**Subject:** Updates & Questions - IRWM Prop 1, Round 2 - Please Respond.

Thanks again for applying for the IRWM Prop 1, Round 2 Grant.

(This email has been sent to each submitting agency)

A few status updates notes and questions for you to respond to in the next few days.

#### Status & Schedule Update:

- The Working Group is preparing for their upcoming meeting to recommend a suite of projects

to move ahead in the application process.

- This meeting is scheduled for Thursday, August 24<sup>th</sup> at 10am. We will be meeting in the conference room of the SLO City/County Library.
  - Your attendance is not required
- It is anticipated that the Working Group will recommend 3-5 projects for the application. From there, the schedule is anticipated to be:
  - RWMG, September 7th, 10am: The RWMG will be expected to vote to recommend this suite of projects to the Board of Supervisors.
  - WRAC, October 5<sup>th</sup>, 1:30pm: The WRAC will vote whether or not to recommend the suite of projects to the Board.
  - Board of Supervisors, Nov 8 or Dec 6, 9am: the BOS will consider authorizing the Director of Public works to file the application or not.
  - Application is due February 1, 2023 to DWR.

#### Supplemental Questions:

We acknowledge that since the initial project submittals in March, projects may have achieved milestones that could affect scoring. ***With that, can you please respond by Friday at Noon, August 19<sup>th</sup> to the following Questions:***

1. Since applying, has there been any update to the funding of the project? **No Change**
  - a. Specifically, has the project secured a non-State funding source? **No**
2. Since applying, has there been any updates to the project permitting? **No Change**
  - a. For example, project secured CUP or encroachment permit. **No**
3. Is your project subject to NEPA? Yes or no. **No, Project is not subject to NEPA, however NEPA is currently being done in case project needs to be funded by USDA. If Project is awarded Prop 1 funding, anticipate a CEQA exemption and removed from the NEPA project description.**
  - a. If yes, is NEPA complete? **NEPA is scheduled for completion early in 2023.**
4. What is the status of the design of the project? **Complete and ready to construct.**
  - a. What % plans are complete? **100%**
5. Is there any change to the status of legal access / easements for the project, if applicable? **N/A**

Please let me know if you have any questions.

Thanks,

#### **Brendan Clark, P.E.**
