WHAT IS SSVF?

The SSVF Program is designed to provide a range of supportive services to address barriers to stable housing for low income Veterans and those at risk of becoming homeless and to assist Veterans who are homeless make a successful transition to permanent housing. Supportive services are available to eligible Veterans and other members of the household based on an assessment of their needs and individualized housing stability plan. Participation in case management is required to ensure the success of households assisted.

The SSVF Program is part of a continuum of treatment and support services funded by the U. S. Department of Veteran Affairs.

What is the definition of a Veteran under the SSVF program?

A person who served in the United States military and was discharged under conditions other than dishonorable.
