AMENDED NOTICE OF ASSESSMENT

EXTRA INDEXING

**SAN LUIS OBISPO COUNTY WASTEWATER ASSESSMENT DISTRICT NO. 1
COUNTY OF SAN LUIS OBISPO**

The Notice of Assessment for the above-identified assessment district (the "Original Notice of Assessment") was recorded in the office of the County Recorder of the County of San Luis Obispo on February 27, 2008, as Document No. 2008009552. In the 95-page Assessment Roll attached to the Original Notice of Assessment as Exhibit A, the owner of the subject parcel with respect to twelve (12) of the parcels was stated as "Declaration of Trust" for the reason that ownership of each such parcel was listed in that manner in the last equalized assessment roll of the San Luis Obispo County Assessor (the "County Assessor").

It now appears that the purposes of recording the Original Notice of Assessment are better served with respect to each of the 12 subject parcels by also setting forth the name of the individual who is listed in the County Assessor's last equalized assessment roll as the "Assessee," in each case a named individual. Accordingly, attached hereto as Exhibit A and made a part hereof is a list of the 12 subject parcels, each identified by both Assessment Number and Assessor's Parcel Number, showing the owner as Declaration of Trust, and supplementing that information by further setting forth the name of the corrected Assessee for each such parcel which has been made the subject of a Declaration of Trust, and further showing the amount of the assessment which has been made a lien on the subject parcel.

In all other respects, other than to restate and amplify the ownership of the 12 subject parcels by adding the name of the Assessee, the Original Notice of Assessment shall remain in full force and effect.

Dated: April 16, 2008
