OFFICIAL BALLOT

CONSOLIDATED PRESIDENTIAL GENERAL ELECTION - NOVEMBER 3, 2020

SAN LUIS OBISPO COUNTY, CALIFORNIA

Instructions to Voters: To vote for all of the electors of a party, fill in the oval next to the names of the presidential and vice presidential candidates of that party. A filled oval next to the name of a party and its presidential and vice presidential candidate, is a vote for all of the electors of that party, but for no other candidates. For all other contests, to vote for a candidate whose name appears on the ballot, fill in the oval next to the candidate's name. To vote for a person whose name is not on the ballot, fill in the oval next to the write-in line and write in the candidate's name. Do not vote for more than the number of candidates allowed. To vote on a measure, fill in the oval next to the word "YES" or the word "NO". Marking the ballot outside of the designated space to vote for a candidate or measure may compromise the secrecy of the ballot. If you tear, deface, or wrongly mark this ballot, return it to get another.

DEVELOP A SAFE VOTING PLAN

To keep voters and election workers safe and limit the spread of COVID-19, voters are encouraged to vote the VBM ballot sent to them in the mail. The public health situation is serious, and the virus is expected to remain disruptive throughout this election season. By voting from home, you will ensure safety for not only yourself but others as well.

You can help keep voting locations safe for voters and election workers in these three ways:

1 Skip the Line

Return your voted Vote By Mail ballot **by mail** (no postage necessary), at a secure **VBM Ballot Drop Box**, or at a **Voter Service Center**, which will have separate lines for voters dropping off completed ballots.

Voters who can Vote By Mail will help ensure safe physical distancing at voting locations.

2 Vote Early

Voting locations will offer voter registration, replacement ballots, accessible voting machines, and language assistance for four days from October 31st to November 3rd, Election Day.

If you visit a voting location in person, **go before Election Day** to help maintain physical distancing and avoid lines.

Follow Safety Procedures

Protect your health and the health of other voters and election workers at voting locations by taking the following precautions:

VOTING LOCATION SAFETY CHECKLIST

- Wear a face covering** while at the voting location.
- Keep 2 arms' length distance** from other people.
- Use hand sanitizer** before entering and after leaving a Voter Service Center.
- Bring your own ballpoint pen** to avoid touching high-contact surfaces.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

ANDY CALDWELL

Occupation: Government Watchdog

Education and Qualifications: America is the land of freedom, liberty, and opportunity, but it is under attack. I will work to restore and preserve our freedom, rebuild our economy, protect law and order, and bring common sense to Congress on behalf of all residents of San Luis Obispo County.

I grew up poor, the son of an immigrant mother and a father shattered by the torture of the Bataan Death March that led to his premature death when I was 9 years old. The American Dream was my dream and the only hope I had to build a better life.

I am running for Congress because America faces not just one, but multiple crises. Our livelihoods, communities, and freedoms are at risk, putting in jeopardy the well-being of our seniors, veterans, and families. I will stand up for San Luis Obispo County to protect the values and institutions that made America the beacon of hope for generations.

None of this is new for me! I have been a Central Coast watchdog and taxpayer advocate for the past 30 years, leading a non-partisan coalition of labor, agriculture and business working together to fight corruption and waste and to create more opportunity and higher wages for everyone. I have a record of getting things done!

We can protect our homes and our liberty, expand education choices, and rebuild our economy to create more jobs and prosperity for everyone in San Luis Obispo County. However, we will need to work together. Learn more at www.AndyCaldwell2020.com.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

SALUD CARBAJAL

Occupation: Member of Congress

Education and Qualifications: I'm Salud Carbajal, and I'm honored to stand up for our Central Coast values as your representative in Congress.

As a husband, father, and Marine Corps veteran, I am committed to serving our community and country. I attended UCSB while working two jobs to become the first in my family to graduate from a university. My wife, Gina, and I have raised our children here.

I know families are struggling and concerned about the effects of COVID-19 on our health, jobs, and local economy.

I'm working to protect healthcare and ensure it remains affordable and accessible during this pandemic. I helped secure \$77 million to help Central Coast hospitals, clinics, and frontline workers.

I supported emergency aid that brought more than \$1 billion in financial relief for small businesses, farmers, and local governments and retained more than 150,000 jobs.

I will continue working with Republicans and Democrats on solutions for the Central Coast and nation. I'm proud to have worked on legislation that preserves our pristine environment, addresses climate change, and bans offshore oil drilling.

I will keep fighting to create jobs, increase support for veterans, address racial inequality, and promote commonsense gun-safety measures.

I respectfully ask for your vote.

**DECLARACIÓN DE CANDIDATO A
REPRESENTANTE DE EE. UU., DISTRITO 24° DEL CONGRESO**

ANDY CALDWELL

Ocupación: Supervisor del Gobierno

Educación y Competencias: Estados Unidos es la tierra de la libertad, los derechos y las oportunidades, pero se encuentra bajo ataque. Trabajaré para restaurar y preservar nuestra libertad, reconstruir nuestra economía, proteger la ley y el orden y aportar sentido común al Congreso en nombre de todos los residentes del Condado San Luis Obispo.

Me crié en la pobreza, hijo de madre inmigrante y padre abrumado por la tortura de la Marcha de la Muerte de Bataan que lo llevó a su muerte prematura cuando yo tenía 9 años. El Sueño Americano era mi sueño y la única esperanza para construir una vida mejor.

Me postulo para el Congreso porque Estados Unidos se enfrenta no solo a una, sino a múltiples crisis. Nuestros vecindarios, comunidades y libertades están en riesgo, poniendo en peligro el bienestar de nuestras personas mayores, veteranos y familias. Representaré al Condado de San Luis Obispo para proteger los valores y las instituciones que hacen que Estados Unidos sea el faro de esperanza para generaciones.

¡Nada de esto es nuevo para mí! He sido supervisor de la Costa Central y defensor de los contribuyentes durante los últimos 30 años, como líder de una coalición no partidista de trabajo, agricultura y negocios trabajando juntos a fin de combatir la corrupción y el despilfarro y crear más oportunidades y salarios más altos para todos. ¡Tengo una trayectoria de lograr resultados!

Podemos proteger nuestros hogares y nuestros derechos, ampliar las opciones educativas y reconstruir nuestra economía para crear más empleos y prosperidad para todos en el Condado de San Luis Obispo. Sin embargo, debemos trabajar juntos. Conozca más en www.AndyCaldwell2020.com.

**DECLARACIÓN DE CANDIDATO A
REPRESENTANTE DE EE. UU., DISTRITO 24° DEL CONGRESO**

SALUD CARBAJAL

Ocupación: Miembro del Congreso

Educación y Competencias: Soy Salud Carbajal, y me siento honrado de defender los valores de nuestra Costa Central como su representante en el Congreso.

Como esposo, padre de familia y veterano del Cuerpo de la Marina, estoy comprometido con el servicio a nuestra comunidad y nuestro país. Asistí a UCSB mientras trabajaba en dos empleos para ser el primero de mi familia en graduarse de una universidad. Mi esposa, Gina, y yo hemos criado aquí a nuestra familia.

Conozco a ciertas familias que están luchando y se sienten preocupadas por los efectos del COVID-19 en nuestra salud, los empleos y la economía local.

Trabajo para proteger el cuidado de la salud y garantizar que siga siendo asequible y accesible durante esta pandemia. Ayudé a conseguir \$77 millones como colaboración para hospitales, clínicas y trabajadores de la primera línea de la Costa Central.

Respaldé la ayuda de emergencia que aportó más de \$1000 millones en asistencia financiera para los pequeños negocios, la agricultura y gobiernos locales y conservó más de 150,000 empleos.

Seguiré trabajando con los Republicanos y Demócratas en soluciones para la Costa Central y la nación. Me enorgullece haber trabajado en leyes que preservan nuestro medio ambiente prístino, abordan el cambio climático y prohíben la extracción de petróleo en alta mar.

Seguiré luchando para crear empleos, aumentar el apoyo para los veteranos, abordar la desigualdad racial y fomentar medidas de seguridad para el uso de armas basadas en el sentido común.

Con todo respeto le pido su voto.

STATEMENT OF CANDIDATE FOR STATE SENATE, 17TH DISTRICT

JOHN LAIRD

Occupation: California Secretary for Natural Resources

Education and Qualifications: This past March, I received strong support from voters when I ran on a platform that called for dramatic steps to tackle climate change, the affordable housing crisis, the goal of universal healthcare coverage and the need for a more sustainable public education system. Our world has changed in unprecedented ways since then. We are now deeply challenged by a pandemic, the bottom dropped out of our economy, and high-profile incidents of racial injustice have shaken our nation. All of these inter-related issues demand leadership and strong action.

For eight years, I served as Secretary for Natural Resources, working hard on California's climate change efforts, safeguarding agricultural land, leading the state's ocean protection program, and pushing back on federal attempts for more offshore oil drilling. As a Mayor, City Councilmember, Transportation Commissioner, Nonprofit Director and Community College Trustee, I developed experience to tackle the key issues we now face. As an Assemblymember, I authored 82 bills signed into law, on civil rights, environmental protection, first-time homebuyers, community college health services, and more. As Assembly Budget Chair, I navigated difficult fiscal times as I fought for healthcare, education and our environment. I have earned endorsements from teacher, firefighter, nurse and building trades organizations, as well as the League of Conservation Voters, Equality California, Governor Newsom, former Governor Brown, State Schools Superintendent Thurmond and local mayors, county supervisors and school trustees throughout Monterey, San Luis Obispo, Santa Clara and Santa Cruz Counties. I will use my experience, drive and commitment to serve the 17th Senate District. I respectfully ask for your vote. www.LairdforCASenate.com

STATEMENT OF CANDIDATE FOR STATE SENATE, 17TH DISTRICT

VICKI NOHRDEN

Occupation: Businesswoman

Education and Qualifications: I'm Vicki Nohrden. I'm running for State Senate because our state control is out of control. In less than three months, Gavin Newsom issued more than 40 executive orders that changed hundreds of laws without oversight or accountability, shutting down businesses and closing our schools. Sacramento thinks it can force a one-size-fits-all approach on our counties but in the process it fails small businesses, independent contractors, families, and educators, all of whom pay the price.

I stand for freedom and excellence in education. I believe school districts, teachers, and parents, not bureaucrats hundreds of miles away, should be the ones deciding our children's futures. I've spent my public service advocating for people as a Court Appointed Special Advocate (CASA), for families in the justice system, and for taxpayers as a member of the Civil Grand Jury, investigating claims of serious government corruption and mismanagement.

I'm not a career politician with hundreds of thousands of dollars from special interests outside the four counties in our district. I support term limits and oppose Prop 15, one of the biggest tax increases in California history currently on our ballots.

Learn more about me and the issues I want to champion at www.vicki4senate.com.

As our region climbs back from COVID-19, we need fresh vision and leadership, not more tax-and-spend career politicians conducting politics-as-usual in Sacramento. This November vote for new leadership that cares about you and your family, not Sacramento and their special interests. I would be honored to have your vote.

**DECLARACIÓN DE CANDIDATO A
SENADOR DEL ESTADO, DISTRITO 17°**

JOHN LAIRD

Ocupación: Secretario de Recursos Naturales de California

Educación y Competencias: El pasado marzo, recibí un fuerte apoyo de los votantes cuando me postulé en una plataforma que exigía medidas drásticas para hacerle frente al cambio climático, la crisis de vivienda accesible, el objetivo de la cobertura de seguro de salud universal y la necesidad de un sistema de educación pública más sostenible. Desde entonces, nuestro mundo ha cambiado como nunca antes. Ahora, nos enfrentamos al gran desafío de la pandemia, la difícil situación de nuestra economía y los incidentes de injusticia racial con tanta repercusión mediática que han sacudido a nuestra nación. Todos estos problemas interrelacionados exigen liderazgo y una medida enérgica.

Durante ocho años, me desempeñé como Secretario de Recursos Naturales, trabajando arduamente en los esfuerzos de California por el cambio climático, la protección de las tierras agrícolas principales, liderando el programa de protección del océano del estado y rechazando los intentos federales de más extracciones de petróleo en alta mar. Como Alcalde, Miembro del Concejo Municipal, Comisionado de Transporte, Director Sin Fines de Lucro y Administrador de Universidad Comunitaria, desarrollé experiencia para abordar los problemas clave que enfrentamos. Como Asambleísta, redacté 82 proyectos de ley firmados, que incluyen la protección de los derechos civiles, el medio ambiente, los compradores de primera vivienda, los servicios de salud de las universidades comunitarias y más. Como Presidente del Presupuesto de la Asamblea, enfrenté épocas fiscales difíciles al luchar por la atención médica, la educación y nuestro medio ambiente. Cuento con el respaldo de las organizaciones de maestros, bomberos, enfermeras y trabajadores de la construcción, así como de la Liga de Votantes por la Conservación, Equality California, el Gobernador Newsom, el Exgobernador Brown, el Superintendente de Escuelas Estatales Thurmond y alcaldes locales, supervisores de condado y síndicos escolares de los condados de Monterey, San Luis Obispo, Santa Clara y Santa Cruz. Usaré mi experiencia, energía y compromiso para servirle al Distrito de Senado 17°. Respetuosamente le pido su voto. www.LairdforCASenate.com

**DECLARACIÓN DE CANDIDATO A
SENADOR DEL ESTADO, DISTRITO 17°**

VICKI NOHRDEN

Ocupación: Empresaria

Educación y Competencias: Soy Vicki Nohrden. Me postulo para Senadora Estatal porque nuestro control del estado está fuera de control. En menos de tres meses, Gavin Newsom emitió más de 40 órdenes ejecutivas que cambiaron cientos de leyes sin supervisión ni rendición de cuentas, provocando el cierre de negocios y nuestras escuelas. Sacramento piensa que puede imponer un enfoque único en nuestros condados pero en el proceso caen pequeños negocios, contratistas independientes, familias y educadores, todos quienes pagan el precio.

Defiendo la libertad y excelencia en educación. Creo que los distritos escolares, los maestros y padres, no los burócratas a cientos de millas de distancia, deben ser quienes decidan el futuro de nuestros hijos. Dedicé mi servicio público a la defensa de personas como Defensora Especial Designada por el Tribunal (CASA), de familias en el sistema de justicia, y de contribuyentes como miembro del Gran Jurado Civil, investigando reclamos de casos graves de corrupción y mala administración gubernamental.

No soy una política de carrera con cientos de miles de dólares de intereses especiales fuera de los cuatro condados de nuestro distrito. Defiendo los límites de mandatos y me opongo a la Propuesta 15, uno de los mayores aumentos de impuestos en la historia de California que actualmente se encuentra en nuestras boletas.

Conozca más sobre mí y los problemas que quiero resolver en www.vicki4senate.com.

Como nuestra región se está recuperando de COVID-19, necesitamos una visión y liderazgo renovados, basta de políticos de carrera que solo quieren recaudar y gastar, haciendo la misma política de siempre en Sacramento. En noviembre vote por un nuevo liderazgo que se preocupe por usted y su familia, no por Sacramento y sus intereses especiales. Sería un honor contar con su voto.

**STATEMENT OF CANDIDATE FOR
GOVERNING BOARD MEMBER
Paso Robles Joint Unified School District**

CHRIS BAUSCH

Age: 60

Occupation: Parent, Incumbent, MIG

Education and Qualifications: Julie and I raised five successful Bearcats in Paso Robles. Since 1988, I have owned several businesses often employing over fifty people. I am now a business consultant and REALTOR®. As the only Paso Trustee who graduated from the California School Boards Association's MIG/Masters In Governance program, I bring a unique understanding of effective governance, school finance, Ed-Code, bylaws, commonsense, reason, fiscal restraint and, when needed, righteous indignation at board meetings. I am not afraid to speak out, ask tough questions, represent the concerns and suggestions of parents, students, teachers, businesses or voters, especially taxpayers. I volunteer at church, schools, city, county, Main Street Association and Rotary.

During my first term, I collaborated with employees, especially teachers, enhancing our CTE/Career Technical Education, VAPA/Visual and Performing Arts, DI/Dual Immersion, and Counseling programs while eliminating deficit spending, balancing the budget and building a 10% budget reserve. Roblans narrowly approved Measure M to completely rebuild our oldest schools, update remaining elementary sites and build an Aquatics Complex.

My second term was more challenging. While elementary athletics, CTE, Skills USA, student safety, academic rigor/A-G, GATE and VAPA were either restored or significantly enhanced, a lack of good governance and a failure to provide accurate budget projections led to over-hiring, massive deficit spending and purchasing pools we may never build. I alone tried to prevent nearly \$7,000,000 of budget reserve from being erased. Recently, I succeeded in preventing an attempted raid on Measure M construction money for salaries.

California's economy may not recover from the COVID-19 pandemic until 2024. Even with Federal assistance, ongoing budget cuts and deferred payments to schools will continue as Sacramento adjusts to smaller tax revenues. Unfortunately, we may have to consolidate schools, cut staff, salaries and programs. Temporary school closures helped close our budget gap but the cost to our students' education remains unacceptable. While these cuts are expected to be temporary, we must act today to ensure our schools remain locally controlled by Paso Roblans, their elected board and a superintendent of their choice.

Why vote for me? To help families self-determine the best way to educate their children, catch up and keep pace. To demand that our schools reopen safely for in-person learning, tutoring, childcare and to add a Dual Immersion program on the eastside. Vote for me to reduce expenses, stop deficit spending and eliminate the primary cause of wasteful change-orders at our construction sites.

Thank you.

**STATEMENT OF CANDIDATE FOR
GOVERNING BOARD MEMBER
Paso Robles Joint Unified School District**

DORIAN BAKER

Age: 63

Occupation: Retired Public School Teacher, Parent

Education and Qualifications: I am an active and proud parent of four successful Bearcats, one of which currently attends PRHS. I have a B.S. and Teaching Credential from Cal Poly. My career as a public school teacher began in Paso Robles. I taught 1st through 3rd grades at Virginia Peterson Elementary School from the day it opened in 1989 through 2013, when I left to help open Almond Acres Charter Academy, teaching 2nd grade until my retirement in 2016.

Paso School District has recently experienced a tumultuous few years. There was inappropriate and unnecessary hiring of administrative staff; the food services program went from a profitable enterprise to a money pit, losing hundreds of thousands of dollars. A nearly seven million dollar reserve was squandered to less than one million, placing us well below the 3% reserve required by the state. The consequences have positioned our district under the fiscal oversight of the County Office of Education, meaning all district spending must be approved by the county.

Voters approved a school bond including over five million dollars for a pool which would actually cost over ten million.

Staff endured intimidation and retribution for professional opinions that challenged the administration. Students have suffered.

The challenges ahead are significant. The economic impacts of Covid-19, piled on top of our already damaged fiscal situation, has left the district in an extremely difficult situation. Additionally, we have the complex task of reopening our schools for the benefit and welfare of our students and staff. I believe that the decision of when and how to open our schools should be up to our community, not Sacramento. I believe it is vital to have all our students back in school as soon as possible. Parents should make the decision of what is best for their children, distance learning or classroom instruction. Both should be offered.

It's important, especially in today's times, that students learn the true American story, instead of a revisionist history that is attacking and degrading our cultural fabric. While our country has not always lived up to its founding principles, those principles are remarkable, and should be taught, supported, and celebrated.

Our district is blessed with incredible people, facilities, and resources. My three priorities are addressing and improving curricula; the financial situation; and regaining the trust of staff, students, and the community.

With your vote, we will lead the district to success.

Go Bearcats!

LAURA PARKER

Age: 59

Occupation: Retired Public Educator

Education and Qualifications: Strong education builds strong communities. We are facing many unprecedented and unexpected challenges to ensuring meaningful education is accessible to each member of our community. My 30 years experience as a teacher and site administrator in public schools gives me skills and knowledge to make the difficult decisions and take decisive actions to protect the academic, creative, vocational and social emotional development of our children and youth. I will use my experience to be an available, collaborative and active leader for all in our community.

**STATEMENT OF CANDIDATE FOR
GOVERNING BOARD MEMBER
Paso Robles Joint Unified School District**

JOAN SUMMERS

Occupation: Retired School Secretary / Parent / Trustee

Education and Qualifications: I am a 35-year resident, mother of three daughters who graduated from Paso Robles High School. I retired after 26 years as a secretary with the Paso Robles Joint Unified School District.

I firmly believe we need to insure the safe reopening of our schools adhering to our county and state guidelines while taking every precaution necessary to protect our students, teachers, staff and their families. Schools not only provide educational instruction, access to psychological support and mentoring, childcare programs, and meals, but also promote the development of social and emotional skills. I am proud of our District employees who stepped up to continue to provide services to our students during these unprecedented times. I applaud my fellow Board members' decision to approve the purchase of online devices for our students, and to increase the capabilities of internet access to assist Enhanced Distance Learning.

The next several years will present financial challenges to the District with declining enrollment and decreased funding from the State and Federal governments. Research will measure the long term effects of the Coronavirus pandemic in academic gains and the need of an increased level of social and emotional support. As a past employee of the District and current Board member, I have experienced the effects of cuts to programs and staff. If reelected, I will continue to base my decisions on what is best for students and the District. I ask for your vote on November 3rd.

JIM COGAN

Occupation: Business Owner / Parent

Education and Qualifications: I am an active parent of two students in the Paso Robles Joint Unified School District and my family appreciates the great schools, athletics, and extracurricular programs. I am running to be a School Board Trustee with four priorities:

To respond to the Covid-19 pandemic. I will ensure that we develop and maintain a responsible approach to returning students to the classroom full-time as soon as it is possible to ensure the safety of students and staff.

To ensure fiscal responsibility. I will continue the effort to keep the District budget in the black so we can fund a free and appropriate education for all students.

To retain and attract great teachers. It is destabilizing for students to experience a lot of teacher and staff turnover. Teachers and staff are contributing members of our community and their ability to live here improves our schools. It is critical that Paso Robles is a community of choice for great teachers.

To protect sports and extracurricular activities. As the District faces difficult budgetary decisions, I will work to maintain excellence in academics as well as athletics and extracurricular programs in music, art and career training. We have an amazing Skills USA program. As a former high school athlete and youth football coach, I know how valuable these programs are to our students' development.

I am a business owner and am active in the community through my service on the Paso Robles Chamber of Commerce Board of Directors and as an Elder at Highlands Community Church. I believe in the strength of our community. We may be facing tough times, but the amazing thing about our great community is that we come together during adversity. Whether it's supporting law enforcement, helping our neighbors through personal tragedy, or keeping our businesses open, we do it together. You don't have to ask a Roblan twice to help their community. That is why I agreed to run for School Board when friends and neighbors asked me to, and it is why I am asking for your vote. Together we will protect everything that makes this community so great! Go Bearcats!

CAITLIN J. VIERRA

Age: 35

Occupation: Manufacturing Quality Manager / Parent

Education and Qualifications: Education is the most valuable investment we can make in the future of society. My motivation for running for this position is simple, I recognize the value an educated society provides and know I can make an impact in this role. I thank you in advance for considering my qualifications for the governing board member position for the Paso Robles Joint Unified School District.

I went to public school up through high school and then received an engineering degree from Harvey Mudd College in Claremont, California. I have been working in the engineering industry for over 10 years now, where I started in research and development and progressed into manufacturing. Currently, I am working at a local Paso Robles company where I am focused on improving the quality of products and processes with a focus on continuous improvement.

Much of what I have done in my career over the years has prepared me for representing the community in a board of governor elected position. I can identify where to optimize processes and reduce waste. I solve complex problems and manage projects under significant time and budgetary constraints. I successfully move working conversation forward among varied personalities and set measurable outputs to determine success before projects start, preventing creep in timelines and cost. My management duties include functional and cross-functional teams and the hiring of personnel into existing groups. I provide leadership, accountability and transparency.

My peers describe me as honest, passionate, energetic and creative. I am direct but respectful. I value the opinions of others and listen with an open mind. I understand people and their emotions and can communicate with all types. I'm an advocate for others. I am a parent and I value education.

Thank you for considering me for your vote. Together we can make sure our community is represented and move progress forward.

LEONARD WASHINGTON

Occupation: Retired Professor

Education and Qualifications: I have bachelor's degree from Texas Southern University; a master's degree from the University of Santa Clara; and performed post graduate work at the University of San Francisco. These institutions uniquely prepared me for a wide participation in educational endeavor. I taught in junior and senior high school settings, and spent the majority of my teaching (28 years) in community college (San Jose/Evergreen Joint Community College District).

Heeding the call to continue my contribution to students and my community, I served as Governing Board member of Gavilan Joint Community College District for ten years. Those years provided me valuable experience in understanding fiscal responsibility necessary to student learning and institutional stability.

As a candidate for this Board, Paso Robles Joint Unified School District, I seek to continue my educational work, serving students and my community. Join me in this journey to further the District's ongoing efforts to provide students quality education through academic excellence and sound fiscal practices. I thank you for your confidence of a vote.

JIM REED

Occupation: Local Business Owner

Education and Qualifications: I have lived in Paso Robles for over 30 years. My son attended the Paso Robles public school system from kindergarten through high school graduation. This special place we live and the quality of his education propelled him to achieve his bachelor's degree and become a contributing member of society.

I have run my own business for many years. I understand staying within budgets and not spending money you do not have. These are important concepts that previous school boards have lost sight of.

During the next couple of years, the Paso Robles school district is looking at large budget shortfalls. This cannot be ignored but must be addressed now. Previous school boards have mismanaged assets and created this situation. It is imperative that we put people on the school board that understand what we are facing and are willing to make the necessary changes.

I am also extremely concerned with the curriculum in the schools. I feel the school board needs to be much more proactive in monitoring what our students are being taught.

A vote for me will provide a responsible perspective to make the difficult decisions that are facing our school board.

**DECLARACIÓN DE CANDIDATA A
MIEMBRO DE LA JUNTA de Gobierno
Distrito Escolar Unificado Conjunto de Paso Robles**

CHRIS BAUSCH

Edad: 60

Ocupación: Padre, Titular, MIG

Educación y Calificaciones: Julie y yo criamos cinco Bearcats exitosos en Paso Robles. Desde 1988, soy propietario de varios negocios, que con frecuencia emplean a más de cincuenta personas. Ahora soy consultor de negocios y REALTOR®. Como el único Síndico de Paso que se graduó en el programa de MIG/Maestría en Gobierno de la Asociación de Juntas Escolares de California, apporto una comprensión exclusiva del gobierno efectivo, las finanzas escolares, el Código de Educación, los estatutos, el sentido común, la razón, la restricción fiscal y, cuando sea necesario, una indignación honesta en las reuniones de la junta. No tengo miedo de hablar, formular preguntas duras, representar las inquietudes y sugerencias de los padres, estudiantes, maestros, empresas o votantes, especialmente los contribuyentes. Soy voluntario en la iglesia, en escuelas, en la ciudad, en el condado en la Asociación de Main Street y en el Rotary.

Durante mi primer mandato, colaboré con los empleados, especialmente los maestros, para mejorar nuestros programas de CTE/Educación Técnica para la Carrera Profesional, VAPA/Artes Visuales y Escénicas, DI/Inmersión Doble y Consultoría al tiempo que eliminé el gasto de déficit, equilibrando el presupuesto y desarrollando una reserva del 10% del presupuesto. Los ciudadanos de Robles aprobaron ajustadamente la Medida M para reconstruir por completo nuestras escuelas más antiguas, actualizar los sitios restantes de escuelas elementales y construir un Complejo Acuático.

Mi segundo mandato fue más difícil. Si bien el atletismo en la escuela elemental, CTE, Habilidades sobre EE. UU., seguridad de los estudiantes, el rigor académico/A-G, GATE y VAPA se restablecieron o mejoraron significativamente, una falta de buen gobierno y la falta de provisión de proyecciones precisas para el presupuesto ocasionó una contratación excesiva, gastos de déficit masivos y la compra de piscinas que nunca podremos construir. Solo intenté impedir que desaparecieran casi \$7,000,000 de la reserva del presupuesto. Recientemente, logré impedir el intento de un saqueo del dinero de la construcción de la Medida M para salarios.

La economía de California no se recuperará de la pandemia de COVID-19 hasta 2024. Incluso con asistencia federal, los recortes continuos en el presupuesto y la postergación de pagos a las escuelas continuarán mientras Sacramento se ajusta a los menores ingresos impositivos. Desafortunadamente, nos veremos obligados a consolidar escuelas, recortar personal, salarios y programas. Los cierres temporales de las escuelas ayudaron a zanjar la brecha en nuestro presupuesto, pero el costo para la educación de nuestros estudiantes sigue siendo inaceptable. Si bien se espera que los cortes sean temporales, debemos actuar hoy para garantizar que nuestras escuelas mantengan el control local de los ciudadanos de Paso Robles, su junta elegida y un superintendente de su elección.

¿Por qué votar por mí? Para ayudar a las familias a autodeterminar la mejor forma de educar a sus hijos, ponerse al día y mantener el ritmo. Para exigir que nuestras escuelas se vuelvan a abrir de forma segura para el aprendizaje presencial, tutoría, cuidado infantil y para agregar un programa de Inmersión Doble en el lado este. Vote por mí para reducir gastos, detener el gasto de déficit y eliminar la causa principal de órdenes de cambio inútiles en nuestros sitios de construcción.

Gracias.

**DECLARACIÓN DE CANDIDATO A
MIEMBRO DE LA JUNTA de Gobierno
Distrito Escolar Unificado Conjunto de Paso Robles**

DORIAN BAKER

Edad: 63

Ocupación: Maestro Retirado de Escuela Pública, Padre

Educación y Calificaciones: Soy un padre activo y orgulloso de cuatro Bearcats exitosos, y uno de ellos actualmente asiste a PRHS. He obtenido una Licenciatura en Ciencias y una Credencial de Enseñanza de Cal Poly. Mi carrera como maestro de escuelas públicas comenzó en Paso Robles. Enseñé de 1.º a 3.º grado en Virginia Peterson Elementary School desde el día de su inauguración en 1989 hasta 2013, cuando me marché para ayudar a inaugurar Almond Acres Charter Academy, y enseñé 2.º grado hasta mi retiro en 2016.

El Distrito Escolar de Paso recientemente experimentó años difíciles. Hubo contratación inapropiada e innecesaria de personal administrativo, el programa de servicios de alimentos pasó de ser una empresa rentable a un pozo sin fondo, perdiendo cientos de miles de dólares. Una reserva de casi siete millones de dólares se redujo a menos de un millón, colocándonos por debajo de la reserva del 3% requerida por el estado. Las consecuencias han colocado a nuestro distrito bajo la supervisión fiscal de la Oficina de Educación del Condado, lo que significa que todos los gastos del distrito deben ser aprobados por el condado.

Los votantes aprobaron un bono escolar que incluye más de cinco millones para una piscina que en realidad costará más de diez millones.

El personal sufrió intimidación y represalias por opiniones personales que se oponían a la administración. Los estudiantes han sufrido.

Los desafíos futuros son importantes. Los impactos económicos del Covid-19, junto con nuestra situación fiscal ya perjudicada, han dejado al distrito en una situación extremadamente difícil. Adicionalmente, tenemos la tarea compleja de reabrir nuestras escuelas en beneficio y bienestar de nuestros estudiantes y nuestro personal. Creo que la decisión de cuándo y cómo abrir nuestras escuelas debe depender de nuestra comunidad, no de Sacramento. Creo que es esencial que todos nuestros estudiantes regresen a la escuela lo antes posible. Los padres deben tomar la decisión de lo que es mejor para sus hijos, el aprendizaje a distancia o la instrucción en el aula. Se deben ofrecer las dos opciones.

Es importante, especialmente en esta época, que los estudiantes aprendan la verdadera historia estadounidense, en lugar de una historia revisionista que ataca y degrada nuestra esencia cultural. Si bien nuestro país no siempre ha observado nuestros principios fundadores, esos principios son notables, y deben enseñarse, respaldarse y celebrarse.

Nuestro distrito está bendecido por personas, instalaciones y recursos increíbles. Mis tres prioridades son abordar y mejorar los planes de estudios; la situación financiera y recuperar la confianza del personal, los estudiantes y la comunidad.

Con su voto, lideraré el distrito hacia el éxito.

¡Vamos Bearcats!

Ocupación: Psicólogo Escolar de SLCUSD

Educación y Competencias: Creo que todos los niños pueden aprender, y nuestras escuelas pueden ser un modelo de excelencia en educación. Quiero respaldar a nuestros maestros y padres que trabajan juntos para brindarle las mejores prácticas educativas a nuestra comunidad. Paso Robles cuenta con una larga tradición en proporcionar programas educativos de alta calidad a sus estudiantes, y quiero colaborar con el éxito continuo del distrito.

Mis antecedentes incluyen cuarenta años de trabajo en la enseñanza, consultoría y psicología escolar. Obtuve mi Doctorado en Educación en UC Davis en el año 2000 y trabajé como Profesor de Educación. Creo en brindar una programación educativa equitativa para todos los estudiantes de nuestro distrito. Me interesa especialmente la educación multicultural, la igualdad de género, la educación especial y el apoyo a la diversidad dentro de nuestra comunidad. Edad: 59

Ocupación: Educadora Pública Jubilada

Educación y Competencias: Una educación sólida crea comunidades sólidas. Nos enfrentamos a innumerables desafíos inesperados y sin precedentes para garantizar que cada miembro de nuestra comunidad pueda acceder a educación significativa. Mi experiencia de 30 años como maestra y administradora del lugar en escuelas públicas me aportan las habilidades y conocimiento para tomar las decisiones difíciles e implementar medidas determinantes a fin de proteger el desarrollo académico, creativo, vocacional, social y emocional de nuestros niños y jóvenes. Usaré mi experiencia para ser una líder accesible, colaboradora y activa para todos en nuestra comunidad.

JIM COGAN

Ocupación: Propietario de un Negocio/Padre

Educación y Calificaciones: Soy un padre activo de dos estudiantes en el Distrito Escolar Unificado Conjunto de Paso Robles y mi familia aprecia las grandes escuelas, el atletismo y los programas extracurriculares. Me postulo para ser Síndico de la Junta Escolar con cuatro prioridades:

Responder a pandemia del Covid-19. Me aseguraré de que desarrollemos y mantengamos un enfoque responsable para que los estudiantes regresen al aula de tiempo completo en cuanto sea posible para garantizar la seguridad de los estudiantes y del personal.

Garantizar la responsabilidad fiscal. Continuaré el esfuerzo por mantener el presupuesto del Distrito bajo control para que podamos financiar una educación libre y apropiada para todos los estudiantes.

Contratar y atraer a excelentes maestros. Es desestabilizador para los estudiantes experimentar una gran rotación de maestros y personal. Los maestros y el personal son miembros contribuyentes de nuestra comunidad y su capacidad de vivir aquí mejora nuestras escuelas. Es esencial que Paso Robles sea una comunidad de elección para excelentes maestros.

Proteger los deportes y las actividades extracurriculares. Mientras el Distrito enfrenta difíciles decisiones presupuestarias, trabajaré por mantener la excelencia en el aspecto académico, el atletismo y los programas extracurriculares de música, arte y capacitación vocacional. Tenemos un sorprendente programa de Habilidades de EE. UU. Como ex atleta de la escuela secundaria y entrenador de fútbol juvenil, sé lo valiosos que son estos programas para el desarrollo de nuestros estudiantes.

Soy propietario de un negocio y soy activo en mi comunidad mediante mi desempeño en el Directorio de la Cámara de Comercio de Paso Robles y como Presbítero en la Iglesia Comunitaria de Highlands. Creo en la fuerza de nuestra comunidad. Podemos enfrentar tiempos difíciles, pero lo sorprendente de nuestra gran comunidad es que nos unimos durante la adversidad. Ya sea en respaldo de las autoridades de cumplimiento de la ley, en ayudar a nuestros vecinos en una tragedia personal o en mantener los negocios abiertos, lo hacemos juntos. No tenemos que pedirle dos veces a un ciudadano de Paso Robles que ayude a su comunidad. Es por eso que acepté postularme para la Junta Escolar, cuando mis amigos y vecinos me pidieron que lo hiciera y es por eso que pido su voto. ¡Juntos protegeremos todo lo que hace esta comunidad un lugar tan excepcional! ¡Vamos Bearcats!

CAITLIN J. VIERRA

Edad: 35

Ocupación: Gerente de Calidad de Fabricación/Padre

Educación y Calificaciones: La educación es la inversión más valiosa que podemos hacer en el futuro de la sociedad. Mi motivación para postularme para este puesto es simple, reconozco el valor que una sociedad educada proporciona y sé que puedo tener una influencia en este rol. Le agradezco con anticipación por considerar mis calificaciones para el cargo de miembro de la junta gubernativa para el Distrito Escolar Unificado Conjunto de Paso Robles.

Asistí a la escuela pública hasta la escuela secundaria y luego recibí un diploma en ingeniería en Harvey Mudd College en Claremont, California. Trabajo en la industria de la ingeniería desde hace más de 10 años, donde comencé en investigación y desarrollo y progresé hacia fabricación. Actualmente, trabajo en una compañía local de Paso Robles donde me enfoco en mejorar la calidad de los productos y procesos con un enfoque en la mejora continua.

Gran parte de lo que hice en mi carrera a lo largo de los años me ha preparado para representar a la comunidad en un cargo electo de la junta de Gobierno. Puedo identificar dónde optimizar los procesos y reducir el desperdicio. Resuelvo problemas complejos y administro proyectos con restricciones importantes de tiempo y presupuesto. Avanzo con éxito la conversión laboral entre diferentes personalidades y establezco resultados mensurables para determinar el éxito antes de que comiencen los proyectos, impidiendo así las desviaciones en los plazos y en los costos. Mis funciones de administración incluyen equipos funcionales e interfuncionales y la contratación de personal en grupos existentes. Proporciono liderazgo, responsabilidad y transparencia.

Mis pares me describen como honesta, apasionada, energética y creativa. Soy directa pero respetuosa. Valoro las opiniones de los demás y escucho con una mente abierta. Comprendo a las personas y sus emociones y puedo comunicarme con todos los tipos. Soy defensora de los demás. Soy padre y valoro la educación.

Gracias por considerarme para su voto. Juntos podemos asegurarnos de que nuestra comunidad esté representada y progrese.

Esos años me proporcionaron la valiosa experiencia para comprender la responsabilidad fiscal necesaria a fin de obtener la estabilidad institucional y del aprendizaje de los estudiantes.

Como candidato para esta Junta, el Distrito Escolar Unificado Conjunto de Paso Robles, busco seguir con mi trabajo en educación, al servicio de los estudiantes y mi comunidad. JIM REED

Ocupación: Dueño de un Negocio Local

Educación y Competencias: He vivido en Paso Robles durante más de 30 años. Mi hijo asistió al sistema escolar público de Paso Robles desde jardín de infantes hasta la graduación de la escuela secundaria. El lugar especial en el que vivimos y la calidad de su educación lo impulsaron a obtener su licenciatura y convertirse en un miembro contribuyente de la comunidad.

Dirigí mi propio negocio durante muchos años. Sé de mantenerse dentro de los presupuestos y no gastar dinero que uno no tiene. Son conceptos importantes que las anteriores juntas escolares no tuvieron en cuenta.

Durante los próximos años, el distrito escolar Paso Robles se enfrentará a grandes déficits de presupuesto. Esto no se puede ignorar y se debe resolver ahora mismo. Las juntas escolares anteriores han hecho una mala administración de los activos y provocaron esta situación. Es imprescindible que en la junta escolar coloquemos personas que comprendan a lo que nos enfrentamos y que estén dispuestas a realizar los cambios necesarios.

También estoy sumamente preocupado por los planes de estudio de las escuelas. Siento que la junta escolar debe ser más proactiva en el control de lo que se enseña a nuestros estudiantes.

Con su voto obtendremos una perspectiva responsable para tomar las decisiones difíciles que enfrenta nuestra junta escolar.

**STATEMENT OF CANDIDATE FOR
CITY TREASURER
City of El Paso de Robles**

RYAN CORNELL

Age: 37

Occupation: Administrative Services Director

Education and Qualifications: I am honored to have the opportunity to ask for your vote so that I may serve the citizens of Paso Robles as the next City Treasurer. I have been a resident of San Luis Obispo County for over 30 years and am a Cal Poly graduate with a degree in Business Administration. After graduating, I worked as an Audit Manager for a CPA firm which specialized in audits of local governments, community services districts and school districts. I then became the Accounting Manager for the Cities of Arroyo Grande and Santa Maria before coming to the City of Paso Robles, where I have been for the past three years. Overall, I have over 15 years of experience related to the financial activities and aspects of local government. As the Administrative Services Director for the City, I have been able to use my unique skill set to ensure that the City continues to be financially stable by taking a long-term approach to finances as well as understanding the financial challenges. I am seeking your vote to expand my role to include investment of City funds and to ensure accuracy, compliance, and transparency of all City funds.

**CITY OF EL PASO DE ROBLES
IMPARTIAL ANALYSIS OF MEASURE J-20**

Measure J-20, if approved by a majority of Paso Robles voters, will add Chapter 3.11 to the El Paso de Robles Municipal Code and establish a one percent (1.0%) supplemental transaction and use tax (sales tax) within the City, which is equivalent to one cent (1¢) for every \$1.00 spent on taxable goods. The tax would be paid in addition to current sales taxes and would be collected at the same time and in the same manner as existing sales taxes.

Measure J-20 would be a “general tax.” Consequently, all revenue generated from the proposed sales tax would be available for use by the City to pay for City operations and services, such as fire and emergency services, public safety, the repair and maintenance of city streets and sidewalks, school protective services, and other city services. While the City would not be bound to use the tax monies for any special purpose or for any particular facilities or programs, Measure J-20 requires the oversight of expenditures of the sales tax revenue by the City’s Supplemental Tax Oversight Committee. The Oversight Committee may make recommendations to the City Council on the use of the funds generated by the sales tax established by Measure J-20 and is required to make regular reports to the community, confirming that expenditures are all in keeping with approved priorities and have been used for the benefit of the Paso Robles community. Since this ballot measure proposes a “general tax” rather than a “special purpose tax,” it requires approval by a simple majority of the City’s voters.

If approved, Measure J-20 is anticipated to raise approximately \$10,000,000 annually.

The sales tax authorized by Measure J-20 would terminate automatically on the twelfth (12th) anniversary of its operative date, unless repealed prior to that expiration date by the voters of the City. The measure was placed on the ballot by the City Council.

A “yes” vote on Measure J-20 is a vote in favor of authorizing the proposed sales tax.

A “no” vote on Measure J-20 is a vote against authorizing the proposed sales tax.

ARGUMENT IN FAVOR OF MEASURE J-20

Protect Local Control, Public Safety and Essential Services – Vote YES on J-20!

YES on J-20 is essential to our health, safety, and quality of life in Paso Robles.

YES on J-20 will keep Paso Robles safe -- Our Fire Department is able to staff just two 3-person engines and a 2-person paramedic squad. A structure fire, however, can require up to 5 engines; a wildfire many more than that. Over 700 times in just 12 months, both engines were fully engaged; there were no resources available for the next 911 call. Average response times have now increased to over six minutes. Response time metrics are only achieved 56% of the time.

We need J-20. The State continues to early release parolees into our community. As a result, property crime is on the rise, and gang activity from surrounding communities is impacting our local safety. Police calls for service have increased by 40% in the last 5 years alone. We must recruit and retain qualified well-trained officers to meet current and future public safety needs of our community. Over 4,200 times in 12 months, all officers were fully engaged; no more resources were available. Average response times have increased to over 14 minutes.

YES on J-20 continues to address critical infrastructure for safe, well-maintained roads for all, including first responders who need to reach people quickly. Paso Robles is over 130 years old and aging infrastructure must be addressed to protect public safety.

YES on J-20 is fiscally accountable. All Measure J-20 funds are locally controlled for our local needs; NO money can be taken by the State. Measure J-20 includes an independent citizen oversight committee, public disclosure reports of all spending, and annual financial audits.

Join us in voting YES on J-20!

Teknolohiya ng Balota sa Wikang Spanish

Sa tulong ng nagagamit na teknolohiya sa pagmarka ng balota (mga ICX na makina sa pagboto), ang karanasan sa pagboto sa wikang Spanish ay makakatulong sa mga botante sa pagpili at pagmarka sa kanilang mga balota. Magagamit ang mga ito sa opisina ng Klerk ng County-Tagapagtala simula ika-5 ng Oktubre, at sa lahat ng Sentro ng Serbisyo para sa Botante simula Oktubre 31 – ika-3 ng Nobyembre, Araw ng Halalan.

WHY YOUR BALLOT WOULD NOT BE COUNTED

1. Ballot arrives after the deadline.
2. The VBM Return Envelope is not signed.
3. The signature on the VBM Return Envelope does not match the signature on the voter's Affidavit of Registration.
4. The ballot is returned without the I.D. Return Envelope.

VBM Cure Process: New legislation requires the Election Office to send letters to voters who forgot to sign their return envelope or whose signatures did not match their signatures on file so their ballots can be validated and counted.
