IMPORTANT INFORMATION!

Two U.S. Senate Contests on Ballot

The office of U.S. Senate will have **TWO** separate contests on the November 8, 2022, General Election ballot. You may vote on both. The first contest is the regular election for the full 6-year term of office beginning on January 3, 2023 (full term). The second contest is a special vacancy election, since the current officeholder is temporarily filing a vacancy, for the remainder of the term ending on January 3, 2023 (partial/unexpired term).

Redistricting and Voting

To get an updated count of the country's population, the U.S. Constitution requires a federal census every ten years. California uses that census data to redraw the Congressional, State Senate, State Assembly, and State Board of Equalization districts based on population changes. The independent California Citizens Redistricting Commission (CCRC) uses the new census data to redraw the Congressional, State Senate, State Assembly, and State Board of Equalization district boundaries. The boundaries for local districts, such as county supervisorial, school districts, community services districts, special districts, and city council districts, are drawn by those governing bodies and not by the CCRC.

Changes in representation for San Luis Obispo County is as follows:

2011	2022
Congressional	
24th District	19th & 24th Districts
State Assembly	
35th District	30th & 37th Districts
State Senate	
17th District	17th & 21st Districts
Board of Equalization	
2nd District	2nd District

ELECTIONS IN CALIFORNIA

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes - regardless of party preference – move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. The parties may submit a list of the candidates for voter-nominated offices who have received the party's official endorsement, which will be printed in the county voter information guide.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election unless the candidate is one of the two highest voter-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office. Any candidate for a nonpartisan office who receives a majority of the vote (at least 50 percent + 1) in the primary election will be elected to that office and the contest will not appear on the ballot for the general election.

REQUIREMENTS FOR FIRST TIME VOTERS

The Help America Vote Act requires first time federal voters to show identification when voting. You will be required to show your current valid photo I.D. and/or a copy of one of the following that shows your name and address when you go to the polls on election day: Current utility bill, bank statement, government check, government paycheck, or a government document. You will be required to send a copy of one of the above documents with your voted vote-by-mail ballot. If you have questions about your status as a First Time Voter, please contact us.

How Your Vote is Counted

Polling places close at 8:00 pm on Election Night, but it can take a few hours for all locations to report results, and weeks before the final totals are known. Ever wondered why? Here's a quick look at what happens to your ballot after you cast it.

Election Night

- The first results are posted shortly after 8:00 pm - these are the Vote by Mail ballots that were returned and processed early.
- After that, we must wait for the first of the polling places across the county to complete their paperwork, pack up their supplies, and return the ballots - this can take more than an hour.
- As polling places report in, their results are tabulated and compiled into countywide results.
- The posted results are updated periodically throughout the night.
- When all polling places have reported, the Election Night counting is done; however, there are still more ballots to count and a lot more work to do before the results become official (see below).

Ballots counted after Election Day

- **"Last Minute" Vote by Mail Ballots:** Vote by Mail ballots that arrive the day before or on Election Day either by mail, returned at a polling place or deposited in a Ballot Drop Box, are processed, and counted in the days after Election Day and therefore are not included in the election night results reporting.
- **Postmarked Vote by Mail Ballots:** Under California law, ballots may be counted even if they arrive after Election Day, as long as they are received by mail no later than 7 days after the election and are postmarked on or before Election Day.
- **Missing or Mismatched Signature:** A voter's signature on the returned vote-by-mail identification envelope must compare with the signature(s) in the voter's registration record. If the voter did not sign the ballot envelope, or if the elections official has determined that the signature on the envelope does not compare to the signature(s) of the voter in the voter's record, the ROV will, provide the voter with the applicable notice to cure the missing or mismatched signature. This notice must be returned to the ROV no later than 2 days prior to the certification of the election.
- **Provisional Ballots:** These are the last ballots counted because they must be researched and verified; it may take a few weeks, but every valid vote will be counted.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

SALUD CARBAJAL

Occupation: Member of Congress

Education and Qualifications: I'm Salud Carbajal, and as your Representative in Congress, I have continued to advance our Central Coast priorities and deliver for our communities.

I grew up in Ventura County, where my father worked as a farmworker. I attended UCSB while working two jobs to become the first in my family to graduate from a university. I proudly served in the Marine Corps Reserves and as a Santa Barbara County Supervisor. My wife, Gina, and I raised our family here, and now our grandchildren are growing up in this community.

In Congress, I've focused on solving challenges facing Central Coast families by passing laws that will curb inflation, lower your costs, and create good-paying jobs. I've worked to bring home million-dollar investments to expand access to public transit, high-speed internet, and clean drinking water.

I'm proud to have spearheaded efforts to bring long overdue reforms to gun safety laws, expand veterans' health benefits, and reduce the cost of healthcare and prescription drugs. I'm fighting for climate solutions that will tackle wildfire and drought responses. And I will always protect reproductive rights and marriage equality.

I would be honored to continue working for you in Congress.

For more information, please visit SaludCarbajal.com.

I kindly ask for your vote. Thank you.

**DECLARACIÓN DE CANDIDATURA PARA
REPRESENTANTE DEL CONGRESO DE EE. UU., DISTRITO ELECTORAL 24^º**

SALUD CARBAJAL

Ocupación: Miembro del Congreso

Educación y Cualificaciones: Mi nombre es Salud Carbajal, como Representante del Congreso he seguido trabajando en las prioridades de nuestra Costa Central y entregado resultados a nuestras comunidades.

Crecí en el Condado de Ventura, donde mi padre era trabajador del campo. Asistí a la UCSB mientras trabajaba en dos empleos para ser el primero de mi familia en graduarse de una universidad. Serví con orgullo a nuestro país en la Reserva del Cuerpo de Marines y como Supervisor del Condado de Santa Bárbara. Mi esposa Gina y yo criamos aquí a nuestra familia. Ahora nuestros nietos crecen en esta comunidad.

Dentro del Congreso, me he enfocado en resolver los desafíos a los que se enfrentan las familias de la Costa Central. Para ello, he aprobado leyes que disminuirán la inflación, reducirán los costos y generarán empleos bien pagados. He trabajado para conseguir inversiones millonarias con el propósito de expandir el acceso al transporte público, al internet de alta velocidad y al agua purificada.

Estoy orgulloso de haber encabezado los esfuerzos para rescatar reformas muy atrasadas a las leyes de seguridad de armas, expandir los beneficios para la salud de nuestros veteranos y reducir el costo de los servicios a la salud y medicamentos con receta. Estoy luchando por soluciones climáticas que abordarán respuestas a los incendios forestales y sequías. Y siempre protegeré los derechos reproductivos y el matrimonio igualitario.

Sería un honor para mí seguir trabajando para ustedes en el Congreso.

Con todo respeto, le pido su voto. Gracias.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 30th DISTRICT**

DAWN ADDIS

AGE: 50

Occupation: City Councilmember / Teacher

Education and Qualifications: Dear Neighbor,

It has been my privilege to work as a public school teacher for the last 20 years, and to serve my community as a local City Councilmember. As a mother of two and a public servant, I want to help build a brighter future for California and protect the things we love about the Central Coast.

As a City Councilmember, I have worked to reduce homelessness, improve city services and outreach, protect our environment and open space, and support local workers and businesses throughout the COVID-19 pandemic. I am running for State Assembly to advance these values and causes across California, and to be a responsive and effective advocate for the residents of our district.

As a public school teacher, I have worked with children with special needs, and as a bilingual educator, I have helped develop curriculum for students learning English. My classroom experience has taught me that we need more investment across public education, from early childhood education through the UC and CSU systems.

My campaign for State Assembly has been endorsed by more than 300 organizations and leaders, including groups who represent Central Coast firefighters, paramedics, nurses, law enforcement personnel, teachers, school employees, and grocery workers.

I would be honored to earn your vote for State Assembly. If you have questions or thoughts about my campaign, please do not hesitate to call me at (805) 749-3751 or email me at Dawn@DawnAddis.org. www.DawnAddis.org Para español: www.DawnAddis.org/esp

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 30th DISTRICT**

VICKI NOHRDEN

Occupation: Non-Profit Director / Educator / Family Court Advocate

Education and Qualifications: I'm Vicki Nohrden and I'm running to be your voice in the California Assembly. From jobs to education, our legislators are taking us for a ride to the far extremes. Our state government is increasingly ineffective, unbalanced, and out of touch.

Small businesses are struggling to survive. What do legislators do? They introduce legislation to ban independent contractors and impose harmful new regulations, taxes, and fees on businesses throughout the state. Our public schools struggle to provide quality education, leaving students behind. What do legislators do? They prioritize divisive, politically driven measures instead of working to support academic success. Our children are paying the price.

Our state had a \$90 billion budget surplus last year, yet homelessness remains at crisis levels. What do legislators do? Mismanage funding and shirk accountability, preventing the implementation of viable solutions.

I am running for office to help fix our failing model which rewards party loyalty over problem-solving. A proven leader in non-profit and business for over two decades, my public service includes standing up for children, families, and victims of crime while bridging party lines to make local government work for local people. I will take that experience and approach to our state government, working to represent you in the State Assembly.

It's time to bring checks and balances to Sacramento and most importantly, it's time for a leader who listens. Thank you for your vote. Learn more about me at www.ElectVicki.com or email me at Vicki@ElectVicki.Com. Feel free to call me (831) 200-5922.

**DECLARACIÓN DE CANDIDATURA PARA
MIEMBRO DE LA ASAMBLEA ESTATAL, 30° DISTRITO**

VICKI NOHRDEN

Ocupación: Directora de una organización sin fines de lucro, educadora y defensora de la Corte de Familia

Educación y Cualificaciones: Mi nombre es Vicki Nohrden y quiero ser su representante en la Asamblea de California. Ya sea en lo laboral o lo educativo, nuestros legisladores nos han llevado de un extremo a otro. Nuestro gobierno estatal es cada vez más ineficiente, desbalanceado y alejado de la realidad.

Los pequeños negocios están teniendo dificultades para sobrevivir. ¿Qué hacen los legisladores? Aprueban leyes para prohibir a los contratistas independientes e imponen nuevas regulaciones dañinas, impuestos y tarifas a los negocios a lo largo del estado. Nuestras escuelas públicas están teniendo problemas para proveer una educación de calidad, arriesgando el aprendizaje de los estudiantes. ¿Qué hacen los legisladores? Le dan prioridad a medidas divisoras y con trasfondo político, en vez de trabajar para garantizar el éxito académico. Nuestros hijos están pagando las consecuencias.

Nuestro estado tenía un excedente de presupuesto de \$90 mil millones el año pasado. Sin embargo, la tasa de personas sin hogar aún permanece en niveles críticos. ¿Qué hacen los legisladores? Administran mal las finanzas y evaden sus responsabilidades, lo que evita que se implementen soluciones viables.

Me estoy postulando para el cargo para ayudar a corregir nuestro fallido modelo, que pone la lealtad al partido por encima de la resolución de problemas. Como líder en organizaciones sin fines de lucro y en negocios por más de dos décadas, mi servicio al público incluye mantenerme firme en nombre de los niños, las familias y las víctimas del crimen, mientras unifico las líneas del partido para que el gobierno local trabaje para la gente local. Llevaré esa experiencia y acercamiento hacia nuestro gobierno estatal, trabajando para representarlo a usted en la Asamblea Estatal.

Es la hora de mostrar cuentas claras a Sacramento, y, aún más importante, es la hora de tener una líder que escuche. Gracias por su voto. Puede obtener más información sobre mí en www.ElectVicki.com o puede mandarme un correo electrónico a Vicki@ElectVicki.Com. Siéntase en confianza de llamarme al (831) 200-5922.

**STATEMENT OF CANDIDATE FOR
GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 1
San Luis Coastal Unified School District**

MARILYN RODGER

Occupation: Incumbent

Education and Qualifications: I am privileged to serve as a current Trustee of the San Luis Coastal Unified School District. During my tenure, a commitment to student achievement, welfare, and safety has remained my top priority. I am proud that even as we continue addressing post-covid impacts on students and staff, district schools have received state and national recognition and student achievement has continued to rise.

As a trustee, I have been mindful that the public dollars dedicated through our Measure D Facilities Bond are spent wisely and with accountability. Each dollar spent supports 21st century facilities to serve current and future generations of students. I greatly value our school staff and our successful negotiation of multi-year contracts with our union employees. I also support our schools of choice for parents seeking alternative options within the District.

While the district has seen periods of greater and lesser revenues, I am committed to always making budget decisions based on what is best for students and classrooms. I take seriously the trust placed in me. I pledge to work diligently and collegially to support the educational opportunities of all students.

**STATEMENT OF CANDIDATE FOR
GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 1
San Luis Coastal Unified School District**

LOREN M. LEIDINGER

Occupation: Nonprofit Leader

Education and Qualifications: I am excited to represent parents, students, and our community as a Board Trustee for the San Luis Coastal Unified School District. For the first time, schools in Morro Bay and Los Osos will be represented by a parent/resident who lives in the school area.

We have had some great successes at Morro Bay High School, but some major disappointments too. I am running to hold our leaders accountable, districtwide, in upholding the promises made to provide students with a quality education while keeping them safe and supported.

My three children have attended Morro Bay and Los Osos schools for 11 years and participated in athletics and extracurriculars. I am a local nonprofit leader, first with the American Red Cross and, currently, CAPSLO. I have a passion for learning and volunteered on the School Site and District Title 1 Advisory Councils. I currently serve on two nonprofit boards and volunteer with the Sheriff's Department. I have a Bachelor's Degree in History with a minor in English and a certificate in Nonprofit Executive Leadership.

I have a proven track record of listening and impartiality to all people I represent. Please support my efforts to take our schools to an elevated level of accountability and performance.

MARILYN RODGER

Ocupación: Titular

Educación y Cualificaciones: Tengo el privilegio de servir como fideicomisaria actual del Distrito Escolar Único de la Costa de San Luis. Durante mi mandato, el compromiso con el desempeño, el bienestar y la seguridad de los estudiantes ha sido mi principal prioridad. Me enorgullece que, a pesar de que seguimos afrontando las afectaciones post-COVID en los estudiantes y el personal, las escuelas del distrito son reconocidas a nivel estatal y nacional del mismo modo que el rendimiento de los estudiantes ha ido en aumento.

Como fideicomisaria, me he preocupado por que los recursos monetarios públicos que se destinan por medio del Bono a Establecimientos conforme a la Iniciativa de Ley D se inviertan de manera sensata y con responsabilidad. Cada dólar gastado apoyará a los establecimientos del siglo 21° para que sirvan a las actuales y futuras generaciones de estudiantes. Valoro enormemente al personal escolar y nuestra exitosa negociación en los contratos multianual con nuestros empleados sindicalizados. Asimismo respaldo a nuestras escuelas para que los padres busquen opciones alternativas dentro del Distrito.

BRUCE JONES

Occupation: Retired Physician

Education and Qualifications: Historic inflation. Skyrocketing food and housing prices. Stagnant wages. It's never been more difficult to afford to live in San Luis Obispo County.

My name is Dr. Bruce Jones. I am a retired surgeon, and I believe I am the best candidate for 2nd District Supervisor. I never envisioned myself running for office, but I found myself frustrated seeing elected officials making politically motivated decisions that have ruined lives and resulted in the poor economic environment we're living in today.

I have spent my life advocating for patients. As your next Supervisor, I would do the same for you.

That means investing in public safety and pushing back against pro-criminal policies coming out of Sacramento; fixing our broken infrastructure and filling potholes; protecting our local jobs and advocating to keep Diablo Canyon Nuclear Power Plant open; growing our local economy and bringing more investment to San Luis Obispo County; and rooting out corruption.

I care deeply about this community. My wife, children, grandchildren and I call San Luis Obispo County home, and I want it to be the best place in the state to raise a family, find a job, and start a business.

BRUCE GIBSON

Occupation: County Supervisor

Education and Qualifications: The future of San Luis Obispo County is at stake in this election. We have a choice: Move forward to address our most pressing challenges: homelessness and crime, drought and our water supply, economic development. Or go backward and continue to needlessly worsen the serious fractures in our civic life that cloud our future.

I'm running again to bring my experience, vision and leadership to bear on restoring good government and healing the divisions in our county. I've been proud to collaborate with many communities on remarkable accomplishments: building new libraries in Atascadero, Cambria and Cayucos; publicly acquiring mile-long Dog Beach; securing restoration funding for Cayucos Veterans Hall; protecting working agricultural landscapes like Hearst Ranch; and many others.

I look forward to continuing work on other important issues, like mental health services, next-generation housing and broadband internet expansion.

I'm endorsed by numerous community members and elected officials from throughout the county.

Holding a Ph.D. in geophysics, my public life has been dedicated to promoting fact-based policy – to ensure fiscally responsible government, conserve vital resources, and defend our quality of life in SLO County. I'll continue to work with you for strong, resilient communities in this remarkable place.

BRUCE JONES

Ocupación: Médico Jubilado

Educación y Cualificaciones: Inflación histórica Los precios de los alimentos y de la vivienda se han disparado. El estancamiento de los salarios. Nunca ha sido tan difícil costearse la vida en el condado de San Luis Obispo.

Soy el Dr. Bruce Jones. Soy médico cirujano jubilado y creo que soy el mejor candidato a Supervisor del 2º Distrito. Nunca me imaginé como candidato, pero me sentí defraudado al ver que los funcionarios electos tomaban decisiones por motivos políticos que han perjudicado la vida de las personas y han provocado el mal ambiente económico en el que vivimos hoy.

Dedico mi vida a defender a los pacientes. Como su próximo Supervisor, también haría lo mismo por ustedes.

Eso implica invertir en seguridad pública y oponerse a las políticas procriminales que vienen de Sacramento; arreglar nuestra infraestructura en problemas y reparar los baches; proteger nuestros empleos locales y promover que se mantenga abierta la Planta de Energía Nuclear de Diablo Canyon; promover el desarrollo de la economía local y traer más inversiones al condado de San Luis Obispo y hacer desaparecer la corrupción.

Me preocupo mucho por esta comunidad. Mi esposa, mis hijos, mis nietos y yo consideramos que el condado de San Luis Obispo es nuestro hogar y quiero que sea el mejor lugar del estado para formar una familia, encontrar un trabajo y crear un negocio.

By approval of this measure by at least 55% of the registered voters voting on the measure, the District will be authorized to issue and sell bonds of up to \$349,000,000 in aggregate principal amount at interest rates not to exceed legal limits and to provide financing for the specific types of school facilities projects listed in the Bond Project List included below, subject to all the accountability requirements specified below.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this measure in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following.)

Evaluation of Needs. The Board of Trustees of the District has identified detailed facilities needs of the District, and has determined which projects to finance from a local bond. The Board of Trustees hereby certifies that it has evaluated safety, class size reduction, enrollment growth, and information technology needs in developing the Bond Project List described below.

Independent Citizens’ Oversight Committee. Following approval of this measure, the Board of Trustees will establish an independent citizens’ oversight committee, under Education Code Sections 15278 and following, to ensure bond proceeds are expended only on the types of school facilities projects listed below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the Board of Trustees.

Performance Audits. The Board of Trustees will conduct annual, independent performance audits to ensure that the bond proceeds have been expended only on the school facilities projects listed below.

Financial Audits. The Board of Trustees will conduct annual, independent financial audits of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed below.

Government Code Accountability Requirements. As required by Section 53410 of the Government Code, (1) the specific purpose of the bonds is set forth in this Full Text of the Measure, (2) the proceeds from the sale of the bonds will be used only for the purposes specified in this measure, and not for any other purpose, (3) the proceeds of the bonds, when and if issued, will be deposited into a building fund to be held by the San Luis Obispo County Treasurer, as

required by the Education Code, and (4) the Superintendent of the District shall cause an annual report to be filed with the Board of Trustees of the District not later than January 1 of each year, which report shall contain pertinent information regarding the amount of funds collected and expended, as well as the status of the projects listed in this measure, as required by Sections 53410 and 53411 of the Government Code.

NO TEACHER OR ADMINISTRATOR SALARIES

Proceeds from the sale of bonds authorized by this measure shall be used only for the purposes specified in Article XIII A, Section 1(b)(3), specifically the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and the acquisition or lease of school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

STATE MATCHING FUNDS

The following statement is included in this measure pursuant to Education Code Section 15122.5: Approval of this measure does not guarantee that the proposed projects that are the subject of bonds under this measure will be funded beyond the local revenues generated by this measure. The District's proposal for the projects described below may assume the receipt of matching state funds, which, if available, could be subject to appropriation by the Legislature or approval of a statewide bond measure.

INFORMATION ABOUT ESTIMATES AND PROJECTIONS INCLUDED IN BALLOT

Voters are informed that any estimates or projections in the bond measure or ballot materials, including relating to estimated tax rates, the duration of issued bonds and related tax levies and collections are provided as informational only. Such amounts are estimates and are not maximum amounts or limitations on the terms of the bonds, the tax rate or duration of the tax supporting repayment of issued bonds. Such estimates depend on numerous variables which are subject to variation and change over the term of the District's overall facilities and bond financing plan, including but not limited to the amount of bonds issued and outstanding at any one time, the interest rates applicable to issued bonds, market conditions at the time of sale of the bonds, when bonds mature, timing of project needs and changes in assessed valuations in the District. As such, while such estimates and approximations are provided based on information currently available to the District and its current expectations, such estimates and approximations are not limitations and are not binding upon the District. In addition, the abbreviated and condensed statement of the bond measure presented to voters which is subject to a word count limitation imposed by State law does not limit the scope and complete meaning of the measure provided in this Full Text of Bond Measure and related ballot materials.

BOND PROJECT LIST

Each of the bond projects described in this Bond Project List include the costs of furnishing and equipping such facilities, and all costs which are incidental but directly related to the types of projects described above.

Examples of incidental costs include, but are not limited to: costs of design, engineering, architect

and other professional services, facilities assessments, inspections, site preparation, utilities, landscaping, bond project construction management, administration and other planning and permitting, legal, accounting and similar costs; independent annual financial and performance audits; a customary construction contingency; demolition and disposal of existing structures; the costs of interim housing and storage during construction including relocation and construction costs incurred relating to interim facilities; rental or construction of storage facilities and other space on an interim basis for materials and other equipment and furnishings displaced during construction; costs of relocating facilities and equipment as needed in connection with the projects; interim classrooms and facilities for students, administrators, and school functions, including modular facilities; federal and state-mandated safety upgrades; addressing unforeseen conditions revealed by construction/modernization and other necessary improvements required to comply with existing building codes, including the Field Act; access requirements of the Americans with Disabilities Act; and costs of the election; bond issuance costs; and project administration during the duration of such projects, as permitted by law.

The District may alter the scope and nature of any of the specific projects that are described above as required by unforeseen conditions that may arise during the course of design and construction. In the event that a modernization or renovation project may result in higher costs than new construction, this bond measure authorizes land acquisition, relocation and construction and/or reconstruction, and all costs relating thereto, for said reasons or, alternatively, based on other considerations deemed in the best interest of the District by the Board of Trustees. In addition, authorized projects include paying and/or prepaying interim or previously obtained financing for the types of projects included on the project list, such as bond anticipation notes, and includes prepayment of lease payments to acquire title to facilities and/or equipment previously financed. Projects may also be undertaken on a joint use basis with other public entities.

Approval of this bond measure does not guarantee that the proposed projects will be funded beyond the local revenues generated by the measure. The District's capital needs currently exceed the amount of bonds the voters are being asked to authorize. The District plans to pursue funds from other sources to advance the identified projects to the extent possible. If matching funds from the State or any other source become available, they will be used for and applied to the Bond Project List.

The order in which particular projects are listed is not intended to suggest priority for funding or completion, and itemization of projects in the list above does not guarantee that all such projects will be undertaken. Project priorities will be determined by the Board of Trustees. The ability of the District to undertake and complete the listed projects is subject to numerous variables including the adequacy and availability of sufficient funding sources. The District is unable to anticipate all unforeseen circumstances which may prevent some of the projects listed above from being undertaken or completed.

The Bond Project List shall be considered a part of this ballot proposition, and shall be reproduced in any official document required to contain the full statement of the bond proposition.

IMPARTIAL ANALYSIS OF MEASURE C-22

This measure will determine whether the San Luis Coastal Unified School District (“the District”) shall issue \$349 million in bonds for the purpose of acquiring real property and improving school facilities within the District. The measure has been placed on the ballot by the District’s Board of Trustees and will become effective only if fifty-five percent (55%) of the voters of the District vote “yes” on the measure.

On November 7, 2000, the voters of California passed “Proposition 39,” amending Article XIII A, section 1(b)(3) of the California Constitution. That amendment authorizes the District to incur bonded indebtedness to finance the construction, reconstruction, rehabilitation, or replacement of school facilities, in accordance with certain accountability requirements. To implement the requirements of Proposition 39, the Legislature enacted the “Strict Accountability in Local School Construction Bond Act of 2000” (Educ. Code, § 15264, et seq.).

If approved, this measure will authorize the District to issue up to \$349 million in general obligation bonds, bearing interest at rates not to exceed legal limits. Bond proceeds will be used to fund projects identified in the full text of the measure. The proceeds from the sale of the bonds will be used only for modernization, expansion, acquisition, construction, reconstruction, rehabilitation or replacement of school facilities, including furnishing and equipping of school facilities and for no other purpose, including teacher and employee salaries and other school operating expenses. Approval of the measure does not guarantee that any particular project will be funded.

Principal and interest on the bonds will be payable from the proceeds of ad valorem taxes levied annually on taxable real property within the District. These taxes are in addition to the property taxes currently levied on District taxpayers. The amount of the increased taxes each year will depend upon the amount needed to pay the principal and interest on the bonds. The District’s Tax Rate Statement, which accompanies this analysis, reflects an “estimate” of the maximum property tax levies required to service the bonds. The actual tax rates depend on numerous factors including, but not limited to, the amount of bonds issued and outstanding at any one time, applicable interest rates, market conditions at the time of bond sales, when bonds mature, the timing of project needs and changes in assessed valuations within the District.

Performance and financial audits must be performed annually to ensure that bond proceeds are spent only as specified in the measure, and an independent citizens’ oversight committee will monitor expenditures and provide additional oversight. Bond proceeds will be deposited in a separate account. While any bond proceeds remain unexpended, annual reports will be filed with the District Board stating the amount of bond proceeds received and expended in that year and the status of any project funded or to be funded from bond proceeds.

A “yes” vote on this measure is a vote in favor of the issuance of \$349 million in bonds to be used for the purposes set forth in the measure.

A “No” vote on this measure is a vote against the issuance of \$349 million in general obligation bonds for the purposes set forth in the measure.

TAX RATE STATEMENT FOR MEASURE C-22

An election will be held in the San Luis Coastal Unified School District (the "District") on November 8, 2022 to authorize the sale of up to \$349,000,000 in general obligation bonds. The following information is submitted in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate that would be required to fund this bond issue over the entire duration of the bond debt service, based on estimated assessed valuations available at the time of filing of this statement, is 4.9¢ per \$100 (\$49 per \$100,000). It is currently expected that the tax will be collected until fiscal year 2058-59.
2. The best estimate of the highest tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is 4.9¢ per \$100 (\$49 per \$100,000) of assessed valuation. This rate is projected to apply in each fiscal year that the bonds are outstanding.
3. The best estimate of total debt service, including principal and interest, that would be required to be repaid if all the bonds are issued and sold will be approximately \$664,838,397.

These estimates are based on projections derived from information obtained from official sources and are based on the assessed value (not market value) of taxable property on the County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions. The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and durations and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary depending on the timing of bond sales, the par amount of bonds sold at each sale and actual increases in assessed valuations. The timing of the bond sales and the amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. Actual assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

ARGUMENT IN FAVOR OF MEASURE C-22

Our schools and children that attend them are the most important assets in our community and should be our number one priority. From higher achieving students to greater neighborhood safety, quality schools make a difference. Today, these schools are old, and we need your help by voting yes on Measure C-22.

The majority of schools in San Luis Coastal Unified School District are outdated. On average, school facilities are nearly 64 years old. Del Mar Elementary was first built in 1960, Pacheco Elementary in 1953, and Pacific Beach High, one of our oldest, includes buildings from 84 years ago.

The district has recently made major school improvements especially at our local high schools. We've constructed and renovated classrooms, updated facilities, labs and infrastructure, and increased energy-efficiency. However, our work is not done.

If approved, Measure C-22 would continue our investment to our neighborhood schools, improving the quality of education, while also adding area construction jobs and stimulating the local economy.

Measure C-22 renovates outdated classrooms, restrooms and facilities including:

- Making safety and security improvements, including fencing, fire alarms, camera and communication systems, and door locks,
- Repairing or replacing leaky roofs,
- Upgrading and modernizing 50–60-year-old classrooms, restrooms and school facilities,
- Making handicapped accessibility improvements, and
- Updating inadequate electrical systems.

Measure C-22 protects taxpayers and makes financial sense by ensuring:

- All funds are spent locally and can't be taken by the state.
- Spending must be reviewed/annually audited by an independent citizens' oversight committee.
- Funds can only be spent to improve local schools, not for teacher or administrator salaries.

Measure C-22 upgrades and renovates old and inadequate classrooms, improves the education of local children, and maintains the quality of our community. It's a smart investment in our kids and community. That's something we can all support.

Please join us and VOTE YES ON MEASURE C-22!
