RE: Public Records Act Request

To Whom It May Concern,

Pursuant to my rights under the California Public Records Act (Government Code Section 6250 et seq.), I ask to obtain a copy of the following, which I understand to be held by your agency:

- All written communications (letters, emails, text messages) from District Attorney's Office staff to District Attorney Dan Dow, Assistant District Attorney Eric Dobroth, and Chief Deputy District Attorneys regarding "Black Lives Matter," "BLM," "George Floyd," and "protest" and any responses to those communications
- Any records held by the District Attorney's Office related to a criminal arrest or criminal charges for David Allen Knight, with a home residence of [REDACTED].

I ask for a determination on this request within 10 days of your receipt of it, and an even prompter reply if you can make that determination without having to review the record in question.

Please provide a signed notification citing the legal authorities on which you rely if you determine that any or all of the information is exempt and will not be disclosed.

I respectfully request records be provided in digital format if possible, or I ask that you notify me of any duplication costs exceeding \$10 before you duplicate the records so that I may decide which records I want copied.

If I can provide any clarification that will help expedite your attention to my request, please contact me at 781-7909 or mfountain@thetribunenews.com.

Thank you for your time and attention to this matter.

Sincerely,

Matt Fountain
