- WHO:** County of San Luis Obispo Department of Planning and Building
- WHAT:** A Draft Environmental Impact Report (DEIR) for the *Dana Reserve Specific Plan (PLN-1118, SUB2020-00047, LRP2020-00007, ED21-094)* is complete and available for public review and comment. The document addresses the environmental impacts that may be associated with activities related to the adoption of the Dana Reserve Specific Plan (DRSP), including adoption of the Specific Plan, Conditional Use Permit for Oak Tree Removal and Grading/Impervious Surfaces, Vesting Tentative Tract Map (VTTM) 3159, Development Agreement, annexation into the Nipomo Community Services District's (NCSD) service area for provision of water and wastewater services, and a County-initiated General Plan Amendment to change the land use categories within the Specific Plan Area and reflect the proposed incorporation of the Specific Plan Area into the Nipomo Urban Reserve Line (URL). The *Dana Reserve Specific Plan* is a primarily residential project with a majority of the Specific Plan Area designated for residential uses, which would accommodate up to 1,289 single- and multi-family residential units. The DRSP would also allow for the future phased development of village and flex commercial uses (including a hotel, educational/training facilities, and retail/light industrial uses), open space, trails, and a public neighborhood park within the Specific Plan Area. State Clearinghouse #2021060558.
- The Specific Plan Area is within the Residential Rural land use category on three adjoining parcels totaling approximately 288 acres, including Assessor's Parcel Numbers (APNs) 091-301-030, 091-301-031, and 091-301-073, and is adjacent to the northern boundary of the Nipomo Urban Reserve Line and NCSD service area. The project site evaluated in the EIR also includes offsite water, wastewater, and transportation improvement areas located within the vicinity of the Specific Plan Area.
