CONSOLIDATED PRESIDENTIAL GENERAL ELECTION - NOVEMBER 3, 2020

SAN LUIS OBISPO COUNTY, CALIFORNIA

Instructions to Voters: To vote for all of the electors of a party, fill in the oval next to the names of the presidential and vice presidential candidates of that party. A filled oval next to the name of a party and its presidential and vice presidential candidate, is a vote for all of the electors of that party, but for no other candidates. For all other contests, to vote for a candidate whose name appears on the ballot, fill in the oval next to the candidate's name. To vote for a person whose name is not on the ballot, fill in the oval next to the write-in line and write in the candidate's name. Do not vote for more than the number of candidates allowed. To vote on a measure, fill in the oval next to the word "YES" or the word "NO". Marking the ballot outside of the designated space to vote for a candidate or measure may compromise the secrecy of the ballot. If you tear, deface, or wrongly mark this ballot, return it to get another.

TO VOTE, USE BALLPOINT PEN WITH DARK INK TO FILL IN THE OVAL COMPLETELY LIKE THIS.

The public health situation is serious, and the virus is expected to remain disruptive throughout this election season. By voting from home, you will ensure safety for not only yourself but others as well.

You can help keep voting locations safe for voters and election workers in these three ways:

1 Skip the Line

Return your voted Vote By Mail ballot **by mail** (no postage necessary), at a secure **VBM Ballot Drop Box**, or at a **Voter Service Center**, which will have separate lines for voters dropping off completed ballots.

Voters who can Vote By Mail will help ensure safe physical distancing at voting locations.

2 Vote Early

Voting locations will offer voter registration, replacement ballots, accessible voting machines, and language assistance for four days from October 31st to November 3rd, Election Day.

If you visit a voting location in person, **go before Election Day** to help maintain physical distancing and avoid lines.

Follow Safety Procedures

Protect your health and the health of other voters and election workers at voting locations by taking the following precautions:

VOTING LOCATION SAFETY CHECKLIST

- Wear a face covering** while at the voting location.
- Keep 2 arms' length distance** from other people.
- Use hand sanitizer** before entering and after leaving a Voter Service Center.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

ANDY CALDWELL

Occupation: Government Watchdog

Education and Qualifications: America is the land of freedom, liberty, and opportunity, but it is under attack. I will work to restore and preserve our freedom, rebuild our economy, protect law and order, and bring common sense to Congress on behalf of all residents of San Luis Obispo County.

I grew up poor, the son of an immigrant mother and a father shattered by the torture of the Bataan Death March that led to his premature death when I was 9 years old. The American Dream was my dream and the only hope I had to build a better life.

I am running for Congress because America faces not just one, but multiple crises. Our livelihoods, communities, and freedoms are at risk, putting in jeopardy the well-being of our seniors, veterans, and families. I will stand up for San Luis Obispo County to protect the values and institutions that made America the beacon of hope for generations.

None of this is new for me! I have been a Central Coast watchdog and taxpayer advocate for the past 30 years, leading a non-partisan coalition of labor, agriculture and business working together to fight corruption and waste and to create more opportunity and higher wages for everyone. I have a record of getting things done!

We can protect our homes and our liberty, expand education choices, and rebuild our economy to create more jobs and prosperity for everyone in San Luis Obispo County. However, we will need to work together. Learn more at www.AndyCaldwell2020.com.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

SALUD CARBAJAL

Occupation: Member of Congress

Education and Qualifications: I'm Salud Carbajal, and I'm honored to stand up for our Central Coast values as your representative in Congress.

As a husband, father, and Marine Corps veteran, I am committed to serving our community and country. I attended UCSB while working two jobs to become the first in my family to graduate from a university. My wife, Gina, and I have raised our children here.

I know families are struggling and concerned about the effects of COVID-19 on our health, jobs, and local economy.

I'm working to protect healthcare and ensure it remains affordable and accessible during this pandemic. I helped secure \$77 million to help Central Coast hospitals, clinics, and frontline workers.

I supported emergency aid that brought more than \$1 billion in financial relief for small businesses, farmers, and local governments and retained more than 150,000 jobs.

I will continue working with Republicans and Democrats on solutions for the Central Coast and nation. I'm proud to have worked on legislation that preserves our pristine environment, addresses climate change, and bans offshore oil drilling.

I will keep fighting to create jobs, increase support for veterans, address racial inequality, and promote commonsense gun-safety measures.

I respectfully ask for your vote.

**DECLARACIÓN DE CANDIDATO A
REPRESENTANTE DE EE. UU., DISTRITO 24° DEL CONGRESO**

ANDY CALDWELL

Ocupación: Supervisor del Gobierno

Educación y Competencias: Estados Unidos es la tierra de la libertad, los derechos y las oportunidades, pero se encuentra bajo ataque. Trabajaré para restaurar y preservar nuestra libertad, reconstruir nuestra economía, proteger la ley y el orden y aportar sentido común al Congreso en nombre de todos los residentes del Condado San Luis Obispo.

Me crié en la pobreza, hijo de madre inmigrante y padre abrumado por la tortura de la Marcha de la Muerte de Bataan que lo llevó a su muerte prematura cuando yo tenía 9 años. El Sueño Americano era mi sueño y la única esperanza para construir una vida mejor.

Me postulo para el Congreso porque Estados Unidos se enfrenta no solo a una, sino a múltiples crisis. Nuestros vecindarios, comunidades y libertades están en riesgo, poniendo en peligro el bienestar de nuestras personas mayores, veteranos y familias. Representaré al Condado de San Luis Obispo para proteger los valores y las instituciones que hacen que Estados Unidos sea el faro de esperanza para generaciones.

¡Nada de esto es nuevo para mí! He sido supervisor de la Costa Central y defensor de los contribuyentes durante los últimos 30 años, como líder de una coalición no partidista de trabajo, agricultura y negocios trabajando juntos a fin de combatir la corrupción y el despilfarro y crear más oportunidades y salarios más altos para todos. ¡Tengo una trayectoria de lograr resultados!

Podemos proteger nuestros hogares y nuestros derechos, ampliar las opciones educativas y reconstruir nuestra economía para crear más empleos y prosperidad para todos en el Condado de San Luis Obispo. Sin embargo, debemos trabajar juntos. Conozca más en www.AndyCaldwell2020.com.

**DECLARACIÓN DE CANDIDATO A
REPRESENTANTE DE EE. UU., DISTRITO 24° DEL CONGRESO**

SALUD CARBAJAL

Ocupación: Miembro del Congreso

Educación y Competencias: Soy Salud Carbajal, y me siento honrado de defender los valores de nuestra Costa Central como su representante en el Congreso.

Como esposo, padre de familia y veterano del Cuerpo de la Marina, estoy comprometido con el servicio a nuestra comunidad y nuestro país. Asistí a UCSB mientras trabajaba en dos empleos para ser el primero de mi familia en graduarse de una universidad. Mi esposa, Gina, y yo hemos criado aquí a nuestra familia.

Conozco a ciertas familias que están luchando y se sienten preocupadas por los efectos del COVID-19 en nuestra salud, los empleos y la economía local.

Trabajo para proteger el cuidado de la salud y garantizar que siga siendo asequible y accesible durante esta pandemia. Ayudé a conseguir \$77 millones como colaboración para hospitales, clínicas y trabajadores de la primera línea de la Costa Central.

Respaldé la ayuda de emergencia que aportó más de \$1000 millones en asistencia financiera para los pequeños negocios, la agricultura y gobiernos locales y conservó más de 150,000 empleos.

Seguiré trabajando con los Republicanos y Demócratas en soluciones para la Costa Central y la nación. Me enorgullece haber trabajado en leyes que preservan nuestro medio ambiente prístino, abordan el cambio climático y prohíben la extracción de petróleo en alta mar.

Seguiré luchando para crear empleos, aumentar el apoyo para los veteranos, abordar la desigualdad racial y fomentar medidas de seguridad para el uso de armas basadas en el sentido común.

Con todo respeto le pido su voto.

**STATEMENT OF CANDIDATE FOR
STATE SENATE, 17TH DISTRICT**

JOHN LAIRD

Occupation: California Secretary for Natural Resources

Education and Qualifications: This past March, I received strong support from voters when I ran on a platform that called for dramatic steps to tackle climate change, the affordable housing crisis, the goal of universal healthcare coverage and the need for a more sustainable public education system. Our world has changed in unprecedented ways since then. We are now deeply challenged by a pandemic, the bottom dropped out of our economy, and high-profile incidents of racial injustice have shaken our nation. All of these inter-related issues demand leadership and strong action.

For eight years, I served as Secretary for Natural Resources, working hard on California's climate change efforts, safeguarding agricultural land, leading the state's ocean protection program, and pushing back on federal attempts for more offshore oil drilling. As a Mayor, City Councilmember, Transportation Commissioner, Nonprofit Director and Community College Trustee, I developed experience to tackle the key issues we now face. As an Assemblymember, I authored 82 bills signed into law, on civil rights, environmental protection, first-time homebuyers, community college health services, and more. As Assembly Budget Chair, I navigated difficult fiscal times as I fought for healthcare, education and our environment. I have earned endorsements from teacher, firefighter, nurse and building trades organizations, as well as the League of Conservation Voters, Equality California, Governor Newsom, former Governor Brown, State Schools Superintendent Thurmond and local mayors, county supervisors and school trustees throughout Monterey, San Luis Obispo, Santa Clara and Santa Cruz Counties. I will use my experience, drive and commitment to serve the 17th Senate District. I respectfully ask for your vote. www.LairdforCASenate.com

**STATEMENT OF CANDIDATE FOR
STATE SENATE, 17TH DISTRICT**

VICKI NOHRDEN

Occupation: Businesswoman

Education and Qualifications: I'm Vicki Nohrden. I'm running for State Senate because our state control is out of control. In less than three months, Gavin Newsom issued more than 40 executive orders that changed hundreds of laws without oversight or accountability, shutting down businesses and closing our schools. Sacramento thinks it can force a one-size-fits-all approach on our counties but in the process it fails small businesses, independent contractors, families, and educators, all of whom pay the price.

I stand for freedom and excellence in education. I believe school districts, teachers, and parents, not bureaucrats hundreds of miles away, should be the ones deciding our children's futures. I've spent my public service advocating for people as a Court Appointed Special Advocate (CASA), for families in the justice system, and for taxpayers as a member of the Civil Grand Jury, investigating claims of serious government corruption and mismanagement.

I'm not a career politician with hundreds of thousands of dollars from special interests outside the four counties in our district. I support term limits and oppose Prop 15, one of the biggest tax increases in California history currently on our ballots.

Learn more about me and the issues I want to champion at www.vicki4senate.com.

As our region climbs back from COVID-19, we need fresh vision and leadership, not more tax-and-spend career politicians conducting politics-as-usual in Sacramento. This November vote for new leadership that cares about you and your family, not Sacramento and their special interests. I would be honored to have your vote.

**DECLARACIÓN DE CANDIDATO A
SENADOR DEL ESTADO, DISTRITO 17°**

JOHN LAIRD

Ocupación: Secretario de Recursos Naturales de California

Educación y Competencias: El pasado marzo, recibí un fuerte apoyo de los votantes cuando me postulé en una plataforma que exigía medidas drásticas para hacerle frente al cambio climático, la crisis de vivienda accesible, el objetivo de la cobertura de seguro de salud universal y la necesidad de un sistema de educación pública más sostenible. Desde entonces, nuestro mundo ha cambiado como nunca antes. Ahora, nos enfrentamos al gran desafío de la pandemia, la difícil situación de nuestra economía y los incidentes de injusticia racial con tanta repercusión mediática que han sacudido a nuestra nación. Todos estos problemas interrelacionados exigen liderazgo y una medida enérgica.

Durante ocho años, me desempeñé como Secretario de Recursos Naturales, trabajando arduamente en los esfuerzos de California por el cambio climático, la protección de las tierras agrícolas principales, liderando el programa de protección del océano del estado y rechazando los intentos federales de más extracciones de petróleo en alta mar. Como Alcalde, Miembro del Concejo Municipal, Comisionado de Transporte, Director Sin Fines de Lucro y Administrador de Universidad Comunitaria, desarrollé experiencia para abordar los problemas clave que enfrentamos. Como Asambleísta, redacté 82 proyectos de ley firmados, que incluyen la protección de los derechos civiles, el medio ambiente, los compradores de primera vivienda, los servicios de salud de las universidades comunitarias y más. Como Presidente del Presupuesto de la Asamblea, enfrenté épocas fiscales difíciles al luchar por la atención médica, la educación y nuestro medio ambiente. Cuento con el respaldo de las organizaciones de maestros, bomberos, enfermeras y trabajadores de la construcción, así como de la Liga de Votantes por la Conservación, Equality California, el Gobernador Newsom, el Exgobernador Brown, el Superintendente de Escuelas Estatales Thurmond y alcaldes locales, supervisores de condado y síndicos escolares de los condados de Monterey, San Luis Obispo, Santa Clara y Santa Cruz. Usaré mi experiencia, energía y compromiso para servirle al Distrito de Senado 17°. Respetuosamente le pido su voto. www.LairdforCASenate.com

**DECLARACIÓN DE CANDIDATO A
SENADOR DEL ESTADO, DISTRITO 17°**

VICKI NOHRDEN

Ocupación: Empresaria

Educación y Competencias: Soy Vicki Nohrden. Me postulo para Senadora Estatal porque nuestro control del estado está fuera de control. En menos de tres meses, Gavin Newsom emitió más de 40 órdenes ejecutivas que cambiaron cientos de leyes sin supervisión ni rendición de cuentas, provocando el cierre de negocios y nuestras escuelas. Sacramento piensa que puede imponer un enfoque único en nuestros condados pero en el proceso caen pequeños negocios, contratistas independientes, familias y educadores, todos quienes pagan el precio.

Defiendo la libertad y excelencia en educación. Creo que los distritos escolares, los maestros y padres, no los burócratas a cientos de millas de distancia, deben ser quienes decidan el futuro de nuestros hijos. Dedicé mi servicio público a la defensa de personas como Defensora Especial Designada por el Tribunal (CASA), de familias en el sistema de justicia, y de contribuyentes como miembro del Gran Jurado Civil, investigando reclamos de casos graves de corrupción y mala administración gubernamental.

No soy una política de carrera con cientos de miles de dólares de intereses especiales fuera de los cuatro condados de nuestro distrito. Defiendo los límites de mandatos y me opongo a la Propuesta 15, uno de los mayores aumentos de impuestos en la historia de California que actualmente se encuentra en nuestras boletas.

Conozca más sobre mí y los problemas que quiero resolver en www.vicki4senate.com.

Como nuestra región se está recuperando de COVID-19, necesitamos una visión y liderazgo renovados, basta de políticos de carrera que solo quieren recaudar y gastar, haciendo la misma política de siempre en Sacramento. En noviembre vote por un nuevo liderazgo que se preocupe por usted y su familia, no por Sacramento y sus intereses especiales. Sería un honor contar con su voto.

**STATEMENT OF CANDIDATE FOR
GOVERNING BOARD MEMBER
Atascadero Unified School District**

VY PIERCE

Age:44

Occupation: Parent/Community Volunteer

Education and Qualifications: I am a mom to three school-age children and have spent the last decade volunteering in Atascadero's public schools and nonprofit organizations. I've served as everything from classroom helper to elementary site council member, and a leader in PTA, PTO, and AHS Band Boosters. From an eleven-year career working in the nonprofit sector and from serving on non-profit boards, I know the importance of trust, transparency, and accountability—and to achieve them. I'm also a product of California public schools, from elementary through UC.

Our schools face unprecedented challenges from this Covid-19 pandemic. When discouragement creeps in, I remember all the changes and challenges we've faced from new Common Core curriculum, the school threat in 2015, and to last March when we were all thrown into distance learning. Together, we know how to do hard things. I'll be a fresh voice on the board and look for creative and thoughtful solutions, so our school district can come out of these challenges better than before. I am proud to be endorsed by parents, teachers, business owners, elected officials, and civic leaders. With your help, and your vote, we can build a better future for our kids and our community.

**DECLARACIÓN DE CANDIDATA A
MIEMBRO DE LA JUNTA de Gobierno
Distrito Escolar Unificado de Atascadero**

VY PIERCE

Edad:44

Ocupación: Madre/Voluntaria de la Comunidad

Educación y calificaciones: Soy madre de tres niños en edad escolar y he pasado la última década como voluntaria en las escuelas públicas y organizaciones sin fines de lucro de Atascadero. Ocupé varios cargos, desde asistente del aula hasta concejal de escuelas elementales, y líder en PTA, PTO y AHS Band Boosters. Gracias a una carrera de once años en el sector sin fines de lucro y el desempeño en juntas de organizaciones sin fines de lucro, conozco la importancia de la confianza, la transparencia y la responsabilidad, y cómo lograrlas. También soy producto de las escuelas públicas de California, desde la escuela elemental hasta UC.

Nuestras escuelas enfrentan desafíos sin precedentes por esta pandemia de Covid-19. Cuando el desaliento nos invade, recuerdo todos los cambios y desafíos que hemos enfrentado en el nuevo plan de estudios de Núcleo Común, la amenaza a las escuelas en 2015, y marzo de este año cuando debimos recurrir al aprendizaje a distancia. Juntos, sabemos cómo hacer cosas difíciles. Seré una nueva voz en la junta y buscaré soluciones creativas y consideradas, para que nuestro distrito escolar pueda salir de estos desafíos mejor que antes. Me enorgullece contar con el apoyo de padres, maestros, propietarios de empresas, funcionarios elegidos y líderes cívicos. Con su ayuda, y su voto, podemos construir un futuro mejor para nuestros niños y nuestra comunidad.

INTRODUCTION

The following is the abbreviated form of the bond measure:

“To expand vocational/career education facilities for programs including engineering, technology, robotics, construction trades and agricultural science; improve school security/student safety; upgrade school emergency preparedness; build additional school facilities as needed; and create local construction jobs; shall Atascadero Unified School District’s measure be adopted authorizing \$40 million of bonds with legal interest rates, levies averaging less than five cents per \$100 assessed valuation for 14 years (\$3.3 million/year for bond repayment), annual audits and independent oversight?”

BOND AUTHORIZATION

By approval of this measure by at least 55 percent of the registered voters voting on the measure, the Atascadero Unified School District will be authorized to issue and sell bonds of up to \$40 million in aggregate principal amount at interest rates not to exceed legal limits and to provide financing for the specific types of school facilities projects listed in the Bond Project List described below, subject to all the accountability requirements specified below.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this measure in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following.)

Evaluation of Needs. The School Board has identified detailed facilities needs of the District and has determined which projects to finance from a local bond. The School Board hereby certifies that it has evaluated safety, class size reduction, enrollment growth, and information technology needs in developing the Bond Project List shown below.

Independent Citizens’ Oversight Committee. Following approval of this measure, the Board of Trustees will establish an Independent Citizens’ Oversight Committee, under Education Code Sections 15278 and following, to ensure bond proceeds are expended only on the types of school facilities projects listed below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the School Board.

Performance Audits. The School Board will conduct annual, independent performance audits to ensure that the bond proceeds have been expended only on the school facilities projects listed below.

Financial Audits. The School Board will conduct annual, independent financial audits of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed below.

Government Code Accountability Requirements. As required by Section 53410 of the Government Code, (1) the specific purpose of the bonds is set forth in this Full Text of the Measure, (2) the proceeds from the sale of the bonds will be used only for the purposes

specified in this measure, and not for any other purpose, (3) the proceeds of the bonds, when and if issued, will be deposited into a building fund to be held by the San Luis Obispo County Treasurer, as required by the California Education Code, and (4) the Superintendent of the District shall cause an annual report to be filed with the Board of Trustees of the District not later than January 1 of each year, which report shall contain pertinent information regarding the amount of funds collected and expended, as well as the status of the projects listed in this measure, as required by Sections 53410 and 53411 of the Government Code.

NO TEACHER OR ADMINISTRATOR SALARIES

Proceeds from the sale of bonds authorized by this measure shall be used only for the purposes specified in Article XIII A, Section 1(b)(3), those being for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and the acquisition or lease of school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

STATE MATCHING FUNDS

The following statement is included in this measure pursuant to Education Code Section 15122.5: Approval of this measure does not guarantee that the proposed project or projects that are the subject of bonds under this measure will be funded beyond the local revenues generated by this measure. The District's proposal for the project or projects described below may assume the receipt of matching state funds, which, if available, could be subject to appropriation by the Legislature or approval of a statewide bond measure.

INFORMATION ABOUT ESTIMATES AND PROJECTIONS INCLUDED IN BALLOT

Voters are informed that any estimates, averages or projections in the bond measure, ballot materials and ballot label, including relating to estimated or average tax rates, the duration or term of issued bonds and related tax levies and money raised annually from tax levies to repay issued bonds are provided as informational only. Such amounts are estimates and are not maximum amounts, caps or limitations on the terms of the bonds, the tax rates or duration of the tax supporting repayment of issued bonds. Such estimates depend on numerous variables which are subject to variation and change over the term of the District's overall facilities and bond financing plan, including but not limited to the amount of bonds issued and outstanding at any one time, the interest rates applicable to issued bonds, market conditions at the time of sale of the bonds, when bonds mature, timing of project needs and changes in assessed valuations in the District. As such, while such estimates, averages and approximations are provided based on information currently available to the District and its current expectations, such estimates and approximations are not limitations and are not binding upon the District.

BOND PROJECT LIST

Scope of Projects. Bond proceeds will be expended on the construction, reconstruction, rehabilitation, or replacement of school facilities of the Atascadero Unified School District, including furnishing and equipping, and the acquisition or lease of real property for school facilities, and not for any other purpose, including teacher and administrator salaries or other school operating expenses, in compliance with California Constitution Article XIII A, Section 1(b)(3). This measure authorizes bond projects to be undertaken at all current and future District sites and campuses including:

Atascadero High	Monterey Road Elementary
Atascadero Middle School	San Benito Elementary
Carrisa Plains Elementary	San Gabriel Elementary
Creston Elementary	Santa Margarita Elementary
Paloma Creek High	Santa Rosa Road Academic Academy
Fine Arts Academy	ACE Academy

School Facility Project List. The items presented on the following list provide are the types of projects authorized to be financed with voter-approved bond proceeds. Examples included on this list are not intended to limit the broader types of projects described and authorized by this measure. The types of projects authorized are:

- Expand the District’s vocational/career education programs and facilities, such as engineering, technology, robotics, construction trades, and agricultural
- Upgrade classrooms and educational facilities with up-to-date computers and technology
- Repair and replace roofs
- Make improvements to facilities for emergency preparedness and enhanced security
- Meet handicap accessibility (ADA) requirements in restrooms and classrooms
- Upgrade and replace outdated heating, ventilation, and air-conditioning (HVAC) systems
- Repair, renovate and modernize outdated and aging classrooms and school facilities throughout the District
- Install solar and other energy cost saving systems
- Renovate restrooms throughout the District
- Upgrade playfields and athletic facilities throughout the District
- Replace the swimming pool on the high school campus
- Renovate or construct a multipurpose/cafeteria facility on the high school campus

Furnishing and Equipping/Incidental Costs Authorized. Each of the bond projects described in this Bond Project List include the costs of furnishing and equipping such facilities, and all costs which are incidental but directly related to the types of projects described above.

Examples of incidental costs include, but are not limited to: costs of design, engineering, architect and other professional services, facilities assessments, inspections, site preparation, utilities, landscaping, construction management and other planning and permitting, legal, accounting and similar costs; independent annual financial and performance audits; a customary construction contingency; demolition and disposal of existing structures; the costs of

interim housing and storage during construction including relocation and construction costs incurred relating to interim facilities; rental or construction of storage facilities and other space on an interim basis for materials and other equipment and furnishings displaced during construction; costs of relocating facilities and equipment as needed in connection with the projects; interim classrooms and facilities for students, administrators, and school functions, including modular facilities; federal and state-mandated safety upgrades; addressing unforeseen conditions revealed by construction/modernization and other necessary improvements required to comply with existing building codes, including the Field Act; access requirements of the Americans with Disabilities Act; costs of the election including of legal counsel; project construction oversight, management and administration during the duration of such projects, including by District personnel, and bond issuance costs.

Scope and Nature of Projects. Unforeseen conditions may arise during the course of planning, design and construction resulting in the scope and nature of any of the specific projects described above being altered by the District. In the event that the District determines that a modernization or renovation project is more economical for the District or otherwise in the District's best interests to be undertaken as new construction, this bond measure authorizes said new construction, including land acquisition, relocation, expansion and construction and/or reconstruction, and all costs relating thereto. In addition, this measure authorizes the acquisition of real property, including necessary rights of ways or other real property interests, required to expand District facilities, to provide access to school or other District facilities, or to provide additional school or related facilities. Further, authorized projects include reimbursements for project costs previously paid and paying and/or prepaying interim or previously obtained financing for the types of projects included on the project list. Finally, projects on this list may be undertaken and used as joint use projects with other public agencies.

Bond Funds Limited; Projects Not Listed In Order of Priority. Approval of the District's bond measure does not guarantee that all of the identified projects identified on the Bond Project List will be funded beyond what can be completed with funds generated by this bond measure. The project list may include projects which are not funded with bond proceeds. The District plans to pursue funds from the State of California, if available, to complete certain of the identified facilities projects. The District is unable to anticipate all unforeseen circumstances which may prevent some of the projects listed above from being undertaken or completed. The order in which projects are listed in the foregoing Bond Project List does not suggest an order of priority. Project prioritization is vested in and will be determined by the District Board of Trustees.

IMPARTIAL ANALYSIS OF MEASURE C-20

Bonds are financial instruments used to borrow money. Under the California Constitution, school districts may issue bonds if approved by at least 55 percent of voters within the boundaries of the district who are voting on a measure to authorize the issuance of bonds. The bonds are sold to the public and constitute a debt of the district. The principal and interest on the bonds are repaid by an annual property tax levy on all real property within the jurisdiction of the school district, calculated on the current assessed value of each property (“an *ad valorem* tax”).

The Board of Trustees of the Atascadero Unified School District (“the District”) has placed Measure C-20 on the ballot, proposing the sale of bonds in an amount not to exceed \$40 million. The District’s Tax Rate Statement, included in the voter information guide, which was mailed to voters of the District, reflects an estimate of the maximum property tax levies required to service the bonds.

As legally required, proceeds from the sale of the bonds (i.e., funds generated by the bonds) may only be used for the purposes identified in the measure, including such things as: expansion of certain programs and facilities; improving, repairing, and upgrading classrooms and educational facilities; repairing, renovating and modernizing outdated classrooms and facilities and technology; installing energy cost-savings systems; upgrading of facilities for emergency preparedness and enhanced security; and upgrading athletic grounds and facilities (all as more fully described in the full-text of the measure). The law prohibits the use of bond proceeds to pay for teacher and administrator salaries or other operational expenses.

Approval of the measure does not guarantee that all proposed projects of the District to be improved with bond proceeds will be funded beyond the local revenues generated by the measure. The District’s proposal for the projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

As required by law, the District must follow certain accountability provisions to oversee the funds collected and expended, including the establishment of an independent Citizens’ Oversight Committee, the annual completion of Performance and Financial Audits, and an annual report detailing proceeds received by the sale of the bonds and expenditures made, all requirements of which are reflected in the full text of measure.

The District’s Tax Rate Statement provides the District’s best estimate of the highest tax rate to be levied at an approximate rate of no more than six cents per \$100 (\$60 per \$100,000) of assessed property value per year. The final fiscal year in which the tax is anticipated to be collected is 2034-35.

A “Yes” vote on this measure is a vote in favor of the issuance of \$40 million in general obligation bonds to be used for the purposes set forth in Measure C-20.

A “No” vote on this measure is a vote against the issuance of \$40 million in general obligation bonds for the purposes set forth in Measure C-20.

TAX RATE STATEMENT FOR MEASURE C-20

An election will be held in the Atascadero Unified School District (the "District") on November 3, 2020, to authorize the sale of up to \$40,000,000 in bonds of the District to finance school facilities as described in the measure. If such bonds are authorized and sold, principal and interest on the bonds will be payable only from the proceeds of *ad valorem* tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate which would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on a projection of assessed valuations available at the time of filing of this statement, is \$0.043 per \$100 of assessed valuation (or \$43 per \$100,000 of assessed value). The final fiscal year in which it is anticipated that the tax will be collected is 2034-35.
2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on a projection of assessed valuations available at the time of filing of this statement, is \$0.060 per \$100 of assessed valuation (or \$60 per \$100,000 of assessed value). It is estimated that the year in which the highest tax rate would apply is in fiscal year 2021-22.
3. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is approximately \$46.5 million.

Voters should note the estimated tax rate is based on the assessed value (not market value) of taxable property on the County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts or durations and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary from those used to provide the estimates set forth above, due to factors such as variations in the timing of bond sales, the par amount of bonds sold and market interest rates available at the time of each sale, actual assessed valuations over the term of the bonds, and other factors. The date and amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. The actual interest rates at which the bonds will be sold will depend on conditions in the bond market at the time of sale. Actual future assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

ARGUMENT IN FAVOR OF MEASURE C-20

Ten years ago, our community came together to pass a much-needed bond measure to modernize our local schools. Because of your vote, enormous improvements have been made **to all eleven of our schools**, including a new building at Atascadero Middle School and state-of-the-art science classrooms and shops at Atascadero High School.

Not only were these projects completed on-time and within budget, our school district lived up to **each** of the promises made to protect taxpayers:

- State matching funds were qualified for and obtained
- Independent oversight was required and annual audits were performed
- Funds were prohibited from going to administrators' salaries and benefits
- All money was spent locally and not taken by the state to be spent elsewhere

Now it is time for us to continue our mission. Measure C will complete the remaining essential projects to ensure our schools are safe and secure and provide our children with the critical skills to thrive. These projects include:

- Modernizing and expanding vocational education programs and facilities
- Improving school security and student safety
- Upgrading school emergency preparedness throughout the District

COVID-19 has had a significant impact on our schools and our children. But through it we learned that, no matter the circumstances, Atascadero's teachers and staff are committed to ensuring our children are educated, connected and cared for.

We have also learned that emergencies and crises don't wait. It is critical that we remain prepared in order to provide our children with the best education possible and the absolute greatest chance at a bright future.

Our schools are our community's most valuable public resource. They provide our children with a place to thrive, they protect local property values and they make our community a better place to live. Let's make sure they remain that way. Vote Yes on Measure C.
