Re: DEIR Diablo Canyon Power Plant Decommissioning Project

Dear Ms. Strachan:

Thank you for contacting the Tribal Elders' Council for the Santa Ynez Band of Chumash Indians with the update on the above-mentioned project.

If supplementary literature reveals additional information, or if the scope of the work changes, we kindly ask to be notified.

If you decide to have the presence of a Native American monitor in place during ground disturbance to assure that any cultural items unearthed be identified as quickly as possible, please contact our office.

Thank you for remembering that at one time our ancestors walked this sacred land.

Sincerely Yours,

*Crystal Mendoza*
