**HOMELESS SERVICES OVERSIGHT COUNCIL
ACTION ITEM
November 20, 2024**

AGENDA ITEM NUMBER: 4.1.1

ITEM: Vote to Recommend Nine Persons for Appointment to Vacant or Expiring Seats on the Homeless Services Oversight Council

ACTION REQUIRED: It is requested that the Homeless Services Oversight Council (HSOC): approve the nominations of Abby Lassen for a second term for the At Large seat she currently holds, in the category of Advocates; Allison Brandum for a second term for the At Large seat she currently holds, in the category of Advocates; Benjamin Albracht for a first term for the Organizations Serving Homeless Veterans seat currently held by Bill Crewe; Brenda Mack for a third term for the Currently or Formerly Homeless Persons seat she currently holds; Ilene Brill for a first term for the Faith-Based Organizations seat formerly held by Shay Stewart; Jim Dantona for a second term for the Businesses seat he currently holds; Raven Lopez for a first term for the Behavioral Health Agencies seat currently held by Aurora William; Rick Scott for a second term for the Law Enforcement seat he currently holds; and Susan Lamont for a third term for the Victim Service Providers seat she currently holds; and recommend them to the County of San Luis Obispo Board of Supervisors for appointment to the HSOC.

SUMMARY NARRATIVE:

There are 36 membership seats on the HSOC. Members are appointed to the HSOC by the County Board of Supervisors, with the exception of seven seats reserved for the representatives of the seven incorporated cities. These seven seats are held by City Council members who are appointed by their respective City Councils.

With the exception of the seats reserved for elected officials, and the Youth Advisory Board seat, members are appointed to three-year terms. To ensure continuity of the HSOC, term expirations are staggered among the seats, such that approximately 1/3 of the seats expire in a given year. Terms expire in January of the year in which the term ends. There is no restriction on the number of terms a member may serve.

There are currently eight seats due to expire in January 2025. Six of these seats are tied to a specific category and can only be held by a representative from that category (Behavioral Health Agencies, Organizations Serving Homeless Veterans, Currently or Formerly Homeless Persons, Businesses, Law Enforcement and Victim Service

Action Item 4.1.1

Providers). The two remaining seats are At Large seats, meaning they may be held by a representative from any of the following categories: County Government Service Providers, Currently or Formerly Homeless Persons, Advocates, Affordable Housing Developers, Businesses, Faith-Based Organizations, Hospitals, Public Safety Organizations, Behavioral Health Agencies, Nonprofit Homeless Assistance Providers, Organizations Serving Homeless Veterans, Housing Authority, County Office of Education, Local School Districts, Social Service Providers, Victim Service Providers, and Other Community Organizations.

In addition, there is one vacant seat. This seat is tied to a specific category and can only be held by a representative from that category (Faith-Based Organizations).

At the September 2024 HSOC meeting, expiring membership terms were reviewed and a request was made for applications from the public. A total of twenty-two applications were received. An ad hoc Nominating Committee met in October to consider the applications and make a recommendation. This recommendation and all applications were reviewed by the HSOC Executive Committee at its regular November meeting. The HSOC Executive Committee recommends the following nine candidates for seats on the HSOC for terms beginning in January 2025:

Abby Lassen for an At Large seat in the Advocates category, for a term expiring in January 2028. Abby is a current member of the HSOC Services Coordinating Committee, and was a member of the HSOC Alternatives to Encampment Subcommittee. She has also served as Board member and employee of 5Cities Homeless Coalition and County of San Luis Obispo Health Equity Coordinator. She has represented people experiencing homelessness as an attorney with California Rural Legal Assistance.

Allison Brandum for an at large seat in the Advocates category for a term that will expire January 2028. Allison is a volunteer with Team Rubicon USA and an advocate for the needs of people experiencing homelessness in the community, including providing outreach and medical care to people living in encampments.

Benjamin Albracht for the Organizations Serving Homeless Veterans seat for a term that will expire January 2028. Benjamin is a Board member for SLO County Veteran's Collaborative, and a Senior Social Worker for Veterans Affairs Supportive Housing in SLO, as well as having firsthand experience as a former homeless veteran.

Brenda Mack for the Currently or Formerly Homeless Person seat for a term that will expire January 2028. Brenda has served as a volunteer for Transitions Mental Health Association's Life House clinic, currently serves as Housing Chair of SLO NAACP, and has worked as a Psychiatric Technician. She has also volunteered with community-

Action Item 4.1.1

The Chamber of Commerce works closely with the business community on engaging and understanding how to work with government and the local unhoused community.

Raven Lopez for the Behavioral Health Agencies seat for a term that will expire January 2028. Raven is Director of Fiscal Policy for the County Behavioral Health Directors Association of CA.

Rick Scott for the Public Safety Organizations seat for a term that will expire January 2028. Rick is Chief of Police for the San Luis Obispo Police Department, as well as Executive Board Member for Grizzly Academy and a Board Member for Lumina Alliance.

Susan Lamont for the Victim Service Providers seat for a term that will expire January 2028. Susan is the Interim Chief Program Officer for Lumina Alliance, which provides services and shelter to persons fleeing from intimate partner violence, and was formerly the Associate Director for RISE. I have volunteered with ECHO for about 20 years, and have been with PR ECHO since they opened in 2020. My husband and I work at ECHO 2-3 times/week, preparing and/or serving meals and running the shower program, where we provide hygiene items and supervision. Learning about housing and homelessness and ways to combat the significant problems that it presents is a strong interest of mine.

I have attended several informational webinars on related topics, most recently such as:

The Housing Supply Imbalance (Michael Foote, w/ REACH)
What is Affordable Housing and How Do We Get It?
How Will We Live Tomorrow? A Social Housing Model
Who Can Afford to Live in SLO County?

As a member of the League's Homelessness sub-committee, I meet with them monthly to discuss relevant news and ways that we can advocate for housing solutions.

Last week, I toured Grover Beach's Cabins for Change with members of LWV, to learn more about how they operate, programs they offer, and how they are funded.

I read as much as possible in the Tribune, CalMatters, NYTimes and the New Yorker about related issues and legislation.

Jewish Family Services of San Luis Obispo - Intake Coordinator
JCC-Federation of SLO - Board Member, Vice-President of Jewish Family Services
San Luis Obispo Commission on Aging - Alternate Member at Large
San Luis Obispo EFSP - Board Member
RSVP volunteer

Please describe how you qualify for the HSOC category which you have selected above:

As Intake Coordinator for JFS, I interact with clients and other agencies, facilitate the delivery of assistance, and provide resources to residents of SLO County (regardless of their circumstances, religious beliefs, race, ethnicity, national origin, diversability, gender identity/expression or sexual orientation) who are in financial need (income 200% below the poverty line). 30% of the people contacting our organization are unhoused. I provide support services such as paying for storage fees, DMV registration, propane and gasoline, impound fees and more as well as referrals to other community organizations. I work in partnership with over 70 local agencies including 40 Prado, ECHO, the 5 Cities Homeless Coalition, SSVF, and TMHA to meet the emergency needs of our clients. In addition, I collect, analyze and interpret demographic data from the interviews I conduct and the applications submitted by clients to write grants and reports. As a member of the SLO Commission on Aging, I stay informed about issues specifically faced by homeless seniors and work directly with other members to address their needs and concerns. In my role as an EFSP Board Member, I participate in determining how grant funds for local homeless service providers are distributed.

While not necessarily required, knowledge of issues relating to homelessness and/or previous involvement in addressing homelessness are desirable for HSOC members and will be considered by the selection committee prior to making its recommendations to the Board of Supervisors. Please summarize your experience with the issue of homelessness or with homeless clients:

As Intake Coordinator for JFS, I'm in direct contact with the homeless. Part of our eligibility process involves a detailed phone interview to determine the client's needs and how to achieve the best positive outcomes. The issues I discuss with the unhoused include: fear of police impounding the vehicle they're living in because it's not registered or insured (lack of safe parking), food insecurity, and the shortage of shelter beds, hotel vouchers, and affordable housing. The relationships I've established with other area social service organizations is vital in achieving our agency's mission. My participation on the Commission on Aging and ESFP boards keeps me engaged in community affairs and involved with other service providers, offering opportunities to collaborate and expand services.

Please explain why you would like to serve on the HSOC (attach a separate sheet if necessary):

I'm a dedicated and passionate advocate for the homeless and appreciate this opportunity to make a positive impact on improving the lives of our fellow citizens as well as actively participate to meet the goals of the countywide plan to address their needs and concerns. I believe my direct experience with the homeless coupled with my knowledge of area resources and partnerships with local social service providers, will augment the mission of HSOC.

I have 22 years of experience working with people with mental health issues in a variety of settings; inpatient, and outpatient services. Putting that all aside, I have also collected clothes donations for ECHO,

Please explain why you would like to serve on the HSOC (attach a separate sheet if necessary):

I am passionate for the direction of the program. Homelessness is an issue that needs to be addressed, and it is important to have a multidisciplinary group to be able to bring to the table all the different components that need to be looked at and evaluated, and be cost conscientious about how the funds are being used.

I was the Homeless Health SW for French Hospital for 1.5 yrs, following homeless patients inpatient and in the community, before transitioning to the ECM for Dignity Health. I've worked closely with RCP and often visited patients at Prado as well as RCP at Prado.

Additional Comments:

My firsthand experience with homelessness provides me with a deep understanding of the challenges individuals face when seeking stable housing and support services. Having navigated the complexities of homelessness, I have encountered numerous obstacles that highlight the need for effective and accessible support systems.

As a visually impaired person, I have faced additional difficulties in accessing resources and services, which has further shaped my perspective on the barriers that many individuals experience. This insight is crucial in understanding how to create more inclusive systems that meet the diverse needs of those affected by homelessness.

Additionally, my spouse is a combat veteran, and together we have confronted the challenges of securing housing and resources for veterans and low-income families. This experience has deepened my awareness of the specific struggles faced by veterans within the homeless community and underscores the importance of tailored support for these individuals.

While my faith motivates me to help others, my primary drive comes from my personal journey and the desire to advocate for improvements in services for those experiencing homelessness. Serving on the HSOC would allow me to leverage my experiences to bring attention to the needs of individuals facing homelessness, ensuring that their voices are heard and their challenges addressed.

Additional sheet from Lael White –

Oct 7, 2024

My knowledge of issues relating to homelessness has primarily been derived from my own personal experiences. I understand the effects of PTSD and problems that “snowball”, how teens & females are particularly vulnerable to predators, and at my age I’m finally no longer embarrassed to talk about anything.

I also feel for the many veterans living without a home... my husband was a Vietnam War veteran who could not overcome the horrors he witnessed and the treatment he received after returning to the United States. He left when our children were very young, and eventually died of a drug overdose. I wish I knew then at least some of what I understood later after attaining more knowledge & education.

Since that time I’ve spent countless hours in therapy, and went back to school as a single parent when I was 30 years old. I never graduated from high school, but proudly earned two bachelor’s degrees (magna cum laude, Anthropology & Psychology) and completed two years of graduate school in Applied Anthropology. This in turn allowed me to earn higher wages, which eventually led to the purchase of my own home, which as you can imagine was especially meaningful to me.

At a weekend seminar I attended several years ago, when asked a general question about our greatest achievement in life, I answered that I survived without ever being beaten, raped, or killed. That got a laugh when the instructor said “that’s a pretty low bar” and I laughed along with them at the time, but later I realized and positively concluded that is indeed my greatest achievement in life because of those years I spent living on the street, and I am so proud of it... no judgment towards those who do not understand that sentiment, because I definitely get it to the core of my being and that’s all that matters to me, because I have lived it (and survived).

Well, I’m not sure what help I could be, but that’s about it in a nutshell... sorry for the last minute submission, and thanks for listening.

Lael

I work for the County Behavioral Health Directors Association of CA (CBHDA) as the Director of Fiscal Policy.

Please describe how you qualify for the HSOC category which you have selected above:

In my role as the Director of Fiscal Policy at CBHDA, I advocate to the state on behalf of county behavioral directors (BHD) to increase funding and to positively impact proposed legislation and policies. One such area that I have been working in is on housing and homelessness across the state. With the increased attention on counties and cities to solve the housing shortage and homelessness crisis, it has become imperative to advocate on behalf of county BHDs in these areas. I believe my advocacy experience at CBHDA qualifies me for the HSOC category I selected.

While not necessarily required, knowledge of issues relating to homelessness and/or previous involvement in addressing homelessness are desirable for HSOC members and will be considered by the selection committee prior to making its recommendations to the Board of Supervisors. Please summarize your experience with the issue of homelessness or with homeless clients:

As noted above, I have knowledge of issues related to homelessness through my work at CBHDA. I have also reviewed the county's Countywide Plan to Address Homelessness and relevant updates on the Plan, so am knowledgeable in the local issues and current plans to address it. In addition, I previously worked for Transitions-Mental Health Association as their Finance & Operations Director. In that role, I worked closely with our Division Director and team who provided housing/homeless services and ensured there was sufficient funding to pay for staff and needed services.

Please explain why you would like to serve on the HSOC (attach a separate sheet if necessary):

I would like to serve on the HSOC so I can better understand, and be a part of, the county's process/solution to address and alleviate the impact of homelessness on the people in this county. **HOMELESS SERVICES OVERSIGHT COUNCIL (HSOC)
ACTION ITEM
NOVEMBER 20, 2024**

AGENDA ITEM NUMBER: 4.2.1

ACTION ITEM: VOTE TO RECOMMEND AMENDING COUNTY OF SAN LUIS OBISPO AND CITY OF PISMO BEACH CY2023 PERMANENT LOCAL HOUSING ALLOCATION AS REQUIRED BY THE CALIFORNIA DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

ACTION REQUIRED:

Vote to recommend amending the Permanent Local Housing Allocation for both the County of San Luis Obispo and City of Pismo Beach CY2023 allocations as required by the California Department of Housing and Community Development.

SUMMARY NARRATIVE:

Permanent Local Housing Allocation (PLHA) is a state program administered by the California Department of Housing and Community Development (HCD) which provides funding to local governments in California for housing-related projects and programs that assist in addressing the unmet housing needs of their local communities. Funding for PLHA is provided from moneys collected and deposited into the state's Building Homes and Jobs Trust Fund. To receive funding, local governments must prepare plans and submit plans to HCD showing how the funding will be used over a five-year period in compliance with PLHA requirements. Funding is appropriated annually to local governments with approved plans.

County of San Luis Obispo PLHA Plan

The County of San Luis Obispo is the lead agency in the development of the PLHA Plan, which includes the San Luis Obispo Urban County Entitlement Area (comprised of the unincorporated areas and the cities of Arroyo Grande, Atascadero, Morro Bay, Paso Robles, and San Luis Obispo). The cities of Pismo Beach and Grover Beach received separate PLHA allocations.

On July 14, 2020, the San Luis Obispo County Board of Supervisors approved the 5-year PLHA Plan and application to the State, defining how these funds are allocated by activity. Per the County's 5-year plan; 10% is allocated to affordable rental and ownership housing, 50% is allocated to matching funds in the San Luis Obispo County Housing Trust Fund, 35% is allocated to services that assist persons experiencing or at-risk of homelessness, and 5% is allocated to the County for administration of the grant program.

Program Changes This Year

HCD released the Notice of Funding Availability (NOFA) for CY2023 (Year five of the PLHA Plan) on October 15, 2024. The NOFA included updated requirements for setting aside funding for Affordable Ownership Worker Housing (AOWH).

Pursuant to the original PLHA authorizing statute, California Health and Safety Code Section 50470(b)(2)(A), twenty percent (20%) of the moneys collected and deposited in the Building Homes and Jobs Trust Fund must be expended for Affordable Owner-Occupied Workforce Housing (AOWH). The statute did not require PLHA grantees to allocate a percentage of their PLHA plans to AOWH, however HCD has an obligation to ensure that the 20% threshold for AOWH is met.

HCD monitors compliance with this requirement by reviewing allocations adopted in required 5-year plans and any amendments to those plans, as well as reviewing actual documented expenditures. Based on these indicators, HCD has determined that at the end of the current 5-year period applicable to CY 2019- 2023 allocations, funds projected to be expended on AOWH are trailing behind the required 20 percent.

To ensure that the statutory requirement for AOWH funding is met, the CY2023 PLHA NOFA will require all First-time applicants as well as previous grantees to amend their plans to include a 40% allocation to AOWH for any remaining allocations that have not yet been awarded.

The County's CY2023 allocation is \$573,308. Table 1 shows what the distribution of those funds would have looked like under the previously approved PLHA plan.

Table 1 - Current CY2023 County of San Luis Obispo PLHA Allocation

Current Allocation	Percentage	Amount
Affordable housing	10%	\$ 57,330.80
Housing Trust Fund	50%	\$ 286,654.00
Homeless Services	35%	\$ 200,657.80
Admin	5%	\$ 28,665.40
TOTAL	100%	\$ 573,308.00

Table 2 below shows the proposed allocations that would bring the County in conformance with the current NOFO requirements.

Table 2 - Proposed CY2023 County of San Luis Obispo PLHA Allocation

Proposed Allocation	Percentage	Amount
Ownership housing	40%	\$ 229,323.20
Housing Trust Fund	27.5%	\$ 157,659.70

Action Item 4.2.1

Homeless Services	27.5%	\$	157,659.70
Admin	5%	\$	28,665.40
TOTAL	100%	\$	573,308.00

Staff consulted with the San Luis Obispo County Housing Trust Fund which is supportive of the proposed allocation changes.

The County released a Notice of Funding Availability (NOFA) for the estimated CY2023 allocation on September 3, 2024, based on the current allocation percentages. Applications received for homeless services projects will be recommended for funding based on the proposed allocation change of 27.5%. There were no project applications submitted for AOWH, therefore a separate Request for Proposals will be released in early 2025 for AOWH projects.

City of Pismo Beach Allocation

On October 18, 2022, the County of San Luis Obispo Board of Supervisors approved the submittal of the PLHA application on behalf of the City of Pismo Beach. On November 4, 2022, the City of Pismo Beach and the County entered into an agreement to delegate the County to administer the City’s PLHA allocation.

The City of Pismo Beach’s PLHA Plan was originally modeled after the County’s PLHA plan that was approved by the Board of Supervisors on July 14, 2020. On May 21, 2024, the Board of Supervisors approved an amendment to the City of Pismo Beach’s PLHA Plan which changed the allocations for CY2020, CY2021, CY2022 (year’s two-to-four of the five-year plan) to 95% allocated to services that assist persons experiencing or at-risk of homelessness, and 5% allocated to the County for administration of the grant program.

The City of Pismo Beach CY2023 allocation is \$69,268. Table 3 shows what the distribution of those funds would have looked like under the previously approved PLHA plan.

Table 3 - Current CY2023 City of Pismo Beach PLHA Allocation

Current Allocation	Percentage	Amount
Homeless Services	95%	\$ 65,804.60
Admin	5%	\$ 3,463.40
TOTAL	100%	\$ 69,268.00

Table 4 below shows the proposed allocations that would bring the County in conformance with the current NOFO requirements.

Table 4 -Proposed CY2023 City of Pismo Beach PLHA Allocation

Proposed Allocation	Percentage	Amount
Ownership housing	40%	\$ 27,707.20
Homeless Services	55%	\$ 38,097.40
Admin	5%	\$ 3,463.40
TOTAL	100%	\$ 69,268.00

Staff consulted with City of Pismo Beach staff to inform them of the HCD requirements and to review the proposed allocation changes. As the City delegated authority to the County for administration of the program, no action is required by the City. A Request for Proposals will be released in early 2025 to solicit project applications for CY2023 City of Pismo Beach Allocation.

FINANCIAL CONSIDERATIONS:

Approval of this item by HSOC would provide direction to staff to seek approval of a resolution by the County Board of Supervisors to amend both the County of San Luis Obispo's and City of Pismo Beach's CY2023 allocation that is required by HCD for submittal of the CY2023 PLHA applications.

Once approved by HCD, the County would receive \$642,576 in combined PLHA funding for the development of affordable ownership housing, matching funds to the San Luis Obispo County Housing Trust Fund, providing services to assist persons experiencing or at-risk of homelessness, and administration of the grant program.

STAFF COMMENTS

If this item is approved by the HSOC, staff will bring an item on the consent agenda of the County Board of Supervisors on December 17, 2024, for approval of a resolution to amend both the County of San Luis Obispo and City of Pismo Beach's CY2023 PLHA allocation as required by HCD.

YOU CAN ENROLL IN SCHOOL!

Even if you have:

- Uncertain housing
- A temporary address
- No permanent physical address

You are guaranteed enrollment in school by the federal McKinney-Vento Act and California state law if you live:

- In a house or apartment with more than one family due to loss of housing or economic hardship
- With friends or family because you are a runaway or an unaccompanied youth
- In substandard housing (without electricity, water, or heat)
- In a shelter (family, domestic violence, or youth shelter or transitional living program)
- In a motel, hotel, or weekly rate housing
- In an abandoned building, in a car, at a campground, or on the streets

You can enroll in school immediately even without the documents normally required for enrollment, such as:

- Proof of residency
- Immunization records or other required health records
- School records
- Legal guardianship papers

Your child may:

- Participate fully in all school activities and programs for which he/she is eligible.
- Receive transportation to and from the school of origin if you request it.
- Continue to attend the school in which he/she was last enrolled even if you have moved away from that school's attendance area.
- Qualify automatically for school nutrition programs.

Your responsibilities are to:

- Make sure your child gets to school on time and ready to learn.
- Stay informed of school rules, regulations, and activities.
- Contact the School District Contact for assistance in removing barriers to your child's education.
- Attend parent/teacher conferences, Back-to-School Nights, and other school-related activities.

¡USTED PUEDE INSCRIBIRSE EN LA ESCUELA!

Incluso si:

- Su situación de vivienda es insegura
- Tiene una dirección temporal
- No tiene una dirección física
- permanente

La ley federal McKinney-Vento y las leyes del estado de California le garantizan la inscripción en la escuela si vives:

- En una casa o departamento con más de una familia debido a la pérdida de su vivienda o a dificultades económicas
- Con amigos o familiares porque huiste de tu hogar o eres un menor no acompañado
- En una vivienda precaria (sin electricidad, agua o calefacción)
- En un refugio (para familias, víctimas de violencia doméstica o jóvenes, o un programa de vivienda temporal)
- En un motel, hotel o vivienda que se paga semanalmente
- En un edificio abandonado, automóvil, campamento o en la calle

Puede inscribirse en la escuela de inmediato incluso sin los documentos que normalmente se piden para la inscripción, como:

- Prueba de residencia
- Registros de vacunación y otros registros médicos
- Registros escolares
- Papeles de guardian legal

Su hijo puede:

- Participar plenamente en todas las actividades y programas escolares para los que sea elegible.
- Recibir transporte de ida y vuelta a su escuela de origen si lo solicita.
- Seguir asistiendo a la escuela en la que estuvo inscrito por última vez, incluso si se mudó fuera de la zona de asistencia de esa escuela.
- Califica automáticamente para los programas de nutrición escolar.

Es su responsabilidad:

- Asegurarse de que su hijo asista a la escuela a tiempo y listo para aprender.
- Mantenerse informado de las reglas, regulaciones y actividades de la escuela.
- Contactar a la persona indicada en ayudar a las personas sin hogar para obtener ayuda para eliminar las barreras a la educación de su hijo.
- Asistir a reuniones entre padres y maestros, las noches de regreso a la escuela y otras actividades relacionadas con la escuela.
