación y competencias: Ha sido un privilegio trabajar en la Junta Escolar de Lucia Mar. Como padre y educador creo que la inversión en una educación integral les proporciona a los niños de cualquier procedencia un camino para poder cumplir sus sueños. Es nuestra esperanza para el futuro.

**STATEMENT OF CANDIDATE FOR
COMMISSIONER
Port San Luis Harbor District**

BOB VESSELY

Age: 67

Occupation: Civil Engineer

Education and Qualifications: I am running because I firmly believe in our representative democracy form of government and believe that our port is a gem, a tremendous asset to the community. The existing Board has emphasized private business operations. The port has so much more to offer and could be more inclusive to our residents.

The District should support a wide range of public activities including family picnics, watersports and sport fishing as well as interest in the history of the port, especially the Lighthouse. Some people want to camp along the bluff, walk on the beach or on the pier and just experience our beautiful environment. All of these uses deserve serious consideration and representation on the Board.

With Diablo closing, and the loss of the substantial revenue generated to the Port, it is important now more than ever to create a sustainable vision for residents and visitors alike.

As a civil engineer, I will bring a methodical problem-solving approach as well as the experience to guide the Harbor in an inclusive, open and service-oriented Board. It comes down to priorities after all, and I believe that those should reflect the breadth and depth of the diverse population of the District.

**STATEMENT OF CANDIDATE FOR
COMMISSIONER
Port San Luis Harbor District**

RICHARD SCANGARELLO

Occupation: V.P. Port San Luis Commercial Fisherman's Association

Education and Qualifications: I am asking for your vote.

Over the next several years, with the pending closure of Diablo Nuclear power plant, Port San Luis will see a significant reduction in operating revenue. Finding new sources of income and reducing operating cost will become a paramount issue.

Having owned and operated a small business at Port San Luis I understand the difficulty in maneuvering the Port bureaucracy. In the future the success of the businesses that operate within the Ports jurisdiction will become critical.

Creating an attitude for success for those who use the Port facilities will become more important as revenue sources change.

With your support together we can achieve this goal with common sense and good business practices.

**STATEMENT OF CANDIDATE FOR
COMMISSIONER
Port San Luis Harbor District**

BILL BARROW

Age: 53

Occupation: Commercial Fisherman

Education and Qualifications: As a commercial fisherman for the past 28 years I have visited most of the Harbors in California and have an understanding of how the various Harbors operate. As a current Harbor Commissioner I understand the current issues that Port San Luis Harbor faces.

I am a lifetime resident of San Luis Obispo County and would like to see the Harbor maintain its character as a small fishing and recreational Harbor.

I would appreciate your vote.

**STATEMENT OF CANDIDATE FOR
COMMISSIONER
Port San Luis Harbor District**

JIM BLECHA

Age: 70

Occupation: Marine – Aquatic Biologist, Harbor Commissioner

Education and Qualifications: M.Sc. Zoology. Harbor Commissioner 1983 to present. Port San Luis is the jewel of our coast. As a Commissioner, boat owner and Port patron, I see three issues facing PSLHD as paramount.

The development of Harbor Terrace with mixed uses of affordable tent camping, cabins, restaurant, and gear and boat storage. Currently in negotiations, the project may need to be developed by the District.

Infra structure maintenance is always important and perpetual. Avila Pier, however, needs funding of \$9 to \$12+ million for full reconstruction. Aggressive funding effort is my goal over the next several years.

PSL must remain a full service port with facilities to protect commercial and recreational boats year round, to load and un-load vessels, reliably launch and haul out all vessels (dredging), fuel facilities, water taxi service and a fully functional boat yard. We must maintain good working relationships with the many local, County, State and federal governmental agencies.

The character of the Port must be protected against the inevitable changes coming to our area of coastal California. The challenges ahead are best met by commissioners with vision, pragmatism, and a sense of history. Experience counts. Vote Blecha for Harbor Commissioner.

**DECLARACIÓN DEL CANDIDATO A
COMISIONADO
Distrito del Puerto de Port San Luis**

BOB VESSELY

Edad: 67

Ocupación: Ingeniero civil

Educación y competencias: Me postulo porque creo firmemente en nuestra forma de gobierno de democracia representativa y creo que nuestro puerto es una joya, un bien enorme para la comunidad. La Junta existente ha enfatizado las operaciones comerciales privadas. El puerto tiene mucho más para ofrecer y podría ser más inclusivo para nuestros residentes.

El Distrito debería apoyar una amplia variedad de actividades públicas, que incluye pícnic familiares, deportes acuáticos y pesca deportiva, así como también el interés en la historia del puerto, especialmente el Lighthouse. Algunas personas quieren acampar a lo largo del farol, caminar por la playa o por el muelle y solo experimentar nuestro hermoso ambiente. Todos estos usos merecen serias consideraciones y representaciones en la Junta.

Con el cierre de Diablo, y la pérdida de los cuantiosos ingresos generados al Puerto, es importante ahora más que nunca crear una visión sustentable tanto para los residentes como para los visitantes.

Como ingeniero civil, traeré una estrategia que resuelva los problemas, así como también la experiencia en dirigir el Puerto en una Junta orientada al servicio y abierta. Es cuestión de prioridades después de todo, y creo que aquellas deberían reflejar la amplitud y la profundidad de la población diversa del Distrito.

This measure will determine whether the Lucia Mar Unified School District (“the District”) may issue \$170 million in bonds for the purpose of improving school facilities within the District. The measure is placed on the ballot by the Board of Education of the District (“the Board”) and will become effective if fifty-five percent (55%) of the voters vote “yes” on the measure.

On November 7, 2000, California voters passed “Proposition 39,” amending Article XIII A, section 1(b)(3) of the California Constitution. That amendment authorizes the District to incur bonded indebtedness for the purpose of financing the construction, reconstruction, rehabilitation, or replacement of school facilities, in accordance with certain accountability requirements. To implement the requirements of Proposition 39, the Legislature enacted the “Strict Accountability in Local School Construction Bond Act of 2000” (Educ. Code, § 15264, et seq.; “the Act”). This measure is proposed in accordance with the Act.

If approved, the measure will authorize the District to issue up to \$170 million in general obligation bonds, to bear interest at a rate not to exceed the maximum permitted by law. The types of school facility improvement projects to be funded by bond proceeds are included in the Project List (included in the full-text of the measure). In accordance with the Act, the Board has certified that it has evaluated safety, class size reduction, enrollment growth and information technology needs in developing the Project List.

Revenue from bond sales will be used only for the acquisition, construction, reconstruction, repair, or replacement of school facilities within the District, and not for any other purpose, including teacher and employee salaries and other school operating expenses. Approval of the bond measure does not guarantee that particular projects will be funded.

Principal and interest on the bonds will be payable from the proceeds of ad valorem taxes levied annually on taxable real property within the District. These taxes would be in addition to the property taxes currently levied on taxpayers within the District. The amount of the increased taxes each year would depend upon the amount needed to pay the principal and interest on the bonds. The District’s Tax Rate Statement, which accompanies this analysis, reflects an estimate of the maximum property tax levies required to service the bonds. The actual tax rates may vary depending on the timing of sales, number of bonds sold, and increases in assessed valuations.

Performance and financial audits must be completed annually to ensure that bond proceeds are spent only as specified in the measure. An independent citizens’ oversight committee will monitor expenditures and provide oversight. Bond proceeds will be deposited in a separate account. As long as any bond proceeds remain unexpended, annual reports will be filed with the Board stating the amount of funds collected and expended, and the status of projects authorized by the measure.

A “yes” vote on this measure is a vote in favor of the District issuing \$170 million in bonds for the purposes set forth in the full-text of the measure.

A “no” vote on this measure is a vote against the District issuing \$170 million in bonds for the purposes set forth in the full-text of the measure.

TAX RATE STATEMENT FOR MEASURE I-16

An election will be held in the Lucia Mar Unified School District (the "District") on November 8, 2016, to authorize the sale of up to \$170,000,000 in bonds of the District to finance school facilities as described in the proposition. If the bonds are approved, the District expects to issue the bonds in several series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9404 of the California Elections Code.

1. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.04242 per \$100 (or \$42.42 per \$100,000) of assessed valuation in fiscal year 2017-18.
2. The best estimate of the tax rate which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.04243 per \$100 (or \$42.43 per \$100,000) of assessed valuation in fiscal year 2024-25.
3. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is \$0.04245 per \$100 (or \$42.45 per \$100,000) of assessed valuation in fiscal year 2019-20.
4. These estimates would result in an average annual tax of \$0.04101 per \$100 (or \$41.01 per \$100,000) of assessed valuation over the life of the bonds.
5. The best estimate of the total debt service required to be paid if all the bonds are issued and sold, including principal and interest, is approximately three-hundred ninety-six million dollars.

Voters should note that estimated tax rates are based on the assessed value of taxable property in the District on the official tax roll of San Luis Obispo County, *not* on the property's market value, which could be more or less than the assessed value. Taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above, and certain taxpayers may be eligible for a postponement of their property taxes. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold, market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The estimates are based on the District's projections and are not binding upon the District. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on the need for construction funds and other factors. The actual interest rates at which the bonds would be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor of San Luis Obispo County in the annual assessment and equalization process.

ARGUMENT IN FAVOR OF MEASURE I-16

VOTE YES on Measure I to protect and improve the outstanding quality of education that local children receive attending schools in the Lucia Mar Unified School District (LMUSD).

Our community faces a serious educational challenge: Lucia Mar schools have educated generations of local children but our schools have grown old – **really old**. As academic standards rise, our kids deserve a competitive edge preparing for college and 21st Century careers. LMUSD's 18 schools are aging and in constant use, serving nearly 11,000 students each day. Some schools are now over 60 years old, and all need continuing repairs and upgrades.

Spanning two years, parents, staff and community members have helped build Measure I's prudent, responsible plan to meet LMUSD's most critical needs. NO other funding currently exists to properly upgrade these facilities.

Measure I will:

- **Upgrade** school facilities to keep pace with advancing technology.
- **Renovate** classrooms, labs and instructional equipment to meet rising college and university admission requirements.
- **Repair/replace** deteriorating roofs, plumbing, and electrical systems.
- **Improve** career-training facilities for instruction in fields like health, science, technology, engineering, math, and skilled trades.
- **Replace** aging portable classrooms with modern, permanent classrooms.
- **Improve** school safety and security on LMUSD campuses.

ALL Measure I funds stay local, benefitting ONLY Lucia Mar USD schools. The State CANNOT take this funding away. Measure I qualifies LMUSD to receive state matching funds when they become available.

Taxpayer protections are REQUIRED. NO funds can be spent on administrators' salaries or pensions. Independent Citizens' Oversight & mandatory audits ensure funds are spent properly.

Whether or not you have school-age children, protecting the local quality of education is a wise investment. Good schools protect property values and keep our community strong.

Join teachers, parents, and residents in VOTING YES to support safe, modern Lucia Mar schools.

VOTE YES on Measure "I"!
