

## CAREGIVER REGISTRY APPLICATION & INSTRUCTIONS

Looking for meaningful work helping others in your community? The Public Authority Caregiver Registry is a program that brings together people who need care in their own homes with those who want to provide that care.

Approved IHSS caregivers may apply to be a Registry provider. If you meet registry requirements, your name will be put on a list of eligible providers. This list is then distributed to recipients, or their Authorized Representatives, that contact Public Authority in search of a provider. **NOTE:** IHSS recipients are responsible for hiring, supervising, and terminating the provider they choose. The Caregiver Registry does not guarantee employment.
