1           4.     The First Amended Complaint seeks a comprehensive adjudication of the  
2 Cuyama Valley Groundwater Basin (Basin) and alleges two causes of action. The First  
3 Cause of Action for Comprehensive Adjudication and Physical Solution pursuant to  
4 Code of Civil Procedure sections 830 to 852 seeks a comprehensive judgment that  
5 determines and fixes the respective rights and priorities of the parties, and their  
6 respective successor in interest, to the extraction and use of Basin groundwater and the  
7 right to Basin storage space, among all users, a preliminary injunction to provide for  
8 management of the Basin, on an interlocutory basis, through entry of final judgment and  
9 any appeal, pursuant to Code of Civil Procedure section 847, and to provide a physical  
10 solution for the perpetual and continuous management of the Basin pursuant to Code of  
11 Civil Procedure sections 834, 849 and 850. The Second Cause of Action for Quiet Title  
12 seeks to quiet title to interests in the Basin groundwater and storage space appurtenant  
13 to Plaintiffs' real property as of the date the First Amended Complaint is filed as against  
14 any adverse claims pursuant to Code of Civil Procedure sections 760.010 to 764.080.  
15 Plaintiffs additionally seek costs of suit and such other and further relief as the court  
16 deems just and proper.

17           5.     You must appear in this comprehensive adjudication within thirty days  
18 after receiving this Notice. The Case Management Conference is set for March 8, 2022  
19 at 10:00 a.m. in Department 9 of the Los Angeles County Superior Court, Spring Street
