STEPS TO ACCESS BEHAVIORAL HEALTH SERVICES

Step 1:

Call 1-800-838-1381

This is our toll-free, 24 hour, 7 days-per-week Central Access Line. You will receive information about how to get Mental Health and/or Substance Use treatment services. If you call between 8 AM and 6 PM Monday through Friday (except holidays) we will schedule a first assessment appointment with you to discuss your needs and to help you find services that will work for you.

Step 2:

After completing an assessment, we will explain the services you qualify for and help you find providers who have current openings to work with you. You may read about our services and programs in this Provider List to help us find what you need.

MENTAL HEALTH TREATMENT PROVIDERS

All our locations are handicap accessible and close to public transportation. Services are available in English and Spanish at all locations. Other spoken language or ASL needs can be met as needed. Mental Health clinic treatment teams have openings and are continually accepting new referrals. Clinic staff offer Therapy, Rehabilitation, Case Management, Medication Support and Crisis Intervention services.

Staff at Mental Health Clinics and Specialty Programs have specialized training to assist with a wide variety of phase of life concerns (including early childhood, transitional aged youth, and older adult issues). We use a trauma informed care model and can help with recovery from past abuse, trauma, or discrimination. All staff have received cultural competency training and are sensitive to culture, gender and sexual identity, and lifestyle choices and provide services in an open, caring, compassionate manner. Many staff are bilingual and/or bicultural.

Services may be delivered by an individual provider or by a team of providers working under the direction of a licensed practitioner operating within their scope of practice. Only licensed, waived, or registered mental health providers are listed on this Provider Directory. Provider assignment decisions will be made by considering availability, specialization, recommendations, and requests. You may request a change of provider by using a Consumer Request Form, available in all of our clinic locations and on our website: slobehavioralhealth.org. Requests to work with a specific provider will be reviewed and authorized when possible.
