

# Party Preference and Political Party Endorsement

On the ballot, the political party preference, or no party preference, as indicated on the candidate's voter registration will be listed next to the candidate's name. The party designation is shown on the ballot for information to the voters only and it does not constitute or imply an endorsement by the party designated. Parties may provide a list of candidates for voter-nominated offices that they have endorsed. Those candidates who have received the official endorsement of the party for printing in this booklet are listed below.

35<sup>th</sup> Assembly District Candidate  
Bill Ostrander

**STATEMENT OF CANDIDATE FOR  
U.S. REPRESENTATIVE, 24<sup>TH</sup> CONGRESSIONAL DISTRICT**

**SALUD CARBAJAL**

**Occupation:** Member of Congress

**Education and Qualifications:** I'm Salud Carbajal. I'm a proud husband, father, and Marine Corps veteran. I was the first in my family to graduate from a University, working two jobs to pay for my education at UCSB. I know what it's like to struggle and work hard to provide for my family, and I'm committed to making sure other families on the Central Coast have the same opportunities I did to get ahead.

I've strived to represent our Central Coast values in my service. I'm proud to have earned endorsements from the Sierra Club and Planned Parenthood for standing up for women's reproductive rights, preserving our environment, and protecting the integrity of our elections.

As a Member of Congress, I've worked with my Democratic and Republican colleagues to find common ground on issues that unite us. I've reached across the aisle to move forward bipartisan legislation that helps create new jobs, addresses the disastrous impacts of climate change, supports our nation's veterans and gold star families, fixes our broken immigration system, and invests in sustainable water infrastructure as our state faces an extended drought.

However, there is more work to be done. I'm willing to tackle the big issues to bring down the cost of health care, not repeal it. I'm fighting to make college more affordable and relieve students of crushing loan debt.

For more information about my campaign, please visit [SaludCarbajal.com](http://SaludCarbajal.com). I hope to earn your support on November 6th. Thank you.

**DECLARACIÓN DEL CANDIDATO PARA  
REPRESENTANTE DE EE. UU., DISTRITO 24 DEL CONGRESO**

**SALUD CARBAJAL**

**Ocupación:** Miembro del Congreso

**Educación y Competencia:** Yo soy Salud Carbajal. Soy un orgulloso esposo, padre y veterano del Cuerpo de Marines de Estados Unidos. Fui el primero de mi familia en graduarse de una Universidad, con dos trabajos para pagar mis estudios en UCSB. Sé lo que es esforzarse y trabajar duro para mantener a mi familia, y me comprometo a asegurarme de que otras familias de la Costa Central tengan las mismas oportunidades que yo tuve para salir adelante.

He luchado para representar los valores de la Costa Central durante mi mandato. Me enorgullece haber obtenido el apoyo de Sierra Club y Planned Parenthood para defender los derechos reproductivos de la mujer, preservar el medioambiente y proteger la integridad de las elecciones.

Como Miembro del Congreso, he colaborado con mis colegas Demócratas y Republicanos para ponernos de acuerdo en problemas que nos unen. Me he unido a mis colegas para proceder con una legislación bipartita para crear nuevos trabajos, abordar el grave impacto del cambio climático, apoyar a los veteranos y a las familias de la "estrella de oro" de nuestro país, arreglar el sistema migratorio arruinado, e invertir en infraestructura sostenible de agua debido a la gran sequía que enfrenta nuestro estado.

Sin embargo, hay mucho trabajo por hacer. Estoy dispuesto a resolver los problemas grandes para reducir el costo de la atención médica, no para revocarlo. Estoy luchando para hacer que la universidad sea más asequible y para liberar a los estudiantes de las devastadoras deudas de préstamos.

Para obtener más información sobre mi campaña, visite [SaludCarbajal.com](http://SaludCarbajal.com). Espero tener su apoyo el 6 de noviembre. Gracias.

**STATEMENT OF CANDIDATE FOR  
MEMBER OF THE STATE ASSEMBLY, 35<sup>th</sup> DISTRICT**

**BILL OSTRANDER**

**Occupation:** Farmer/Nonprofit Advocate

**Education and Qualifications:** Health care is our right, not a privilege. Taking care of one another is right ethically, and using the bargaining power of California's 40 million people to negotiate medical costs is the smart thing to do fiscally. Unless you are an insurance company benefiting from a profit-driven healthcare system, this is a win/win.

A fair election process is our right, not something to be bought. We must remove the corruptive influence of using private funds to elect public officials. The insatiable need for campaign funding ruins conversations about governance, focuses politicians on just the wealthiest among us, and prevents us from achieving the legislative outcomes we need.

Access to higher education is our right, and not the privilege of the wealthy. In fact, we declared this in California's Master Plan for Education and we need to return to that commitment. It is not only right ethically: spending money on universal pre-school, more vocational and art programs for high school and college, internship programs, and affordable education are proven smart investments in our economy.

Access to clean air, water, and food is our right, not the privilege of previous generations. We must use our farming practices to combat global warming by drawing down atmospheric carbon and placing it back in our soil where it can improve fertility and water absorption, reducing our dependence on synthetic fertilizers and chemicals. That makes us all healthier.

This is about all of us. Let's put our best selves forward.

---

**DECLARACIÓN DEL CANDIDATO PARA  
MIEMBRO DE LA ASAMBLEA ESTATAL, DISTRITO 35**

**BILL OSTRANDER**

**Ocupación:** Granjero/Defensor sin Fines de Lucro

**Educación y Competencia:** La atención médica es un derecho, no un privilegio. Cuidarnos los unos a los otros es éticamente correcto, y utilizar el poder de negociación de los 40 millones de habitantes de California para negociar los costos médicos es astuto a nivel fiscal. Todos ganan a menos que usted sea una empresa aseguradora que se beneficia del sistema de salud con fines de lucro.

Un proceso electoral justo es nuestro derecho, no algo que se compra. Tenemos que eliminar la costumbre corrupta de utilizar fondos privados para elegir a los funcionarios públicos. La necesidad insaciable de fondos para las campañas arruina las conversaciones sobre la gobernación, hace que los políticos se enfoquen en los más ricos, y evita que obtengamos los logros legislativos que necesitamos.

El acceso a la educación superior es un derecho y no un privilegio de los ricos. De hecho, establecimos esto en el Plan Maestro de Educación de California, y necesitamos recuperar ese compromiso. No es solo éticamente correcto: el gasto de dinero en educación preescolar universal, más programas vocacionales y artísticos para la escuela secundaria y la universidad, los programas de pasantías, y la educación asequible han demostrado ser inversiones inteligentes en nuestra economía.

El acceso al aire, el agua y la comida limpios es un derecho, no un privilegio de las generaciones anteriores. Debemos utilizar nuestras prácticas agrícolas para combatir el calentamiento global al reducir el carbono en la atmósfera y volver a colocarlo en nuestra tierra, donde puede mejorar la fertilidad y la absorción del agua, reduciendo así la dependencia de fertilizantes sintéticos y químicos. Esto nos hace más sanos a todos.

Esto es para todos. Demos lo mejor de nosotros mismos.

**STATEMENT OF CANDIDATE FOR  
GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 2  
San Luis Coastal Unified School District**

**MARILYN RODGER**

**Occupation:** Incumbent

**Education and Qualifications:** I am privileged to have served as a trustee of the San Luis Coastal Unified School District for the past 16 years. During my tenure, the district has seen periods of greater and lesser revenues. While navigating these waters, my commitment to student achievement and welfare has remained my top priority. District schools have received state and national recognition and student achievement has continued to rise, year over year, even among our most vulnerable groups.

Successful multi-year contracts with our represented employees have been realized during my tenure and I have supported schools of choice such as Pacheco Elementary School, Teach Elementary School and Pacific Peach High School for parents seeking alternative options. As a trustee, I have been mindful that the public dollars dedicated through our Measure D Facilities Bond be spent wisely and with accountability. Each dollar spent will support 21<sup>st</sup> century facilities to serve current and future generations of students.

As we approach the changed economic landscape that the closure of Diablo Canyon brings, I am prepared to make budget decisions always viewed through the lens of having least impact on students and classrooms. I take seriously the trust placed in me and I pledge to work diligently and collegially to support the educational opportunities of all students.

---

**STATEMENT OF CANDIDATE FOR  
GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 2  
San Luis Coastal Unified School District**

**EVELYN FRAME**

**Occupation:** Retired Elementary Teacher

**Education and Qualifications:** I retired this June as an elementary classroom teacher having taught for more than 30 years. That current classroom experience is what motivates me to seek this office. It is the knowledge gained in that experience that impels me to work to ensure that student needs are foremost in every board decision.

Our school district is facing difficult budgetary decisions and we must re-frame school excellence. My strong student advocacy platform: local parent input into the identity of each school, classroom teacher expertise front and center, and fiscal transparency to better engage all community stakeholders.

Our community has high expectations for our schools. We all benefit from excellent teachers and strong community support. I will commit to transparent active engagement with parents, teachers, and staff in order to deepen our collective understanding of student needs. We are a better district and a richer community when all truly means all, and all students are challenged and supported to grow as learners and citizens.

**DECLARACIÓN DE CANDIDATA PARA  
MIEMBRO DE LA JUNTA GUBERNATIVA, ÁREA DE SÍNDICO 2  
Distrito Escolar Unificado San Luis Coastal**

**MARILYN RODGER**

**Ocupación:** Titular

**Educación y Competencia:** Tengo el privilegio de haber prestado servicio como síndico del Distrito Escolar Unificado San Luis Coastal por los últimos 16 años. Durante el desempeño de mi cargo, el distrito ha sido testigo de períodos tanto de mayores como de menores ingresos. Mientras hacía frente a estos desafíos, mi compromiso con el logro estudiantil y el bienestar de los estudiantes ha permanecido como mi principal prioridad. Las escuelas del distrito han recibido el reconocimiento tanto estatal como nacional y el logro estudiantil ha seguido elevándose, año tras año, incluso entre nuestros grupos más vulnerables.

Se han concretado contratos de varios años con nuestros empleados representados durante mi período y he apoyado a las escuelas consideradas como la mejor elección, tales como la Escuela Primaria Pacheco, la Escuela Primaria Teach y la Escuela Secundaria Pacific Peach para padres que buscan opciones alternas. Como síndico, me he preocupado por que los recursos monetarios públicos que se destinan por medio del Bono a Establecimientos conforme a la Iniciativa de Ley D se inviertan de manera sensata y con responsabilidad. Cada dólar gastado apoyará a los establecimientos del siglo 21 para que sirvan a las actuales y futuras generaciones de estudiantes.

A medida que nos vamos aproximando un panorama económico diferente que trae consigo el cierre de Diablo Canyon, estoy preparada para tomar decisiones presupuestarias siempre bajo el lente de que estas impliquen el menor impacto en los estudiantes y en los salones. Me tomo con seriedad la confianza que depositan en mí y me comprometo a trabajar diligentemente y con sincero interés para apoyar las oportunidades educativas de todos los estudiantes.

**EVELYN FRAME**

**Ocupación:** Maestra de Primaria, Jubilada

**Educación y Competencia:** Me jubilé el pasado junio como maestra de grado de primaria; di clases durante más de 30 años. Esa experiencia actual en los salones es lo que me motiva a postularme para este puesto. El conocimiento que obtuve en esa experiencia es el que me impulsa a trabajar para garantizar que las necesidades de los estudiantes sean la prioridad en todas las decisiones de la junta. Nuestro distrito está enfrentando difíciles decisiones presupuestarias y debemos volver a replantear la excelencia escolar. Mi sólida plataforma de defensa de los estudiantes: aportes de los padres de familia locales para formar la identidad de cada escuela, conocimientos especializados como maestra de grado entregada en cuerpo y alma y transparencia fiscal para involucrar mejor a todas las partes de interés en la comunidad.

Nuestra comunidad tiene altas expectativas para nuestras escuelas. Todos nos beneficiamos de tener excelentes maestros y del sólido apoyo comunitario. Mi compromiso se enfocará hacia la participación activa y transparente con padres de familia, maestros y el personal, con el fin de profundizar nuestro conocimiento colectivo de las necesidades de los estudiantes. Somos un distrito mejor y una comunidad más enriquecida cuando el término "todos" verdaderamente engloba a "todos" y a todos los estudiantes se les lanza el desafío y se les da el apoyo para crecer como alumnos y como ciudadanos.

**STATEMENT OF CANDIDATE FOR  
MEMBER OF CITY COUNCIL  
City of Morro Bay**

**DAWN ADDIS**

**Occupation:** Teacher on Special Assignment

**Education and Qualifications:** My passion for the well being of Morro Bay's residents inspires me to run for City Council. I envision a Morro Bay where we protect and promote our coast, build future-ready infrastructure, strengthen our local economy, and have an inclusive community.

Having lived in Morro Bay with my husband and two sons for seventeen years, I appreciate our town's character and believe in our potential.

I have the vision and the will to work for our community's best future. On the Morro Bay Citizens Finance Advisory Committee and Public Friendly Budget Subcommittee, I advocate for a balanced, transparent budget. In our local school district, I develop and manage programs focused on our most at-risk children and families. As a founding organizer of Women's March San Luis Obispo, I engage central coast residents to create constructive change.

Morro Bay needs council members who will take forward-looking action and build bridges for success. I am committed to representing in this way. To this end, I am a member of the Morro Bay Open Space Alliance, Police and Community Together, and the Common Ground Task Force. I am also Spanish-English bilingual.

**STATEMENT OF CANDIDATE FOR  
MEMBER OF CITY COUNCIL  
City of Morro Bay**

**JEFF HELLER**

**Occupation:** Construction Program Manager

**Education and Qualifications:** I am pursuing a council seat because my work experience and educational background will benefit the City of Morro Bay as it moves forward with its expensive sewer project. Additionally, the \$1.5M projected annual general fund deficit as well as rising CalPers commitments create challenging financial issues that threaten the existence of our City. Relaxing building restrictions with the hope that the City can "grow" itself out of red ink is not a reasonable solution. We must tighten our belts and be realistic about what services we can sustain over the long term.

My work experience includes managing several large publicly funded design/construction programs over the past 30+ years, the most recent of which was the \$239M design-build Student Housing Project at Cal Poly State University. The program included nearly 2,700 beds distributed throughout 9 buildings, as well as two 4 story parking structures, 5 retail spaces, and complete underground utilities and streets.

My educational background includes a general contractor's license, an undergraduate degree in Zoology from Pomona College, an MBA from Colorado State University, a Certificate in Building and Construction Management from UCLA.

I ask for your vote on 11/6/18.

City of Morro Bay**

**BETTY WINHOLTZ**

**Age: 66**

**Occupation:** Self-Employed Educator

**Education and Qualifications:** After 32 years as a resident of Morro Bay I am still in love with this community! I am running for elected office to preserve Morro Bay's exceptional quality of life. As a candidate with previous council experience, from 2002-2010, I offer demonstrated financial responsibility. On financial issues I consistently voted to remain within budgetary limits. Our City weathered the 2007 Recession and we passed balanced budget onto the next council. I will vote to end the excessive spending. I offer historical and significant knowledge of the proposed sewer plant as the upgrade and relocation process of the plant began during my tenure on the council. I have come full circle to recognize that if the sewer plant must be relocated it must be done in the least expensive fashion. I value our unique neighborhoods that make us a great small town. Regarding short term rentals: I will vote to make them a constructive part of the economy without being an intrusive burden to our neighborhoods. As a successful self-employed person, I know how to live within my means and believe the City of Morro Bay should learn to do the same with taxpayer dollars.

**JAN GOLDMAN**

**Age: 73**

**Occupation:** Visitor Center Staff / Retired Teacher

**Education and Qualifications:** BA in Social Sciences/ Psychology and a General Education credential from San Jose State University; Special Education/Learning Disabled credential from Long Beach State University

After retiring from the Los Angeles School District, I moved to Morro Bay and focused on becoming involved in my new community. In the 11 years that I have lived here, I've spent time volunteering for many organizations, have worked at the Morro Bay Visitor's Center, and have served on both the city's Public Works Advisory Board and the General Plan Advisory Committee. I was named "Citizen of the Year" for 2017. Now I would like to be on the City Council. I'm running because I love Morro Bay. I love the peaceful ambience of our town. I want Morro Bay to remain a small town known for its natural beauty and outdoor recreation. I also believe it's possible to be both a small town and have a thriving economy. The provision of services and jobs to the people who live here are as important as providing services for tourists. City of Morro Bay**

**JESSE BARRON**

**Age: 40**

**Occupation:** County Plans Examiner / Planning Commissioner

**Education and Qualifications:** I am running for City Council for the City of Morro Bay so that I can utilize the knowledge and experience I have gained in my 20+ years working in public service for the benefit of our community; both in looking towards the future and in honoring our past. My undergraduate and graduate work in Public Administration at CSU Bakersfield, and my six years of active duty in the US Air Force gave me a solid foundation upon which I have built a successful career in the building industry; as a construction superintendent, and more than 14 years in County government as a building inspector and plans examiner. I plan to insist on transparency in your government, and demand accountability from public officials; especially in myself.

My experience on the City of Morro Bay Planning Commission, and the Water Reclamation Facility Citizen Advisory Committee (WRFCAC) has given me insight into the wants and needs of our community; wants and needs I will honor. I will make sound, logical decisions on behalf of all our citizens, and will never be beholden to a partisan ideology.

MIEMBRO DEL CONCEJO MUNICIPAL  
Ciudad de Morro Bay**

**DAWN ADDIS**

**Ocupación:** Maestra de Asignación Especial

**Educación y Competencia:** Mi pasión por el bienestar de los residentes de Morro Bay me inspira a postularme al Concejo Municipal. Imagino una Morro Bay en la que protejamos y promovamos nuestra costa, construyamos una infraestructura lista para el futuro, fortalezcamos nuestra economía local y tengamos una comunidad incluyente.

He vivido diecisiete años en Morro Bay con mi esposo y mis dos hijos, por lo que valoro el carácter de nuestra ciudad y creo en nuestro potencial.

Tengo la visión y la voluntad para trabajar por el mejor futuro de nuestra comunidad. En el Comité Consultivo Financiero de Ciudadanos de Morro Bay y en el Subcomité de Presupuestos Amigables con el Público, abogo por un presupuesto equilibrado y transparente. En nuestro distrito escolar local, desarrollo y manejo programas enfocados en los niños y familias que se encuentran en mayor riesgo. Como organizadora fundadora de la Women's March de San Luis Obispo, involucro a los residentes de la costa central para crear un cambio constructivo.

Morro Bay necesita miembros del concejo que tomen acciones con visión de futuro y construyan puentes hacia el éxito. Me comprometo a representarlo de esta manera. A tal efecto, soy miembro de la Alianza por un Espacio Abierto de Morro Bay, de Policía y Comunidad Juntos y del Grupo de Trabajo de Terreno Común. También soy bilingüe, hablo español e inglés.

**DECLARACIÓN DE LA CANDIDATA PARA  
MIEMBRO DEL CONCEJO MUNICIPAL  
Ciudad de Morro Bay**

**BETTY WINHOLTZ**

**Ocupación:** Educadora Independiente

**Edad:** 66

**Educación y Competencia:** Después de 32 años siendo residente de Morro Bay, ¡sigo enamorada de esta comunidad! Me postulo a un cargo de elección a fin de preservar la excepcional calidad de vida de Morro Bay. Como candidata con experiencia previa en el concejo, de 2002 a 2010, ofrezco una responsabilidad financiera comprobada. Voté continuamente para que se mantuvieran los asuntos financieros dentro de los límites presupuestarios. Nuestra ciudad soportó la recesión de 2007 y aprobamos un presupuesto equilibrado para el siguiente concejo. Votaré para ponerles fin a los gastos excesivos. Ofrezco conocimientos históricos y significativos de la planta de drenaje propuesta, ya que el proceso de modernización y reubicación de la planta inició durante mi período en el concejo. He vuelto al punto de partida para reconocer que si se debe recubicar la planta de drenaje, debe hacerse de la manera menos costosa posible. Valoro nuestros vecindarios únicos que nos convierten en una ciudad grandiosa. Con respecto a los alquileres por cortos periodos, votaré por hacer que sean una parte constructiva de la economía sin que sean una carga molesta para nuestros vecinos. Soy una exitosa persona de empleo independiente, por lo que sé cómo vivir dentro de mis medios y creo que la ciudad de Morro Bay debe aprender a hacer lo mismo con el dinero de los contribuyentes.

**COUNTY OF SAN LUIS OBISPO  
IMPARTIAL ANALYSIS OF MEASURE G-18**

This measure proposes the adoption of an ordinance through the initiative process. If 51% of qualified voters vote to approve the measure, an ordinance will be adopted amending the San Luis Obispo County General Plan, including the Local Coastal Program, and Title 22 and Title 23 of the San Luis Obispo County Code, to prohibit well stimulation treatments and any new petroleum extraction on all land within the unincorporated area of the county. The intended purpose of the measure is to protect county land, water, and quality of life.

Some impacts of the measure are uncertain because it is not known to what extent the banned or limited well stimulation activities are either utilized or necessary to the recovery of oil or gas in the county. The measure bans any new petroleum extraction but permits as a "nonconforming use" any petroleum extraction existing on the effective date of the measure (10 days after the vote approving the measure is declared by the board of supervisors [Elec. Code, § 9122]; hereafter "the effective date"). Such extraction may not be enlarged, increased, or otherwise expanded or intensified after the effective date. The measure prohibits all well stimulation treatments, even those currently existing on the measure's effective date. Well stimulation treatments include fracking and acidizing (acid well stimulation), which can be used, where effective, to enhance recovery of petroleum.

The legality of the measure is uncertain. To the extent the measure regulates drilling operations underground, it may be preempted by state or federal law. San Luis Obispo County retains land use regulation on the surface, but the validity of local land use regulations that impact how wells are operated below ground is not clear. In addition, the measure's regulatory restrictions on certain oil extraction without compensation may result in claims of an unconstitutional "taking" of mineral rights. In order to avoid an unconstitutional taking and county liability, the measure provides authority for the county to grant a limited exemption to the regulations imposed by the measure based on substantial evidence of facts constituting a taking. The procedures for evaluating evidence of a taking and determining the extent of any exemption are not prescribed by the measure. The necessity of utilizing such procedures prior to bringing suit against the county is unknown. Any exemption determination would be subject to judicial review.

The measure requires the county to defend the measure. If the measure is approved, litigation is anticipated. Litigation would likely include claims of preemption and an unlawful taking of private property rights. County resources would be necessary to defend against such claims, and to process taking exemption claims and vested rights claims made by holders of mineral rights.

The measure has been placed on the ballot by the requisite number of voters who signed the initiative petition for the measure. A "yes" vote on the measure is a vote in favor of the measure. A "no" vote is a vote against its adoption.

## FISCAL IMPACT STATEMENT FOR MEASURE G-18

The fiscal impact of Measure G-18 to County revenue and expenditures is inherently difficult to predict due to its intersection with the variable oil market, changing technologies, and potential secondary effects of restricting oil production.

If approved, Measure G-18 prohibits new petroleum extraction and “well stimulation treatment;” existing operations would be allowed to continue as long as they are not expanded or intensified. As stated in Measure G-18, the impacts of petroleum extraction will decrease over time as production from existing wells declines. Additionally, the value of active oil businesses and mineral rights will likely decrease if Measure G is approved, which could impact tax revenue as described below.

Although there may be financial impacts to the County, it is impossible to predict with any certainty what they will be or the net amount. The following fiscal areas would likely be affected if oil extraction decreases:

- **Property Tax:** The assessment of property tax for mineral-producing properties is based on a calculation of oil reserves that the mineral rights holder can access as well as the market price of oil. Restricting the owner’s ability to expand will decrease the value of the mineral rights and thereby decrease taxes.
- **Unitary Tax:** This is similar to property tax except the assessment is calculated by the State rather than the local Assessor. Unitary tax is applied to businesses whose assets cross county boundaries such as transmission lines or pipelines. A decrease in oil production may decrease unitary taxes.
- In Fiscal Year 2017/2018, the oil industry was assessed \$2,304,232 in secured, unsecured and unitary taxes. This represents 0.43% of all assessed taxes for 2017/2018. The taxes were apportioned as follows:

	<u>Amount</u>	<u>Percent of Total Funds</u>
○ Schools -	\$ 1,514,626	(0.283%)
○ County General Fund -	\$ 603,596	(0.113%)
○ Special Districts -	\$ 121,543	(0.023%)
○ Cities -	\$ 20,211	(0.004%)
○ RDA Successor Agencies -	\$ 44,255	(0.008%)

There are other potential financial impacts to the County General Fund which are impossible to estimate, including but not limited to:

- The cost of any environmental damage caused by the oil extraction process. The oil industry is regulated by multiple agencies including the Department of Oil, Gas, and Geothermal Regulation, Environmental Protection Agency, Regional Water Quality Control Board, Air Pollution Control, and the County of San Luis Obispo Planning Department. Although infrequent, even with regulation, oil spills have occurred;
- Any impact to approximately 32 to 76 local oil-industry jobs (source EDD) and the cascading effect to the local economy, including the related consumer spending and associated sales tax;
- County costs for processing applications for exemptions to Measure G-18, including exemptions to avoid unconstitutional takings of property and where there are “vested rights” which may be offset by existing fees;
- Litigation costs defending or opposing exemption approvals or denials;

- Potential litigation costs regarding claims of unconstitutional “takings” of property and/or vested rights. Costs could include monetary awards for damages (the County is not insured against court judgments for “takings” damages).

## ARGUMENT IN FAVOR OF MEASURE G-18

**Beautiful San Luis Obispo County has a bright and prosperous future** if we choose to protect our water, agriculture, and tourism. Fracking, acidizing, and expanded petroleum extraction **put that future at risk.**

**Measure G lets the people decide, not the oil companies.**

- The oil industry has plans to expand drilling in San Luis Obispo County, if we let them.
- They use risky, energy-intensive oil extraction techniques.
- Oil operations, as well as fracking and acidizing, often require transportation and use of toxic chemicals.
- Fracking and expanded drilling pose risks to San Luis Obispo County's water, agricultural heritage, and rural character, and undermine our clean energy future.

**Measure G protects our water quality and quantity.**

- It bans fracking, acidizing, and expanded drilling, which endanger our groundwater, creeks and soil.
- Fracking uses large quantities of fresh water. Our limited water supplies should be conserved for local farmers and residents, not sacrificed to the oil industry.

**Measure G protects our health and safety.**

- Studies reveal toxic chemicals used in fracking and acidizing – and pollution from oil extraction – can cause illnesses such as cancer, birth defects, and asthma.
- Scientists have shown fracking and injection can trigger earthquakes – and we live in an already seismically active area.

**Measure G protects our economic future.**

- **A safe and reliable water supply is essential for a healthy economy.** Reports show:
- **Agriculture** produced \$732 million in crops, contributed \$1.87 billion to the local economy, and supported over 20,000 local jobs in 2011. 2017 crop values totaled nearly \$925 million.
- **Tourism** generated \$75 million in local tax revenue and provided another 20,000 jobs in 2017 alone.

**Measure G is fair and balanced.**

- It prohibits expanded drilling but allows existing oil operations to continue.
- It gives the County flexibility to protect property rights.

**Vote YES on Measure G:** Protect Our Water, Our Health, and Our Future.

## REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE G-18

As citizens who proudly live in San Luis Obispo County, we care deeply about our County's future and strongly oppose Measure G.

**At this time, when our County faces adverse effects due to the closure of Diablo Canyon, Measure G would create more economic uncertainty, hurt our community, and increase our dependence on foreign oil.**

**Measure G would shut down EXISTING oil and gas production.**

- The promoters of this proposition are using scare tactics about fracking to try to pass Measure G. But, there is no hydraulic fracturing in San Luis Obispo County and no plans to do so.
- Measure G is so broadly written that practices safely used for over a century—and which are needed for existing production to continue—would be banned by Measure G.

**Measure G would put the County and its taxpayers at risk for millions of dollars in liability that the County is not insured for.**

- San Luis Obispo County would be on the hook to pay millions of dollars to property owners whose mineral rights would be violated by Measure G—thus facing drastic reductions in vital public services.
- A state judge already held that a similar measure in Monterey County was illegal and resulted in Monterey being exposed to massive legal liability.

Even the County's own impartial analysis cited the risk of litigation resulting from the measure (7/20/2018).

**We need a balanced approach as we transition to a clean energy economy, not the drastic energy shutdown caused by Measure G.**

**Vote NO on G**

**ARGUMENTS AND REBUTTALS CONTINUED ON NEXT PAGE**

## **ARGUMENT AGAINST MEASURE G-18**

Measure G is a costly ballot initiative that would result in another major employer shutting down in our County-hurting local workers and their families and resulting in new economic problems for our County.

### **Measure G would shut down existing oil and gas production.**

- Practices that have been safely used for over a century and are needed for existing production to continue would be banned by Measure G.
- As a result, Measure G would shut down existing oil and gas production in San Luis Obispo County.

### **Measure G would result in more economic uncertainty.**

- Already, the closure of Diablo Canyon is going to put a heavy economic strain on our county budget.
- If oil and gas production is shut down, the county would lose even more tax revenue, which could result in deep budget cuts to public safety and schools.

### **Measure G would harm our families and our community.**

- Hundreds of workers would be at risk of losing their jobs.
- Millions in annual state and local tax revenues would be lost.

### **Measure G would expose the County and its taxpayers to massive financial liability.**

- The County would be required to defend itself against lawsuits over Measure G, which could cost the County millions of dollars in legal fees alone.

### **Measure G would increase dependence on foreign oil.**

- California produces less than 35% of what is needed to meet the demand of gasoline for our drivers.
- Oil that we do not produce locally would have to be imported from somewhere else, including countries that have poor environmental regulations and terrible human rights standards like Saudi Arabia, Iraq and Russia.
- We should allow local producers to help meet our energy needs in the responsible way, under the strictest environmental regulations in the world.

### **Vote NO on G.**

## **REBUTTAL TO ARGUMENT AGAINST MEASURE G-18**

**Big Oil is spending big money to protect their profits while they threaten our water, economy, and health. Know the facts:**

**The “Oil and Gas Shut Down” is a Lie**

- Measure G allows San Luis Obispo County’s existing oil operations to continue (see Section 2B of the Initiative).

**Big Oil is Risking the Heart of San Luis Obispo County’s Economy**

- The County Auditor says oil provides fewer than 80 local jobs and only 0.43% of County-assessed taxes.
- Reports show agriculture and tourism together contribute over 40,000 jobs and billions of dollars to the local economy.
- Agriculture and tourism depend on clean and plentiful water. Groundwater contamination could cause significant economic harm.

**Big Oil is Bullying Voters with Threats of Lawsuits**

- Courts have confirmed local governments have the power to ban new drilling. If we choose to do that, then Big Oil should back off.
- The measure gives the County flexibility to avoid liability for “taking” anyone’s property rights.

**Oil Companies Don’t Care About Our Energy Independence**

- They convinced Congress to lift the ban on oil exports to maximize their profits. They also consistently lobby against clean energy measures that would reduce our reliance on overseas fossil fuels.
- San Luis Obispo County oil is refined and sold throughout California and internationally, not just for local consumption.

**Measure G stops oil companies from passing the risks of fracking and expanded oil production on to the people of San Luis Obispo County. Vote YES on Measure G.**

**END OF ARGUMENTS FOR MEASURE G-18**

**CITY OF MORRO BAY  
IMPARTIAL ANALYSIS OF MEASURE D-18**

Measure D-18 was placed on the November 6, 2018 General Municipal Election Ballot by the Morro Bay City Council. If approved, then the measure adopts a new Chapter 3.70 ("Cannabis Tax") for the Morro Bay Municipal Code to authorize a tax on current and future commercial cannabis operations in the City of Morro Bay. Rough estimates on tax revenue to be generated from *currently* authorized commercial cannabis operations are anywhere from \$25,000 to \$225,000. The revenue will be deposited into the City's General Fund and available for general City purposes, as determined by the City Council.

Measure D-18 is a tax proposal and does not address whether commercial cannabis operations should locate in the City. State law currently allows limited personal cannabis use, possession and cultivation, as well as cannabis businesses in cities that permit them. Morro Bay Ordinance 612 currently provides for a commercial cannabis operations regulatory program, which allows and regulates up to two medical cannabis retail operations and an unlimited number of wholesale medical cannabis distribution operations and medical cannabis deliveries.

Measure D-18 imposes a maximum cannabis tax of no more than 10% of the proceeds of all commercial cannabis operations, and a maximum cannabis tax of no more than \$25 per square foot of commercial cannabis cultivation (with annual adjustment of the cultivation tax upwards based on the consumer price index). The Council will have the authority to set the tax rates within those maximums. The taxes are not sales or use taxes and shall not be calculated or assessed as such. The taxes shall not be separately identified or otherwise specifically assessed or charged to any individual, consumer or customer. The taxes are imposed upon the commercial cannabis operation. A "commercial cannabis operation" includes the cultivation, possession, manufacture, distribution, processing, storing, laboratory testing, packaging, labeling, transportation, delivery, or sale (including retail and wholesale) of cannabis and cannabis products; except, as applicable, for personal cannabis cultivation. "Proceeds" means total revenue and/or money received through the sale of goods and/or services before any deductions or allowances (e.g., rent, cost of goods sold, taxes).

The administrative and operational aspects of the Cannabis Tax are subject to amendment by the Council to further its purposes and intent. The Finance Director is authorized to implement and administer the Cannabis Tax, which also provides penalties and interest for late payments, with a maximum penalty of 25% of the tax due for late payments, and a maximum 10% interest rate on late payments. Measure D-18 provides the Council authority to lower those rates.

Measure D-18 requires approval by a majority of voters. A "Yes" vote approves commercial cannabis operation taxes. A "No" vote disapproves them.

Morro Bay City Attorney

## **ARGUMENT IN FAVOR OF MEASURE D-18**

Measure D-18 will ensure that commercial cannabis businesses operating in the City of Morro Bay will pay their fair share of taxes. These types of businesses must help fund general municipal services, such as police, fire and code enforcement that are necessary for the proper administration and monitoring of their activity.

The imposition of a local excise tax on cannabis businesses will produce an estimated \$25,000 to \$250,000 annually for the General Fund, and it is anticipated that this tax revenue will grow over time as revenues increase.

When added to State-mandated taxes, the cumulative rate should generate enough revenue to cover necessary City regulatory costs without being so high as to encourage illegal sales.

Measure D-18 is fiscally responsible, timely, and prudent. It will ensure that commercial cannabis businesses contribute to the City's costs associated with licensing and regulating these businesses. On behalf of the Morro Bay City Council, we respectfully request a "Yes" vote on Measure D-18.
