DEFENSE ATTORNEY APPEARANCE NOTIFICATION AND REGISTRATION FOR EDISCOVERY

Form Rev. 4/6/2020

APPLICABILITY: All defense attorneys, law firms, and self-represented defendants must complete this form and submit to the District Attorney's office in order to receive electronic discovery "**eDiscovery**" of police reports and other evidence in a criminal case in San Luis Obispo County. Failure to register for eDiscovery may lead to a delay in obtaining discovery and additional cost for production and delivery of physical discovery.

PROCEDURE: Complete, sign, and submit this form to rreddell@co.slo.ca.us. Once request is processed, you will receive an email asking you for verification. Once you have verified and the process is complete, you will be able to access **eDiscovery** through a link sent to you by an email from our case management system.

NOTICE: Misrepresentation of identity or fraudulent use of the **eDiscovery** system will result in revocation of access to **eDiscovery** and a requirement for physical discovery with additional delay. The attorney of record for a specific case will be added to our case management system. A law firm may identify one point of contact for **eDiscovery** for all of your firm's cases if desired. Please make that clear on this form.
