IMPORTANT INFORMATION!

Two U.S. Senate Contests on Ballot

The office of U.S. Senate will have **TWO** separate contests on the November 8, 2022, General Election ballot. You may vote on both. The first contest is the regular election for the full 6-year term of office beginning on January 3, 2023 (full term). The second contest is a special vacancy election, since the current officeholder is temporarily filing a vacancy, for the remainder of the term ending on January 3, 2023 (partial/unexpired term).

Redistricting and Voting

To get an updated count of the country's population, the U.S. Constitution requires a federal census every ten years. California uses that census data to redraw the Congressional, State Senate, State Assembly, and State Board of Equalization districts based on population changes. The independent California Citizens Redistricting Commission (CCRC) uses the new census data to redraw the Congressional, State Senate, State Assembly, and State Board of Equalization district boundaries. The boundaries for local districts, such as county supervisorial, school districts, community services districts, special districts, and city council districts, are drawn by those governing bodies and not by the CCRC.

Changes in representation for San Luis Obispo County is as follows:

2011	2022
Congressional	
24th District	19th & 24th Districts
State Assembly	
35th District	30th & 37th Districts
State Senate	
17th District	17th & 21st Districts
Board of Equalization	
2nd District	2nd District

ELECTIONS IN CALIFORNIA

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes - regardless of party preference – move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. The parties may submit a list of the candidates for voter-nominated offices who have received the party's official endorsement, which will be printed in the county voter information guide.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election unless the candidate is one of the two highest voter-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office. Any candidate for a nonpartisan office who receives a majority of the vote (at least 50 percent + 1) in the primary election will be elected to that office and the contest will not appear on the ballot for the general election.

REQUIREMENTS FOR FIRST TIME VOTERS

The Help America Vote Act requires first time federal voters to show identification when voting. You will be required to show your current valid photo I.D. and/or a copy of one of the following that shows your name and address when you go to the polls on election day: Current utility bill, bank statement, government check, government paycheck, or a government document. You will be required to send a copy of one of the above documents with your voted vote-by-mail ballot. If you have questions about your status as a First Time Voter, please contact us.

How Your Vote is Counted

Polling places close at 8:00 pm on Election Night, but it can take a few hours for all locations to report results, and weeks before the final totals are known. Ever wondered why? Here's a quick look at what happens to your ballot after you cast it.

Election Night

- The first results are posted shortly after 8:00 pm - these are the Vote by Mail ballots that were returned and processed early.
- After that, we must wait for the first of the polling places across the county to complete their paperwork, pack up their supplies, and return the ballots - this can take more than an hour.
- As polling places report in, their results are tabulated and compiled into countywide results.
- The posted results are updated periodically throughout the night.
- When all polling places have reported, the Election Night counting is done; however, there are still more ballots to count and a lot more work to do before the results become official (see below).

Ballots counted after Election Day

- **"Last Minute" Vote by Mail Ballots:** Vote by Mail ballots that arrive the day before or on Election Day either by mail, returned at a polling place or deposited in a Ballot Drop Box, are processed, and counted in the days after Election Day and therefore are not included in the election night results reporting.
- **Postmarked Vote by Mail Ballots:** Under California law, ballots may be counted even if they arrive after Election Day, as long as they are received by mail no later than 7 days after the election and are postmarked on or before Election Day.
- **Missing or Mismatched Signature:** A voter's signature on the returned vote-by-mail identification envelope must compare with the signature(s) in the voter's registration record. If the voter did not sign the ballot envelope, or if the elections official has determined that the signature on the envelope does not compare to the signature(s) of the voter in the voter's record, the ROV will, provide the voter with the applicable notice to cure the missing or mismatched signature. This notice must be returned to the ROV no later than 2 days prior to the certification of the election.
- **Provisional Ballots:** These are the last ballots counted because they must be researched and verified; it may take a few weeks, but every valid vote will be counted.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

SALUD CARBAJAL

Occupation: Member of Congress

Education and Qualifications: I'm Salud Carbajal, and as your Representative in Congress, I have continued to advance our Central Coast priorities and deliver for our communities.

I grew up in Ventura County, where my father worked as a farmworker. I attended UCSB while working two jobs to become the first in my family to graduate from a university. I proudly served in the Marine Corps Reserves and as a Santa Barbara County Supervisor. My wife, Gina, and I raised our family here, and now our grandchildren are growing up in this community.

In Congress, I've focused on solving challenges facing Central Coast families by passing laws that will curb inflation, lower your costs, and create good-paying jobs. I've worked to bring home million-dollar investments to expand access to public transit, high-speed internet, and clean drinking water.

I'm proud to have spearheaded efforts to bring long overdue reforms to gun safety laws, expand veterans' health benefits, and reduce the cost of healthcare and prescription drugs. I'm fighting for climate solutions that will tackle wildfire and drought responses. And I will always protect reproductive rights and marriage equality.

I would be honored to continue working for you in Congress.

For more information, please visit SaludCarbajal.com.

I kindly ask for your vote. Thank you.

**DECLARACIÓN DE CANDIDATURA PARA
REPRESENTANTE DEL CONGRESO DE EE. UU., DISTRITO ELECTORAL 24^º**

SALUD CARBAJAL

Ocupación: Miembro del Congreso

Educación y Cualificaciones: Mi nombre es Salud Carbajal, como Representante del Congreso he seguido trabajando en las prioridades de nuestra Costa Central y entregado resultados a nuestras comunidades.

Crecí en el Condado de Ventura, donde mi padre era trabajador del campo. Asistí a la UCSB mientras trabajaba en dos empleos para ser el primero de mi familia en graduarse de una universidad. Serví con orgullo a nuestro país en la Reserva del Cuerpo de Marines y como Supervisor del Condado de Santa Bárbara. Mi esposa Gina y yo criamos aquí a nuestra familia. Ahora nuestros nietos crecen en esta comunidad.

Dentro del Congreso, me he enfocado en resolver los desafíos a los que se enfrentan las familias de la Costa Central. Para ello, he aprobado leyes que disminuirán la inflación, reducirán los costos y generarán empleos bien pagados. He trabajado para conseguir inversiones millonarias con el propósito de expandir el acceso al transporte público, al internet de alta velocidad y al agua purificada.

Estoy orgulloso de haber encabezado los esfuerzos para rescatar reformas muy atrasadas a las leyes de seguridad de armas, expandir los beneficios para la salud de nuestros veteranos y reducir el costo de los servicios a la salud y medicamentos con receta. Estoy luchando por soluciones climáticas que abordarán respuestas a los incendios forestales y sequías. Y siempre protegeré los derechos reproductivos y el matrimonio igualitario.

Sería un honor para mí seguir trabajando para ustedes en el Congreso.

Con todo respeto, le pido su voto. Gracias.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 30th DISTRICT**

DAWN ADDIS

AGE: 50

Occupation: City Councilmember / Teacher

Education and Qualifications: Dear Neighbor,

It has been my privilege to work as a public school teacher for the last 20 years, and to serve my community as a local City Councilmember. As a mother of two and a public servant, I want to help build a brighter future for California and protect the things we love about the Central Coast.

As a City Councilmember, I have worked to reduce homelessness, improve city services and outreach, protect our environment and open space, and support local workers and businesses throughout the COVID-19 pandemic. I am running for State Assembly to advance these values and causes across California, and to be a responsive and effective advocate for the residents of our district.

As a public school teacher, I have worked with children with special needs, and as a bilingual educator, I have helped develop curriculum for students learning English. My classroom experience has taught me that we need more investment across public education, from early childhood education through the UC and CSU systems.

My campaign for State Assembly has been endorsed by more than 300 organizations and leaders, including groups who represent Central Coast firefighters, paramedics, nurses, law enforcement personnel, teachers, school employees, and grocery workers.

I would be honored to earn your vote for State Assembly. If you have questions or thoughts about my campaign, please do not hesitate to call me at (805) 749-3751 or email me at Dawn@DawnAddis.org. www.DawnAddis.org Para español: www.DawnAddis.org/esp

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 30th DISTRICT**

VICKI NOHRDEN

Occupation: Non-Profit Director / Educator / Family Court Advocate

Education and Qualifications: I'm Vicki Nohrden and I'm running to be your voice in the California Assembly. From jobs to education, our legislators are taking us for a ride to the far extremes. Our state government is increasingly ineffective, unbalanced, and out of touch.

Small businesses are struggling to survive. What do legislators do? They introduce legislation to ban independent contractors and impose harmful new regulations, taxes, and fees on businesses throughout the state. Our public schools struggle to provide quality education, leaving students behind. What do legislators do? They prioritize divisive, politically driven measures instead of working to support academic success. Our children are paying the price.

Our state had a \$90 billion budget surplus last year, yet homelessness remains at crisis levels. What do legislators do? Mismanage funding and shirk accountability, preventing the implementation of viable solutions.

I am running for office to help fix our failing model which rewards party loyalty over problem-solving. A proven leader in non-profit and business for over two decades, my public service includes standing up for children, families, and victims of crime while bridging party lines to make local government work for local people. I will take that experience and approach to our state government, working to represent you in the State Assembly.

It's time to bring checks and balances to Sacramento and most importantly, it's time for a leader who listens. Thank you for your vote. Learn more about me at www.ElectVicki.com or email me at Vicki@ElectVicki.Com. Feel free to call me (831) 200-5922.

**DECLARACIÓN DE CANDIDATURA PARA
MIEMBRO DE LA ASAMBLEA ESTATAL, 30° DISTRITO**

VICKI NOHRDEN

Ocupación: Directora de una organización sin fines de lucro, educadora y defensora de la Corte de Familia

Educación y Cualificaciones: Mi nombre es Vicki Nohrden y quiero ser su representante en la Asamblea de California. Ya sea en lo laboral o lo educativo, nuestros legisladores nos han llevado de un extremo a otro. Nuestro gobierno estatal es cada vez más ineficiente, desbalanceado y alejado de la realidad.

Los pequeños negocios están teniendo dificultades para sobrevivir. ¿Qué hacen los legisladores? Aprueban leyes para prohibir a los contratistas independientes e imponen nuevas regulaciones dañinas, impuestos y tarifas a los negocios a lo largo del estado. Nuestras escuelas públicas están teniendo problemas para proveer una educación de calidad, arriesgando el aprendizaje de los estudiantes. ¿Qué hacen los legisladores? Le dan prioridad a medidas divisoras y con trasfondo político, en vez de trabajar para garantizar el éxito académico. Nuestros hijos están pagando las consecuencias.

Nuestro estado tenía un excedente de presupuesto de \$90 mil millones el año pasado. Sin embargo, la tasa de personas sin hogar aún permanece en niveles críticos. ¿Qué hacen los legisladores? Administran mal las finanzas y evaden sus responsabilidades, lo que evita que se implementen soluciones viables.

Me estoy postulando para el cargo para ayudar a corregir nuestro fallido modelo, que pone la lealtad al partido por encima de la resolución de problemas. Como líder en organizaciones sin fines de lucro y en negocios por más de dos décadas, mi servicio al público incluye mantenerme firme en nombre de los niños, las familias y las víctimas del crimen, mientras unifico las líneas del partido para que el gobierno local trabaje para la gente local. Llevaré esa experiencia y acercamiento hacia nuestro gobierno estatal, trabajando para representarlo a usted en la Asamblea Estatal.

Es la hora de mostrar cuentas claras a Sacramento, y, aún más importante, es la hora de tener una líder que escuche. Gracias por su voto. Puede obtener más información sobre mí en www.ElectVicki.com o puede mandarme un correo electrónico a Vicki@ElectVicki.Com. Siéntase en confianza de llamarme al (831) 200-5922.

**STATEMENT OF CANDIDATE FOR
GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 4
San Luis Obispo County Community College District**

ADRIENNE GARCIA-SPECHT

Age: 33

Occupation: Higher Education Professional

Education and Qualifications: I am Adrienne Garcia-Specht, and I am running for the Cuesta College Board of Trustees. I have over a decade of experience in higher education, from working with students as a writing instructor at Cuesta, Allan Hancock, and Syracuse University to seven years as a financial aid counselor at Cal Poly. As a financial aid counselor, I manage several complex financial aid programs and work directly with low-income students to help them achieve their educational and career goals.

I know the barriers students face. I think about students who are parents, veterans, undocumented, homeless, foster youth, students who think college isn't for them. Cuesta College must serve everyone in our diverse community.

As your trustee, I will listen to the community and make sure that Cuesta College meets our needs. I will advocate for Arroyo Grande, Nipomo, and Oceano to guarantee that we have access to high quality college education and career training. I will ensure that Cuesta continues to meet accreditation standards and remains in good financial standing. Together, we can achieve educational excellence for all.

I respectfully ask for your vote.

THE PEOPLE OF THE CITY OF ARROYO GRANDE, CALIFORNIA DO HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Addition of Chapter 3.23. Chapter 3.23 is hereby added to Title 3 of the Arroyo Grande Municipal Code to read as follows:

Chapter 3.23 - TRANSACTIONS AND USE TAX.

3.23.010 - Short title.

This chapter shall be known as the "Transactions and Use Tax" and shall be applicable in the incorporated territory of the City of Arroyo Grande ("city"). This chapter shall complement, and not replace or supersede, the city's existing sales and use tax, as such tax is described in Chapter 3.20 and existing transaction and use tax Chapter 3.22 of Title 3 of the Arroyo Grande Municipal Code.

3.23.020 - Definitions.

For the purpose of this chapter the following words terms shall have the meaning given in this section:

“In the city” means and includes all territory within the city limits.

“Operative Date” means the first day of the first calendar quarter commencing more than 110 days after the later of the adoption of this chapter and the approval by the voters of the city of a measure approving the imposition of an increased transactions and use tax; provided that, if the city shall not have entered into a contract with the California Department of Tax and Fee Administration as required by section 3.11.040 prior to such date, the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

3.23.030 - Purpose.

This chapter of the Arroyo Grande Municipal Code has been adopted for the following purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2, which authorizes the city to adopt this tax. This chapter shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transactions and use tax that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax that imposes a tax and provides a measure therefor that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax that can be administered in a manner that will, to the greatest degree possible, be consistent with the provisions of Part 1.6 of Division 2 of the said Revenue and Taxation Code, and thereby minimize the cost of collecting city transactions and use taxes, and at the same time minimize the burden of record keeping upon persons subject to taxation under the provisions thereof.

3.23.040 - Contract with state.

Prior to the operative date, the city shall contract with the

California Department of Tax and Fee Administration to perform all functions incidental to the administration and operation of this transactions and use tax ordinance. If the city has not contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case, the operative date shall be the first day of the first calendar quarter following the execution of such a contract. The city council may make any technical amendments to this chapter required by the California Department of Tax and Fee Administration, except for any changes affecting the tax rate, tax methodology, or its manner of collection.

3.23.050 - Imposition of transactions and use tax – Rate.

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the city at the rate of one percent (1%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in the city on and after the operative date of this chapter.

3.23.060 - Place of sale.

For the purposes of this chapter, all retail sales are consummated at the place of business of the retailer, unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the state or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

3.23.070 - Imposition of use tax – Use tax rate.

An excise tax is hereby imposed on the storage, use, or other consumption in the city of tangible personal property purchased from any retailer on or after the operative date of this chapter for storage, use or other consumption in said territory at the rate of one percent (1%) of the sales price of the property subject to the tax. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

3.23.080 - Adoption of provisions of state law – Generally.

Except as otherwise provided in the chapter and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with § 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this chapter as though fully set forth herein.

3.23.090 - Adoption of provisions of state law – Limitations; Limitations on collection of use taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefore. However, the substitution shall not be made when:

1. The word “State” is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California;

2. The result of that substitution would require action to be taken by or against this city or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this chapter.

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the state under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

B. The word “city” shall be substituted for the word “State” in the phrase “retailer engaged in business in this State” in Section 6203 and in the definition of that phrase in Section 6203.

3.23.100 - Permit not required.

If a seller’s permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor’s permit shall not be required by this chapter.

3.23.110 - Exemptions and exclusions.

A. Measure of Tax. There shall be excluded from the measure of the transactions and use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax

Law or the amount of any state-administered transactions or use tax.

B. Transactions Tax Exemptions. There are exempted from the computation of the amount of transactions tax the gross receipts from:

1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.

2. Sales of property to be used outside the city which is shipped to a point outside the city, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the city shall be satisfied:

a. With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-city address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and

b. With respect to commercial vehicles, by registration to a place of business out-of-city and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date.

4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date.

5. For the purposes of subsections (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

C. Use Tax Exemptions. There are exempted from the use tax imposed by this chapter, the storage, use or other consumption in this city of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.

2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date.

4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date.

5. For the purposes of subsections (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

D. Exemption from Collection of Use Tax. Except as provided in subsection (E), a retailer engaged in business in the city shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the city or participates within the city in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the city or through any representative, agent, canvasser, solicitor, subsidiary, or person in the city under the authority of the retailer.

E. Retailer Not Exempt from Collection of Use Tax. "A retailer engaged in business in the city" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the city.

F. Credit Against Use Tax for Transactions Tax Paid Elsewhere. Any person subject to use tax under this chapter may credit

against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

3.23.120 - Adoption of amendments to state law.

All amendments subsequent to the effective date of this chapter to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this chapter, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this chapter.

3.23.130 - Enjoining collection prohibited.

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action, or proceeding in any court against the State or the city, or against any officer of the State or the city, to prevent or enjoin the collection hereunder, or Parts 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

3.23.140. Annual Report.

City shall annually mail to each household an annual report, which presents in summary form expenditures from the prior fiscal year from revenue generated from the Transactions and Use Tax and budgeted expenditures for the upcoming fiscal year.

3.23.150. Period Review.

The City Council shall consider reduction or repeal of the Transactions and Use Tax at public hearings every five years after the effective date of this ordinance.

SECTION 2. Use of Tax Proceeds. All proceeds of the tax levied and imposed hereunder shall be accounted for and paid into the City of Arroyo Grande General Fund, and may be used for any lawful purpose as designated by the City Council.

SECTION 3. Effective Date. Pursuant to the California Constitution Article XIII(2)(b) and California Elections Code 9217, if approved by a majority vote of the qualified voters of the City voting on the issue at the November 8, 2022 General Municipal Election, this ordinance shall be deemed valid and binding and shall be considered adopted upon the date that the vote is declared by the City Council, and shall go into effect ten (10) days after that date.

SECTION 4. Severability. The People of the City of Arroyo Grande hereby declare that they would have adopted this Ordinance irrespective of the invalidity of any particular portion thereof and intends that the invalid portions should be severed and the balance of the Ordinance be

IMPARTIAL ANALYSIS OF MEASURE D-22

This ballot measure proposes a general purpose tax that requires a majority vote for adoption. If approved by the voters, it would enact a one percent (1%) transactions and use tax rate on retail sales within the City of Arroyo Grande. This tax will add one cent (1¢) to each one dollar (\$1.00) of taxable sales. It would add Chapter 3.23 to Title 3 of the Arroyo Grande Municipal Code titled "Transactions and Use Tax," and will complement, and not replace or supersede, the City's existing sales and use tax and transaction and use tax in Chapters 3.20 and 3.22, respectively.

The proposed transactions and use tax, like the current sales tax, would be imposed upon the sale of all tangible personal property sold at retail within the City of Arroyo Grande, as well as upon the storage, use, or other consumption of tangible personal property purchased from any retailer within the City of Arroyo Grande. If this measure is approved by the voters, the combined sales tax and transactions and use tax rate within the City of Arroyo Grande will be eight and three quarters percent (8¾%). The proposed tax would be applied equally to residents and nonresidents making retail purchases in the City of Arroyo Grande.

If this measure is approved by the voters, every year the Arroyo Grande City Council will be required to publish and distribute a report to each household within the City setting forth the revenues and expenditures from the proceeds of the one cent tax and shall also be required to hold a public hearing and review the tax every five years to determine whether it is necessary for the tax to remain in effect or if it should be reduced or repealed. The measure was placed on the ballot by the City Council.

Revenues generated from the proposed transactions and use tax are not restricted and would be deposited into the City's General Fund to be used by the City to fund any general City projects, programs, operations and services, including, but not limited to, maintenance, repair and upgrades of the City's streets, sidewalks, stormwater facilities, and other infrastructure, public safety services, and other City programs and facilities.

The tax would be administered by the California Department of Tax and Fee Administration under contract with the City of Arroyo Grande.

If Measure D-22 is approved, it is estimated that revenues from this tax will generate approximately \$5,600,000 annually.

A "yes" vote on Measure D-22 is a vote in favor of authorizing the proposed sales tax.

A "no" vote on Measure D-22 is a vote against authorizing the proposed sales tax.

The above statement is an impartial analysis of Ordinance 715, Measure D-22. If you desire a copy of the ordinance or measure, please call the City Clerk's office at (805) 473-5418 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE D-22

Your “YES” vote on Measure D-22 will provide important funding to meet local needs. The City has maintained its current level of service by increasing the efficiency of its operations; however, it cannot keep up with rapidly increasing public improvement costs and new State mandates, and the City has reached a point where existing revenues cannot fund important projects. If passed, Measure D-22 will generate approximately \$5 million in additional annual revenue to ensure ongoing services and public improvements to benefit City residents, businesses, and visitors.

Of the current 7.75% sales tax rate, our City receives only 1%. Your “YES” vote will raise the current rate to allow the City to receive 2% and thus provide for the community’s increasingly underfunded capital improvement and public facility maintenance needs, including:

- Street Repairs;
- Concrete (Sidewalk) Repairs;
- Potholes;
- Stormwater and Drainage Maintenance;

And other needed City programs and facilities.

Your “YES” vote will result in safer streets and sidewalks, and more rehabilitation of aging storm drains. Everyone who utilizes our infrastructure and services should contribute to these needs, including those who live outside of the City. Your “YES” vote provides the most fair and economical way to ensure this happens.

Your City government will be held accountable. Citizens will receive an annual report on the tax revenue received and how it is spent. The City Council will conduct a public hearing every five years to evaluate the success and effectiveness of the tax.

Measure D-22 is important to meet current and future needs, maintain City infrastructure, and preserve quality of life for our community. Your City Council urges you to vote “YES” on Measure D-22.

Did You Know...

...that all dogs in the County of San Luis Obispo over the age of 4 months are required to be licensed?

If you haven't done so already, licensing your dog is easy! You can download a license application in the "Forms" section at: www.sloanimalservices.com and mail it in. You can also license your dog online at www.petdata.com, or come into the Animal Services office at 885 Oklahoma Ave. in San Luis Obispo.

WHY LICENSE YOUR DOG?

- ◆ Your dog's license is his ticket home if he is ever picked up running at large. Animal Control Officers would rather reunite you with your pet than impound him. If he's wearing a current license, they'll bring him home instead of to the shelter.
- ◆ License revenues help support Animal Services efforts to address the needs of homeless and neglected pets and to resolve our community's animal related problems.
- ◆ It's the law.

HELPFUL INFORMATION FOR LICENSING YOUR DOG

- ◆ State law requires all dogs to have a current rabies vaccination before they can be licensed. If your dog doesn't have license information on file with Animal Services, you will need to submit it with your application.
- ◆ By law, the duration of your dog's license validity cannot exceed the expiration date of his current rabies vaccine.
- ◆ The metal tag your vet gives you when your pet is vaccinated *is not* a license tag.
- ◆ License fees are significantly discounted if your dog has been spayed or neutered.

Avoid possible citations and fines by licensing your dog today!

San Luis Obispo County Fire Needs YOU!

Paid Call Firefighter (PCF) Program

CAL FIRE / San Luis Obispo County Fire is a combination department that uses both career and paid-call firefighters in reaching our mission. We refer to the Paid Call Firefighters (PCF's) because they are financially reimbursed for each call to which they respond. Paid Call Firefighters provide fire protection, emergency medical service, hazardous materials responses and other services to the communities in which they live and/or work.

Paid Call Firefighters join the fire department for opportunities to contribute to the community, learn new skills to save lives and property and for camaraderie. Many are future career firefighters honing their skills while waiting for a full time position. Others come from the community with the united mission of making a difference in the community they serve. Paid Call Firefighters (PCF's) are a cost-efficient method used to increase staffing and provide elevated levels of service.

San Luis Obispo County Fire is actively recruiting Paid Call Firefighters to help protect their community. Paid Call Firefighters respond to emergencies from their home or work. If you are interested in becoming a Paid Call Firefighter (volunteer), please contact the CAL FIRE/San Luis Obispo County Fire station closest to your home. Station information is located at www.calfireslo.org.

WHY YOUR BALLOT WOULD NOT BE COUNTED

1. Ballot arrives after the deadline.
2. The VBM Return Envelope is not signed.
3. The signature on the VBM Return Envelope does not match the signature on the voter's Affidavit of Registration.
4. The ballot is returned without the I.D. Return Envelope.

VBM Cure Process: The law requires the Election Office to send a letter and verification form to voters who forgot to sign their return envelope or whose signatures did not match their signatures on file. In order for these ballots to be counted, voters must sign and return their form prior to the deadline.

VOTE-BY-MAIL LOOK-UP ON THE WEB: Check the status of your returned VBM ballot on the Internet at:
