IMPORTANT INFORMATION!

Two U.S. Senate Contests on Ballot

The office of U.S. Senate will have **TWO** separate contests on the November 8, 2022, General Election ballot. You may vote on both. The first contest is the regular election for the full 6-year term of office beginning on January 3, 2023 (full term). The second contest is a special vacancy election, since the current officeholder is temporarily filing a vacancy, for the remainder of the term ending on January 3, 2023 (partial/unexpired term).

Redistricting and Voting

To get an updated count of the country's population, the U.S. Constitution requires a federal census every ten years. California uses that census data to redraw the Congressional, State Senate, State Assembly, and State Board of Equalization districts based on population changes. The independent California Citizens Redistricting Commission (CCRC) uses the new census data to redraw the Congressional, State Senate, State Assembly, and State Board of Equalization district boundaries. The boundaries for local districts, such as county supervisorial, school districts, community services districts, special districts, and city council districts, are drawn by those governing bodies and not by the CCRC.

Changes in representation for San Luis Obispo County is as follows:

2011	2022
Congressional	
24th District	19th & 24th Districts
State Assembly	
35th District	30th & 37th Districts
State Senate	
17th District	17th & 21st Districts
Board of Equalization	
2nd District	2nd District

ELECTIONS IN CALIFORNIA

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes - regardless of party preference – move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. The parties may submit a list of the candidates for voter-nominated offices who have received the party's official endorsement, which will be printed in the county voter information guide.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election unless the candidate is one of the two highest voter-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office. Any candidate for a nonpartisan office who receives a majority of the vote (at least 50 percent + 1) in the primary election will be elected to that office and the contest will not appear on the ballot for the general election.

REQUIREMENTS FOR FIRST TIME VOTERS

The Help America Vote Act requires first time federal voters to show identification when voting. You will be required to show your current valid photo I.D. and/or a copy of one of the following that shows your name and address when you go to the polls on election day: Current utility bill, bank statement, government check, government paycheck, or a government document. You will be required to send a copy of one of the above documents with your voted vote-by-mail ballot. If you have questions about your status as a First Time Voter, please contact us.

How Your Vote is Counted

Polling places close at 8:00 pm on Election Night, but it can take a few hours for all locations to report results, and weeks before the final totals are known. Ever wondered why? Here's a quick look at what happens to your ballot after you cast it.

Election Night

- The first results are posted shortly after 8:00 pm - these are the Vote by Mail ballots that were returned and processed early.
- After that, we must wait for the first of the polling places across the county to complete their paperwork, pack up their supplies, and return the ballots - this can take more than an hour.
- As polling places report in, their results are tabulated and compiled into countywide results.
- The posted results are updated periodically throughout the night.
- When all polling places have reported, the Election Night counting is done; however, there are still more ballots to count and a lot more work to do before the results become official (see below).

Ballots counted after Election Day

- **"Last Minute" Vote by Mail Ballots:** Vote by Mail ballots that arrive the day before or on Election Day either by mail, returned at a polling place or deposited in a Ballot Drop Box, are processed, and counted in the days after Election Day and therefore are not included in the election night results reporting.
- **Postmarked Vote by Mail Ballots:** Under California law, ballots may be counted even if they arrive after Election Day, as long as they are received by mail no later than 7 days after the election and are postmarked on or before Election Day.
- **Missing or Mismatched Signature:** A voter's signature on the returned vote-by-mail identification envelope must compare with the signature(s) in the voter's registration record. If the voter did not sign the ballot envelope, or if the elections official has determined that the signature on the envelope does not compare to the signature(s) of the voter in the voter's record, the ROV will, provide the voter with the applicable notice to cure the missing or mismatched signature. This notice must be returned to the ROV no later than 2 days prior to the certification of the election.
- **Provisional Ballots:** These are the last ballots counted because they must be researched and verified; it may take a few weeks, but every valid vote will be counted.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 19TH CONGRESSIONAL DISTRICT**

JIMMY PANETTA

Age: 52

Occupation: United States Representative

Education and Qualifications: As a United States Representative, I'm fighting to give people opportunities for a better life. Having grown up with a deep sense of public service, I've dedicated my career to giving back to our community and country. As an Afghanistan War veteran, former prosecutor, and, now, a U.S. Representative, I know how to serve and fight for the people and values of our home.

As we emerge from the pandemic, I'm securing federal resources to protect our lives and livelihoods and invest in American infrastructure and supply chains to boost productivity and reduce prices. I'm promoting local jobs by supporting our diverse economy of agriculture, tourism, technology, education, research, and small businesses. I'm defending our precious environment by protecting our pristine coastline and public lands from oil drilling, promoting agricultural sustainability, and creating sound policies to help prevent wildfires and combat the climate crisis. I'm fighting for women's reproductive rights and funding to keep our communities safe. I'm pushing for accessible healthcare for all, lower prescription drug prices, and increased federal grants and tax credits for more affordable and equitable housing.

As the grandson of immigrants, I'm working to provide opportunities for legalization and citizenship for essential workers, Dreamers, and families. I'm upholding our responsibilities to democracy by ensuring equality and everybody's right to vote. I'll continue to fight for the people of the new 19th Congressional District with hard work, new ideas, and the will to work together to get things done. I'd be honored by your vote. For information, visit www.jimmypanetta.com

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 19TH CONGRESSIONAL DISTRICT**

JEFF GORMAN

Age: 54

Occupation: Financial Advisor / Small Business Owner

Education and Qualifications: The time is now. This time it matters.

Today we show Washington DC we do not agree with its policies and leadership. I am Jeff Gorman, your candidate for US Congressional District 19 and I want to represent you. With your help, I will go to Washington representing what we believe in: truth, transparency, and trust. We believe in America and Americans first, and a government that truly represents its people, for its people.

These last years we have all seen and experienced government overreach, a betrayal of foreign policy, and a justice system full of corruption.

Our current public servants seem to serve themselves instead of the public. They have violated their commitment to represent you. This is not what America is, what it represents, or what our government should be.

We need a tough change of course. We demand better. We need to honor and uphold the Constitutional principles of our government.

Let's become energy independent again, balance our budget, and nurture our economy. Let's stop the irresponsible spending policies, letting drugs and criminals into our neighborhoods, and creating distrust in our global allies. Let's make our nation better.

Let's make that change together. Let's do this, one voice united, one vote at a time.

**DECLARACIÓN DE CANDIDATURA PARA
REPRESENTANTE DEL CONGRESO DE EE. UU., DISTRITO ELECTORAL 19°**

JIMMY PANETTA

Edad: 52

Ocupación: Representante del Congreso de los Estados Unidos

Educación y Cualificaciones: Como Representante del Congreso de los Estados Unidos, lucho por brindar oportunidades a las personas para que tengan una mejor vida. Gracias a que crecí con un gran sentido del servicio público, en mi carrera me he dedicado a retribuir a nuestra comunidad y país. Ya que soy veterano de la Guerra de Afganistán, exprocurador y, ahora, Representante del Congreso de los Estados Unidos, sé cómo servir y luchar por las personas y los valores de nuestro hogar.

Conforme salimos de la pandemia, busco garantizar recursos federales para proteger nuestras vidas y nuestro sustento, e invertir en la infraestructura Americana y en cadenas de producción para aumentar la productividad y reducir los precios. Estoy promoviendo el trabajo local mediante el apoyo a nuestra economía diversa proveniente de la agricultura, el turismo, la tecnología, la educación, la investigación y las pequeñas empresas. Estoy defendiendo nuestro valioso medio ambiente y protegeré a nuestras costas inmaculadas y tierras públicas de la extracción petrolera, promoveré la sustentabilidad agrícola y crearé políticas sensatas que ayuden a prevenir incendios forestales y que combatan la crisis climática. Estoy peleando por los derechos reproductivos de las mujeres y financiando la seguridad de nuestras comunidades. Estoy luchando por que el cuidado de la salud sea accesible para todos, por bajar los precios de los medicamentos recetados y por incrementar los subsidios federales y créditos fiscales para obtener un acceso a la vivienda más asequible y equitativo.

Como nieto de inmigrantes, estoy trabajando para brindar oportunidades de legalización y ciudadanía a trabajadores esenciales, "dreamers" y familias. Estoy defendiendo nuestras responsabilidades con la democracia al asegurar la igualdad y el derecho de voto para todos. Seguiré luchando por las personas del recientemente establecido 19° Distrito Electoral con arduo trabajo, nuevas ideas y la disposición de trabajar en conjunto para lograr las metas. Sería un honor poder contar con su voto. Para más información, visite www.jimmypanetta.com

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 30th DISTRICT**

DAWN ADDIS

AGE: 50

Occupation: City Councilmember / Teacher

Education and Qualifications: Dear Neighbor,

It has been my privilege to work as a public school teacher for the last 20 years, and to serve my community as a local City Councilmember. As a mother of two and a public servant, I want to help build a brighter future for California and protect the things we love about the Central Coast.

As a City Councilmember, I have worked to reduce homelessness, improve city services and outreach, protect our environment and open space, and support local workers and businesses throughout the COVID-19 pandemic. I am running for State Assembly to advance these values and causes across California, and to be a responsive and effective advocate for the residents of our district.

As a public school teacher, I have worked with children with special needs, and as a bilingual educator, I have helped develop curriculum for students learning English. My classroom experience has taught me that we need more investment across public education, from early childhood education through the UC and CSU systems.

My campaign for State Assembly has been endorsed by more than 300 organizations and leaders, including groups who represent Central Coast firefighters, paramedics, nurses, law enforcement personnel, teachers, school employees, and grocery workers.

I would be honored to earn your vote for State Assembly. If you have questions or thoughts about my campaign, please do not hesitate to call me at (805) 749-3751 or email me at Dawn@DawnAddis.org. www.DawnAddis.org Para español: www.DawnAddis.org/esp

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 30th DISTRICT**

VICKI NOHRDEN

Occupation: Non-Profit Director / Educator / Family Court Advocate

Education and Qualifications: I'm Vicki Nohrden and I'm running to be your voice in the California Assembly. From jobs to education, our legislators are taking us for a ride to the far extremes. Our state government is increasingly ineffective, unbalanced, and out of touch.

Small businesses are struggling to survive. What do legislators do? They introduce legislation to ban independent contractors and impose harmful new regulations, taxes, and fees on businesses throughout the state. Our public schools struggle to provide quality education, leaving students behind. What do legislators do? They prioritize divisive, politically driven measures instead of working to support academic success. Our children are paying the price.

Our state had a \$90 billion budget surplus last year, yet homelessness remains at crisis levels. What do legislators do? Mismanage funding and shirk accountability, preventing the implementation of viable solutions.

I am running for office to help fix our failing model which rewards party loyalty over problem-solving. A proven leader in non-profit and business for over two decades, my public service includes standing up for children, families, and victims of crime while bridging party lines to make local government work for local people. I will take that experience and approach to our state government, working to represent you in the State Assembly.

It's time to bring checks and balances to Sacramento and most importantly, it's time for a leader who listens. Thank you for your vote. Learn more about me at www.ElectVicki.com or email me at Vicki@ElectVicki.Com. Feel free to call me (831) 200-5922.

**DECLARACIÓN DE CANDIDATURA PARA
MIEMBRO DE LA ASAMBLEA ESTATAL, 30° DISTRITO**

VICKI NOHRDEN

Ocupación: Directora de una organización sin fines de lucro, educadora y defensora de la Corte de Familia

Educación y Cualificaciones: Mi nombre es Vicki Nohrden y quiero ser su representante en la Asamblea de California. Ya sea en lo laboral o lo educativo, nuestros legisladores nos han llevado de un extremo a otro. Nuestro gobierno estatal es cada vez más ineficiente, desbalanceado y alejado de la realidad.

Los pequeños negocios están teniendo dificultades para sobrevivir. ¿Qué hacen los legisladores? Aprueban leyes para prohibir a los contratistas independientes e imponen nuevas regulaciones dañinas, impuestos y tarifas a los negocios a lo largo del estado. Nuestras escuelas públicas están teniendo problemas para proveer una educación de calidad, arriesgando el aprendizaje de los estudiantes. ¿Qué hacen los legisladores? Le dan prioridad a medidas divisoras y con trasfondo político, en vez de trabajar para garantizar el éxito académico. Nuestros hijos están pagando las consecuencias.

Nuestro estado tenía un excedente de presupuesto de \$90 mil millones el año pasado. Sin embargo, la tasa de personas sin hogar aún permanece en niveles críticos. ¿Qué hacen los legisladores? Administran mal las finanzas y evaden sus responsabilidades, lo que evita que se implementen soluciones viables.

Me estoy postulando para el cargo para ayudar a corregir nuestro fallido modelo, que pone la lealtad al partido por encima de la resolución de problemas. Como líder en organizaciones sin fines de lucro y en negocios por más de dos décadas, mi servicio al público incluye mantenerme firme en nombre de los niños, las familias y las víctimas del crimen, mientras unifico las líneas del partido para que el gobierno local trabaje para la gente local. Llevaré esa experiencia y acercamiento hacia nuestro gobierno estatal, trabajando para representarlo a usted en la Asamblea Estatal.

Es la hora de mostrar cuentas claras a Sacramento, y, aún más importante, es la hora de tener una líder que escuche. Gracias por su voto. BRUCE JONES

Occupation: Retired Physician

Education and Qualifications: Historic inflation. Skyrocketing food and housing prices. Stagnant wages. It's never been more difficult to afford to live in San Luis Obispo County.

My name is Dr. Bruce Jones. I am a retired surgeon, and I believe I am the best candidate for 2nd District Supervisor. I never envisioned myself running for office, but I found myself frustrated seeing elected officials making politically motivated decisions that have ruined lives and resulted in the poor economic environment we're living in today.

I have spent my life advocating for patients. As your next Supervisor, I would do the same for you.

That means investing in public safety and pushing back against pro-criminal policies coming out of Sacramento; fixing our broken infrastructure and filling potholes; protecting our local jobs and advocating to keep Diablo Canyon Nuclear Power Plant open; growing our local economy and bringing more investment to San Luis Obispo County; and rooting out corruption.

I care deeply about this community. My wife, children, grandchildren and I call San Luis Obispo County home, and I want it to be the best place in the state to raise a family, find a job, and start a business.

BRUCE GIBSON

Occupation: County Supervisor

Education and Qualifications: The future of San Luis Obispo County is at stake in this election. We have a choice: Move forward to address our most pressing challenges: homelessness and crime, drought and our water supply, economic development. Or go backward and continue to needlessly worsen the serious fractures in our civic life that cloud our future.

I'm running again to bring my experience, vision and leadership to bear on restoring good government and healing the divisions in our county. I've been proud to collaborate with many communities on remarkable accomplishments: building new libraries in Atascadero, Cambria and Cayucos; publicly acquiring mile-long Dog Beach; securing restoration funding for Cayucos Veterans Hall; protecting working agricultural landscapes like Hearst Ranch; and many others.

I look forward to continuing work on other important issues, like mental health services, next-generation housing and broadband internet expansion.

I'm endorsed by numerous community members and elected officials from throughout the county.

Holding a Ph.D. in geophysics, my public life has been dedicated to promoting fact-based policy – to ensure fiscally responsible government, conserve vital resources, and defend our quality of life in SLO County. CAMBRIA COMMUNITY HEALTHCARE DISTRICT FULL TEXT OF MEASURE G-22

“To improve the ambulance station/ healthcare facility; replace 65-year-old building with modern one meeting current County codes and standards; and improve safety/ security for residents and visitors; shall Cambria Community Healthcare District’s measure be adopted authorizing \$8,500,000 of bonds at legal rates, generating on average \$560,000 annually while bonds are outstanding at a rate of approximately 1.0 cent per \$100 assessed value, with annual audits, independent citizens’ oversight committee, NO money for salaries and all funds spent locally?”

BOND AUTHORIZATION

By approval of this proposition by at least two-thirds of the registered voters voting on the proposition, the Cambria Community Healthcare District (the “District”) shall be authorized to issue and sell bonds of up to \$8.5 million in aggregate principal amount to provide financing for the facilities projects listed in the Bond Project List below, subject to all of the accountability safeguards specified below.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the District’s voters and taxpayers may be assured that their money will be spent wisely to address specific facilities needs of the District.

Independent Citizens’ Oversight Committee. The Board of Directors shall establish an independent Citizens’ Oversight Committee, to ensure bond proceeds are spent only for the projects listed in the Bond Project List.

Special Bond Proceeds Account; Annual Report to Board. Upon approval of this proposition and the sale of any bonds approved, the Board of Directors shall take actions necessary pursuant to Government Code Section 53410 and following to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Administrator of the District (or such other employee as may perform substantially similar duties) shall cause a report to be filed with the Board no later than December 31 of each year, commencing December 31 of the year in which bonds are first issued, stating (1) the amount of bond proceeds received and expended in that year, and (2) the status of any project funded or to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as such officer shall determine, and may be incorporated into the annual budget, audit, or other appropriate routine report to the Board.

FURTHER SPECIFICATIONS

Specific Purposes. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, and shall constitute the specific purposes of the bonds, and proceeds of the bonds shall be spent only for such purposes, pursuant to Government Code Section 53410.

Rate of Interest. The bonds shall bear interest at a rate per annum not exceeding the statutory maximum, payable at the time or times permitted by law.

Term of Bonds. The number of years the whole or any part of the bonds are to run shall not exceed the legal limit, though this shall not preclude bonds from being sold which mature prior to the legal limit.

BOND PROJECT LIST

The Bond Project List below describes the specific projects the Cambria Community Healthcare District proposes to finance with proceeds of the bonds. Listed projects will be completed as needed according to Board-established priorities, and the order in which such projects appear on the Bond Project List is not an indication of priority for funding or completion. The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. Until all project costs and funding sources are known, the Board of Directors cannot determine the amount of bond proceeds available to be spent on each project, nor guarantee that the bonds will provide sufficient funds to allow completion of all listed projects. Completion of certain projects may be subject to further government approvals or appropriation by State officials and boards, to local environmental review, and to input from the public. For these reasons, inclusion of a project on the Bond Project List is not a guarantee that the project will be funded or completed.

- Replace existing 65-year-old ambulance station with a modern facility that meets current County codes and standards.
- Make safety and security improvements for ambulance crews and medication storage facilities.
- Provide housing for two 24-hour ambulance crews to improve 911 ambulance response times.
- Provide whole-facility solar energy with battery and emergency generator back-up.
- Provide central heating to ambulance bays that can double as evacuation collection points for people in the event of disasters such as wildfires, earthquakes or floods.
- House ambulances indoors to extend their useful lives.
- Provide on-site, above ground fuel storage to reduce ambulance fueling costs.

Each project is assumed to include its share of architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. In addition to the listed projects stated above, the list also includes installation of signage and fencing; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary relocation of dislocated District activities caused by construction projects. The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Necessary site preparation/restoration may occur in connection with new construction, including ingress and egress, curb, gutter and sidewalk if required, removing,

replacing, or installing irrigation, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects and the costs of issuing the bonds. Bond proceeds shall only be expended for the specific purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

The Bond Project List shall be considered a part of this ballot proposition and shall be reproduced in any official document required to contain the full statement of the bond proposition.

IMPARTIAL ANALYSIS OF MEASURE G-22

This measure has been placed on the ballot by the Board of Trustees (“the Board”) of the Cambria Community Healthcare District (“District”) and will determine whether the Board shall issue \$8.5 million in general obligation bonds to improve an ambulance station and healthcare facility; replace a 65-year-old building with one that meets current County codes and standards, and improve safety and security for residents and visitors within the District.

Article XIII A, section 1(b)(2) and California Health and Safety Code section 32300 et seq. authorize the District to issue bonds for the purpose of acquiring and improving healthcare facilities within the District if approved by two-thirds of the qualified voters of the District. Therefore, upon a majority vote of the Board, it has decided to pursue the authorization and issuance by a two-thirds vote of the District’s electorate on the question of whether \$8.5 million in bonds shall be issued to raise money to finance improvements and property of the District. If the measure is approved, revenues raised by the issuance of the bonds may only be used for the specific purposes identified in the full text of the measure.

Pursuant to Government Code section 53410, the measure includes certain accountability requirements, including: (1) a statement that the proceeds of the bonds shall be spent only for the purposes stated in the measure; (2) the establishment of a citizens’ oversight committee to ensure bond proceeds are spent only for the projects listed in the Bond Project List set forth in the measure; (3) the establishment of an account in which proceeds of the sale of bonds will be deposited; and (4) the preparation and filing of a report to be filed with the Board of Trustees no later than December 31 of each year, commencing the year in which bonds are first issued, stating the amount of bond proceeds received and expended in that year, and the status of any project funded or to be funded from bond proceeds.

If the measure is approved, principal and interest on the bonds will be payable from the proceeds of ad valorem taxes levied annually on taxable real property within the District, which is expected to be collected until fiscal year 2053-54. These taxes are in addition to the property taxes currently levied on District taxpayers. The District’s Tax Rate Statement, which accompanies this analysis, reflects an “estimate” of the maximum property tax levies required to service the bonds. The debt service, tax rates and the years in which they will apply may vary depending on the timing of bond sales, the par amount of bonds sold at each sale and actual increases in assessed valuations of real property within the District.

A “yes” vote on this measure is a vote in favor of authorizing the issuance of \$8.5 million in bonds for the purpose of acquiring and improving real property within the District.

A “no” vote on this measure is a vote against authorizing the issuance of \$8.5 million in bonds for the purpose of acquiring and improving real property within the District.

TAX RATE STATEMENT FOR MEASURE G-22

An election will be held in the Cambria Community Healthcare District (the "District") on November 8, 2022, to authorize the sale of up to \$8.5 million in general obligation bonds. The following information is submitted in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate that would be required to fund this bond issue over the entire duration of the bond debt service, based on estimated assessed valuations available at the time of filing of this statement, is 1.0¢ per \$100 (\$9.95 per \$100,000) of assessed valuation. It is currently expected that the tax will be collected until fiscal year 2053-54.

2. The best estimate of the highest tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is 1.0¢ per \$100 (\$9.95 per \$100,000) of assessed valuation. This rate is projected to apply in each fiscal year that the bonds are outstanding.

3. The best estimate of total debt service, including principal and interest, that would be required to be repaid if all the bonds are issued and sold will be approximately \$17,920,000.

These estimates are based on projections derived from information obtained from official sources and are based on the assessed value (not market value) of taxable property on the County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions. The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and durations and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary depending on the timing of bond sales, the par amount of bonds sold at each sale and actual increases in assessed valuations. The timing of the bond sales and the amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. Actual assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and equalization process.

Cambria Community Healthcare District

ARGUMENT IN FAVOR OF MEASURE G-22

Everyone knows the importance and value of having quality healthcare and emergency response services. While our local paramedics do their best giving emergency life support ambulance services, our ambulance facility in the Cambria Community Healthcare District is severely outdated and inadequate to provide local residents the up-to-date ambulance services they need. This is why a **YES vote on Measure G-22 is so important!**

Although our ambulance station has been well maintained over the years, our facility is old and does not meet current County standards. Our station was first built over 65 years ago and needs major upgrades and infrastructure improvements to continue to provide quality services to local residents. Measure G-22 would allow the District to replace our local station, upgrade service, and improve emergency response times. By investing in our healthcare facilities, we can meet today's safety standards and better our community.

Measure G-22 will provide funding at the Cambria Healthcare facility by:

- Replacing existing 65-year-old ambulance station with a modern facility that meets current County codes and standards
- Providing housing for two 24-hour ambulance crews to improve 911 ambulance response times
- Making safety and security improvements for ambulance crews and medication storage facilities
- Providing whole facility solar energy with battery and emergency generator back-up

Measure G-22 makes financial sense and protects taxpayers.

- All funds must be spent locally and cannot be taken by the State.
- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- Funds can only be spent to improve the Cambria Healthcare facility, not for administrator salaries.

Measure G-22 will replace our old and inadequate ambulance facility, improve local safety, and maintain the quality of our community. That's something we can all support. Please join us and **VOTE YES ON MEASURE G-22!**

REBUTTAL TO THE ARGUMENT IN FAVOR OF MEASURE G-22

Avoid unnecessary taxation, vote NO on Measure G-22!

It is true that the present building needs upgrading. But CCHD's own Design and Construction firm stated that the needed upgrades can be done at **well below the cost a new \$8.5 million complex.**

New construction would:

- **NOT** provide an increase in service. We currently have two 24-hour crews and this would not change.
- **NOT** increase response time because the location would remain the same.
- **NOT** improve current services, which are already up-to-date.
- **CREATE** an unnecessary fire hazard with a fueling station located just below forested land that is highly vulnerable to catastrophic wildfire. Fuel is already available at 2 other first responder locations in town, Cambria Fire Department and Cal Fire. The crews also have gas cards that can be used at service stations anywhere.
- **NOT** improve security of medication storage. Medications are currently kept under lock and key. A new building would not change that.

SAY NO TO UNNECESSARY TAXES! VOTE NO ON MEASURE G-22!

s/ Wendy Wright, Artist

ARGUMENT AGAINST MEASURE G-22

Cambria's Ambulance Service does an exemplary job protecting this community, and it is true that the present CCHD facility needs repairs and upgrades. However, the CCHD's own feasibility study shows that these improvements can be made to the existing facility for a fraction of the \$8.5 million it would cost to clear the site and build a replacement.

This bond issue would:

- NOT increase levels of service. We currently have two crews providing 24/7 service, and Measure G-22 would not change that. Its funds would go only toward the building replacement, not to operations.
- NOT provide faster response time. The new building would be in the same place as the current one. In fact, response time during construction might be longer depending on where temporary housing is located. New Construction would require a much longer period of relocation for the crews.
- NOT improve safety or security for equipment or drugs. Drugs are currently kept under lock and key. We have never had incidents of theft or vandalism at CCHD. If someone was looking for drugs a facility that is occupied nearly 24/7 is not a likely target.

Housing the ambulances in a garage would NOT extend their useful life, because CCHD replaces them due to accumulated miles in service, well before rust would become a problem.

Age should not be a reason to discard and replace a building that is structurally sound (if it weren't, the CCHD Staff would not be living in it now). There are many buildings in Cambria that are as old or older and are still in use. The U.S. Capitol is 229 years old. Would you tear it down and replace it? Our State Capitol is 148 years old. Hearst Castle was built in 1919.

Vote NO on Measure G-22.

REBUTTAL TO ARGUMENT AGAINST MEASURE G-22

We agree that CCHD's Ambulance service does a great job of protecting the community. However, the current facility needs significant renovations to provide the best Ambulance services. Don't be misled by arguments against Measure G-22.

FACT: The current facility was built to house light-use medical offices. It is not up to current codes and needs to be upgraded to best serve our community. It is a 24-hour facility subject to enhanced building standards for essential services facilities.

FACT: Measure G-22 is a smart investment. For over 18 months, the District along with architects, construction and paramedicine experts studied the options of building new versus fixing up the 65-year-old building. It was unanimous that a new facility makes the most financial sense. Facility modification to meet needs, codes and standards could cost \$1 million MORE than building new.

FACT: Measure G-22 WILL increase levels of service on a permanent basis. The new facility will improve response times providing lifesaving services, avoiding delays such as pre-warming medications and equipment. Further, the permit to house two 24-hour crews in the present facility expires in early 2024.

Measure G-22 is a thoughtfully considered project that will improve Ambulance service, is a smart long-term investment and just makes sense. Some of the most respected community members including Miguel Hernandez M.D., Mel McColloch, and architect Don Sather, reviewed Measure G-22 and have concluded it's the right approach for our community.
