

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2023 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2023 Continuum of Care (CoC) Program Competition. For more information see FY 2023 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2023 CoC Program NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2022 Project Application will be imported into the FY 2023 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2023 CoC Program Competition NOFA.

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2023 renewal project application. The “Submit without Changes” process is not applicable for first time renewing project applications or for a project application that did not import FY 2022 information and e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

Renewal projects that select “Yes - Individual Application in a Renewal Grant Consolidation” on the Renewal Grant Consolidation or Renewal Grant Expansion Screen may not use the “Submit Without Changes” process and esnaps will automatically be set to “Make Changes”. In addition, esnaps will automatically be set to “Make Changes” if the project applicant indicates on the Renewal Grant Consolidation or Renewal Grant Expansion Screen, this project application is for a “Yes - Stand-Alone Renewal Application in a New Grant Expansion” project application.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6A. Funding Request
- Screen 6D. Sources of Match
- Screen 6E. Summary Budget - All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2021 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and e-snaps navigation guides found on HUD.gov to find more in depth information about applying under the FY 2023 CoC Competition.

Renewal Grant Consolidation or Renewal Grant Expansion

The CoC Competition will continue offering opportunities to expand or consolidate CoC projects.

1. Expansions and Consolidations will no longer be required to submit a combined version of the application.

a. Expansions will be required to ONLY submit a Stand-Alone Renewal and a Stand-Alone New application.

b. Consolidations will be required to ONLY submit a Survivor grant and a terminating grant. Up to 10 grants may be involved in a consolidation (Survivor + 9 Terminating grants)

2. Since no combined version will be submitted for either the Expansion or Consolidation, the combining of data will occur at Post-Award. HUD HQ will combine all units, beds and budgets prior to the Post-Award process. The field office and applicant will then be required to combine remaining project data at C1.9a (recipient step). HUD HQ will provide a data report with the data all combined. All that will be required for applicants to do is a simple copy and paste.

We hope this process will simplify and reduce any confusion when submitting expansions or consolidations. If you have any questions, please contact the AAQ.

1. Is this renewal project application requesting to consolidate or expand? Yes - Individual Application in a Renewal Grant Consolidation

If "No" click on "Next" or "Save & Next" below to move to the next screen.

HUD encourages the consolidation of renewal grants. As part of the FY 2023 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 10 renewal grants into 1 consolidated grant with the final fully consolidated grant completed in the CoC post award process. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2024, as confirmed on the FY 2023 GIW and also confirmed with dates from eLOCCS. In addition, the project must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

2. Is this renewal project application the surviving or terminating grant? Survivor

Terminating PIN	CA0739	12/01/2024	11/30/2024

***The surviving PIN must have the earliest operating start date as confirmed from eLOCCS data. All Expiration Dates will be set to 2023.**

To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.

1. Provide a description that addresses the entire scope of the proposed project.

This program was created through a CoC reallocation taking an existing 20 bed transitional housing program and converting it to the SLO City Permanent Supportive Housing program for 20 disabled chronically homeless single adults. Participants are referred through a CoC coordinated entry process under the direction of the CoC Homeless Services Oversight Committee (HSCOC). Prioritization will be given to chronically homeless persons experiencing a severity of service needs. Program participants will be assessed and prioritized based on the length of time an individual has resided in a place not meant for human habitation, a safe haven, or an emergency shelter and the severity of the individual's service needs. Severity of the participant's service needs will be determined through a standardized assessment tool the VI-SPADT Vulnerability Index. This will be a low barrier, housing first program where participants will not be screened out due to low or no income, substance abuse issues or for legal issues with the exception of agency/State mandated restrictions. T-MHA will continue to collaborate with our CoC community partners including Behavioral Health, Community Hospital Center, Community Action Partnership of San Luis Obispo, El Camino Homeless Services, 5 Cities Homeless Coalition, SLO County Law Enforcement agencies, Department of Social Services and Housing Authority of San Luis Obispo, to conduct community outreach to identify, support and rapidly place chronically homeless individuals into permanent housing. Once placed into permanent housing, residents will be provided supportive case management assistance where individual goals and objectives will be identified through a client centered, best practice process. Support services will include referrals to medical providers, substance abuse programs, mental health services, educational/vocational programs, rental/security deposit assistance, credit repair, independent living skills and general housing stabilization. This program has added 20 permanent housing beds to the CoC inventory of dedicated permanent housing units for the disabled chronically homeless. Program goals/outcomes are expected to be as follows: 75% of participants remaining in permanent housing at the end of the operating year or exiting to permanent housing during the operating year; 75% of participants will maintain or increase their total income from all sources as of the end of the operating year or program exit; 20% of participants will maintain or increase earned income as of the end of the operating year or program exit.

Dedicated and DedicatedPLUS

A "100% Dedicated" project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A "DedicatedPLUS" project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

1. Is this project "100% Dedicated," "DedicatedPLUS," or "N/A"? 100% Dedicated
(Only select "N/A" if this project was originally awarded as a grant that did not have requirements to only serve persons experiencing chronic homelessness and meets the definition of "non-dedicated permanent supportive housing beds" in the NOFO Section III.C.2.p).

6A. Funding Request

VAWA Budget

New in FY2023, the Violence Against Women Act (VAWA) has clarified the use of CoC Program funds for VAWA eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in e-snaps and eLOCCS. The new BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

A. VAWA Emergency Transfer Facilitation. Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor's emergency transfer(s). Additional details of eligible costs include:

- Moving Costs. Assistance with reasonable moving costs to move survivors for an emergency transfer(s).
- Travel Costs. Assistance with reasonable travel costs for survivors and their families to travel for an emergency transfer(s). This may include travel costs to locations outside of your CoC's geography.
- Security Deposits. Grant funds can be used to pay for security deposits of the safe unit the survivor is transferring to via an emergency transfer(s).
- Utilities. Grant funds can be used to pay for costs of establishing utility assistance in the safe unit the survivor is transferring to.
- Housing Fees. Grant funds can be used to pay fees associated with getting survivors into a safe unit via emergency transfer(s), including but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.
- Case Management. Grant funds can be used to pay staff time necessary to assess, coordinate, and implement emergency transfer(s).
- Housing Navigation. Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfer(s).
- Technology to make an available unit safe. Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone, and internet service when necessary to support security systems for the unit, etc.

B. VAWA Confidentiality Requirements. Examples of eligible costs for ensuring compliance with VAWA confidentiality requirements include:

- Monitoring and evaluating compliance.
- Developing and implementing strategies for corrective actions and remedies to ensure compliance.
- Program evaluation of confidentiality policies, practices, and procedures.
- Training on compliance with VAWA confidentiality requirements.
- Reporting to CoC Collaborative Applicant, HUD, and other interested parties on compliance with VAWA confidentiality requirements.
- Costs for establishing methodology to protect survivor information.
- Staff time associated with maintaining adherence to VAWA confidentiality requirements.

Enter the combined estimated amount(s) you are requesting for this project's Emergency Transfer Facilitation costs and VAWA Confidentiality Requirements costs for one or both of these eligible CoC VAWA cost categories on the summary budget screen. The CoC VAWA BLI Total amount can be expended for any eligible CoC VAWA cost identified above.

1. Will this project use funds from this grant to provide for emergency transfer facilitation, which includes the costs of assessing, coordinating, approving, denying and implementing a survivor's emergency transfer per Section III.B.4.a.(3) (a) of the NOFO? No

2. Will this project use funds from this grant to provide for VAWA confidentiality requirements, which includes the costs of ensuring compliance with the VAWA confidentiality requirements per Section III.B.4.a.(3) (b) of the NOFO? Yes

3. Does this project propose to allocate funds according to an indirect cost rate? No

4. Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited: 1 Year

Continuum of Care Program
PSH: CA1627L9D141903**

From July 25, 2022, to August 9, 2022, this Office conducted a remote monitoring of the Continuum of Care program, in order to assess your organization's performance and compliance with applicable Federal requirements. Program performance was assessed through a review of operations, file documentation and interviews. The purpose of this letter is to transmit HUD's monitoring report, which provides the details of our review. HUD's review of these areas of program performance may result in the identification of Findings, Concerns, or exemplary practices.

A Finding is a deficiency in program performance based on a violation of a statutory or regulatory requirement. A Concern is a deficiency in program performance that is not based on a statutory or regulatory requirement, but is brought to the grantee's attention. Corrective Actions to address the noncompliance are identified for all Findings. Recommended Corrective Actions are not identified for Concerns. An exemplary practice is a noteworthy practice or activity being carried out by the grantee and may possibly be duplicated by another grantee.

The enclosed report contains no Findings or Concerns as a result of our review. If you disagree with any of HUD's determinations or conclusions in this monitoring report, please address these issues in writing within 30 days from the date of this letter. Your written communication should explain your reasons why you disagree, along with supporting evidence. Written responses should be sent via email to the address listed below.

Monitoring Report
Continuum of Care Program
County of San Luis Obispo, CA
CA1627L9D141903 \$272,289.00

Monitoring Dates: July 25- August 9, 2022

OVERVIEW

Monitoring is the principal means by which HUD ensures program effectiveness and management efficiency, and that programs are carried out in compliance with applicable laws and regulations. It assists grantees in improving their performance, developing or increasing capacity and augmenting their management and technical skills. Also, it provides a method for staying abreast of CPD-administered programs and technical areas within the communities that HUD programs serve. Monitoring assesses the quality of performance over time and promptly resolves the findings of audits and other reviews. In determining which grantees will be monitored, the Department uses a risk-based approach to rate grantees, programs and functions, including assessing the Department's exposure to fraud, waste and mismanagement. This process not only assists the Department in determining which grantees to monitor, but also identifies which programs and functions will be reviewed.

Required correction actions are identified for all Findings. Recommended actions are not identified for Concerns. Findings must be responded to within 30 days of this report.

SCOPE OF REVIEW

The purpose of this review was to document the County of San Luis Obispo's (County) compliance with the CoC requirements described below. The review encompassed the County's grant, CA1627L9D141903 in the amount of \$272,289 for the period of June 1, 2020, to May 31, 2021.

CA1627L9D141903	
Leasing	\$113,819.00
Supportive Services	\$124,128.00
Operating	\$ 11,301.00
Grant Administration	\$ 23,041.00
Grant Total:	\$272,289.00

This specific grant is to provide permanent supportive housing for a total of 20 disabled chronically homeless individuals and family. Prioritization is given to chronically homeless persons experiencing a severity of service needs. The review was based on program policies and procedures, executed written agreements between the County and the sub-

recipient operating the program-Transitions Mental Health Association (TMHA), executed leases, and client files. Interviews were completed with County CoC staff regarding the policies and procedures used to implement and manage the program.

The next section of the report summarizes the areas and program requirements reviewed.

Areas Reviewed and Results

CONTINUUM OF CARE PROGRAM

Homeless and At-Risk Determination/Recordkeeping Requirements

The purpose of this part of the review was to ensure that clients served by the CoC program met the eligibility requirements found at 24 CFR 578.103. Under grant CA1627L9D141903, of the 20 clients, three random files were reviewed from a comprehensive list generated from HMIS as shown below. Monitoring in this area was conducted using **Exhibit 29-1, Guide for Review of Homeless and At-Risk Determination/Recordkeeping Requirements**.

Client Files Reviewed	
Client 1	1099
Client 2	7414
Client 3	13301

HUD staff found that the County and TMHA had Policies and Procedures Manuals compliant with HUD requirements that included written intake procedures in place to ensure the documentation of eligibility requirements for homelessness, including income and disability verification. HUD primarily reviewed TMHA's Policies and Procedures Manual (Manual). The Manual has a detailed referral, eligibility, intake and a rent calculation process which was followed by TMHA to ensure eligibility.

TMHA utilizes a Homeless Services Adult Intake Form which provided adequate information for homeless determination and eligibility. For example, a review of the three client files demonstrated that supporting documentation was provided in sufficient detail to determine client eligibility and included at least one type of documentation:

- written referrals by service providers;
- medical verifications from an appropriate source;
- accurate calculations of the annualized income;, and
- appropriate utility allowance and leasing rates charged to clients.

HUD staff review of the County's and TMHA's supporting documentation for eligibility and policies and procedures for this area were met. **As a result, there were no findings or concerns identified in this area.**

Permanent Supportive Housing Requirements

The purpose of this part of the review was to ensure that the County's program complies with the permanent supportive housing requirements of the CoC program. Monitoring in this area was conducted using **Exhibit 29-7, Guide for Review of CoC Permanent Supportive Housing Requirements**.

This review was accomplished through interviews with County staff, a review of written agreements between the County and TMHA, programmatic policies and procedures for the program, and a review of the client files identified above for grant CA1627L9D141903 for compliance with the established eligibility, income and rental calculations, housing quality standards, ongoing annual assessments of supportive service needs, and appropriate leases and lease terms. For the three client file reviews, all of the above requirements were met.

Lease terms and rent. An important element for client stability is to ensure that clients are living in affordable housing units for a one-year period. All client files had one year leases and were allowed month to month extensions after the one-year leasing period. Rent calculations for clients were thorough and followed HUD FMR maximum rent regulations. All rents were below the FMR.

Supportive Services. In addition, supportive services were provided at the housing units where participants lived. An annual assessment was completed for clients regarding their service needs and TMHA adjusted services as necessary. Supportive services included:

- case management;
- education services;
- employment assistance and job training;
- food;
- life skills training;
- mental health services provided by TMHA;
- outpatient health;
- substance abuse treatment;
- one-time utility fees; and
- transportation assistance.

Costs for reimbursement of these supportive services were verified through a review of two TMHA reimbursement requests for December 2021 and February 2022. The reimbursement requests contained eligible supportive services expenses with backup documentation (receipts) along with a general ledger matching the expenses.

HUD's staff review of the County's and TMHA's supporting documentation for Permanent Supportive Housing requirements including policies and procedures provided in TMHA's Manual were met. **As a result, there were no findings or concerns identified in this area.**

Match Requirements

The purpose of this review was to assess the County's and TMHA's adherence to the Continuum

of Care (CoC) program’s Match requirements and the eligibility of the program’s match expenditures. Monitoring of this area was conducted using **Exhibit 29-11: Guide for Review of CoC Match Requirements**. The recipient or sub-recipient must match all grant funds, except for leasing funds, with no less than 25% cash or in-kind contributions, as defined at 24 CFR 578.73. TMHA utilized cash match in the form of client rents to meet the match requirement (see Table). Client rents not used for the match were utilized for eligible program activities which included operational expenses, client expenses, and supportive services. TMHA provided a match certification for the grant including a year-end income and expense accounting report which exceeded the cash match requirements. TMHA keeps track of cash match monthly in their accounting system.

Match Requirements	
Grant Funds Expended not including Leasing Costs	\$158,470.05
Match Required	\$39,617.50
Match Reported	\$75,145.00

There were no identified findings or concerns in this area.
