Re: Pinon, Brian Edward  
CDCR# T17631

Dear Board:

We received notification via letter sent March 17, 2015 that the above-named inmate is being considered for early parole release after serving 50% of his sentence. We object because he is unsuitable and would present a substantial danger to public safety if released now.

Inmate Pinon was convicted of second degree burglary and possession of credit card counterfeiting equipment in case #F458733, with a prior strike for first degree burglary. He was given a six-year sentence in February 2012. . He should not be eligible for parole until late 2016. When he committed this crime, was on parole in Region IV from a prior prison term and was found in a motel in Los Angeles with a fraudulent credit card, while out on bail in this case.

His behavior in prison has been abysmal and illustrates he is unsuitable for early release. [REDACTED]

It is our position that he needs to serve the sentence he was given. He poses a serious risk to public safety and should not be given the benefits of early release on parole.

Sincerely,  
Dan Dow  
District Attorney
